GAZETTE NOTICE No. 4771

KENYA REVENUE AUTHORITY**REPORT OF THE CONTROLLER & AUDITOR GENERAL ON THE FINANCIAL STATEMENTS OF KENYA REVENUE AUTHORITY FOR THE YEAR ENDED 30 JUNE 2009**

I have audited the accompanying financial statements of Kenya Revenue Authority set out below which comprise the Balance Sheet as at 30 June 2009, the Income Statement, the Statement of Changes in Equity and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory notes in accordance with the provisions of Section 8 of the Public Audit Act, 2003 and Section 18 of the Kenya Revenue Authority Act, Cap 469. I have obtained all the information and explanations which to the best of my knowledge and belief, were necessary for the purpose of the audit.

Management's Responsibility for the Financial Statements

The management of the Kenya Revenue Authority is responsible for the preparation and fair representation of the financial statements in accordance with the International Standards on Auditing. Those standards require compliance with ethical requirements and that the audit be planned and performed with a view to obtaining reasonable assurance that the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls relevant to the entry's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Management, as well as evaluating the overall presentation of the financial statements.

I believe the audit evidence obtained is sufficient and appropriate to provide a basis for my opinion.

Comments**Property, Plant and Equipment**

- (i) As disclosed under Note 8 (ii) to the Financial Statements, the Authority does not have title documents for some 11 pieces of leasehold land with buildings, with a carrying value of Kshs 710, 759,591.00. According to the Note, registration of these properties is under process at the Ministry of Lands.
- (ii) As similarly observed in 2007/2008, the Authority has not valued its properties since March 1996 and as a result it has not been possible to ascertain whether the carrying value of the properties as stated in the Financial Statements is fair.

Opinion

In my opinion, except for the effect on the financial statements if any, of the matters referred to in the preceeding paragraphs, the accompanying financial statements give a true and fair view of the state of affairs of the Authority as at 30 June 2009 and of its deficit and cash flows for the year then ended, in accordance with the International Financial Reporting Standards and comply with the Kenya Revenue Authority Act, Cap 469 of the Laws of Kenya.

A. S. M. GATUMBU,
Controller and Auditor General.

Nairobi
15 March 2010

**STATEMENT OF MANAGEMENT RESPONSIBILITIES ON THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2009**

The Kenya Revenue Authority Act requires Management to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Authority and its operating results for that year. It also requires Management to ensure that the Authority keeps proper accounting records which disclose, with reasonable accuracy, the financial position of the Authority. Management is also responsible for safeguarding the assets of the Authority and maintenance of adequate system of internal financial control.

Management accepts the responsibility for the annual financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgements and estimates, in accordance with International Financial Reporting Standards and the requirements of the Kenya Revenue Authority Act. Management is of the opinion that the financial statements give a true and fair view of the state of the financial affairs of the Authority and of its operating results.

Nothing has come to the attention of Management to indicate that the Authority will not remain a going concern for at least the next twelve months from the date of this statement.

M. G. WAWERU,
Commissioner General.

NOTES TO THE FINANCIAL STATEMENTS**1. ESTABLISHMENT**

Kenya Revenue Authority was established by an Act of Parliament, The Kenya Revenue Authority Act, and CAP 469. The Authority's objectives are the assessment and collection of revenue, administration, enforcement of laws relating to and accounting for revenue collected under the Act.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**(a) Basis of Preparation**

The financial statements are prepared under the historical cost basis of accounting as modified by the revaluation of certain items of property, plant and equipment and fair value adjustments to investments. They are presented in Kenya Shillings (Kshs.) rounded to the nearest thousand shillings and comply with the International Financial Reporting Standards (IFRS).

(b) Income Recognition**i) Agency Income**

In accordance with the Kenya Revenue Authority Act CAP 469, income to the Authority is "such amounts not exceeding 2% as may be determined by the Minister each financial year" of the total estimated revenue to be collected by the Authority on behalf of the Exchequer. In addition, the Authority is entitled to a Bonus of 3% of the surplus revenue collected above the estimates and also earns income from other activities.

ii) Other Income

Interest Income is recognised on a time basis at the effective interest rate applied on the principal amounts outstanding

Rental income is recognised on accrual basis

Other incomes are recognised when earned.

(c) Development funding and asset Contributions by the Treasury

Contributions by the Treasury in form of assets or funding for acquisition of major assets or development projects are recognized as a financing reserve when received. No repayment of the financing is expected by the Authority.

(d) Property, Plant and Equipment

The value of land is not reflected as prepaid lease rentals as the land was allocated to the Authority at no purchase consideration.

All categories of property, plant and equipment are stated at cost or valuation less accumulated depreciation and annual impairment losses. No depreciation is provided on freehold land. Depreciation is calculated to write off the cost or valuation of each asset to its residual value where applicable, over the expected useful life of the asset in equal instalments. A full year's depreciation is charged in the year of purchase but no charge is made in the year of disposal.

The estimated useful life is as follows:

Plant & Machinery	8 years
Equipment/Furniture/Fittings	8 years
Boats	8 years
Motor Vehicles	5 years (with a 10% residual value)
Computers	3 years
Computer Software	3 Years
Buildings	40 years

Gains or losses on property, plant and equipment are determined by reference to their carrying value and are taken into account in determining the surplus / (deficit) for the year.

(e) Intangible Assets

Intangible assets consist of various computer software systems purchased for use by the Authority. The Authority recognises Intangible Assets acquired separately at cost less accumulated amortisation. Amortisation is charged on a straight-line basis over their useful lives as estimated by management from time to time.

(f) Translation of foreign currencies

Transactions in foreign currencies during the year are converted into Kenya Shillings at rates ruling at the transaction dates. Assets and liabilities at the balance sheet date, which are expressed in foreign currencies, are translated into Kenya Shillings at the rate ruling on that date. The resulting foreign exchange gains and losses are recognized on a net basis, differences are dealt with in the income and expenditure statement in the financial year in which they arise.

(g) Retirement Benefits Obligations

The Authority operates a hybrid pension scheme with a defined benefit section and a defined contribution section for the permanent and pensionable employees. The pension costs relating to this scheme are assessed in accordance with the advice of a qualified actuary. The assets of the scheme are held in a separate trustee-administered fund. The cost of providing pension and other post-retirement benefits for employees is charged to the income and expenditure account.

(h) Cash and Cash equivalents

THE CONSTITUTION OF KENYA

THE NATIONAL ASSEMBLY AND PRESIDENTIAL
ELECTIONS ACT

(Cap. 7)

THE NATIONAL ASSEMBLY AND PRESIDENTIAL ELECTIONS
(REGISTRATION OF ELECTORS) REGULATIONS

INSPECTION OF VOTERS REGISTER SOUTH MUGIRANGO

IT IS notified for general information that compilation of the voter register for South Mugirango Constituency is complete. The Interim Independent Electoral Commission will display the list of electors (voters) at all registration centers in the Constituency. This display will take place from 30th April, 2010 to 28th May, 2010, which is for a period of thirty (30) days. The Commission appeals to the public to inspect these lists which will be at the registration centers during these days from 8.00 a.m. to 1.00 p.m. and from 2.00 p.m. to 5.00 p.m.

Members of public should inspect (check) the following:

- (a) that their names are listed in the register if they were duly registered and issued with a voters card;
- (b) that the registration particulars are correct e.g. spelling and order of names, National I.D Number, voters card number, date of birth etc. must also be correct.

(c) that there are no voters in the register who are not qualified to be so registered in the electoral areas or constituency e.g imported voters, imposters, under-age.

(d) that the register does not contain names of persons who are known to be dead as at time of inspection of the Register.

When they detect errors or irregularities in the register the members of the public should report to the Registration Officer in the following ways—

- (a) in case of an error with their registration particulars, apply for rectification for the registration particulars.
- (b) in case of names missing file a claim.
- (c) in case of an unqualified voter appearing in the register, file an objection.
- (d) in case they know of any dead voter, furnish the Registration Officer with the details relating to the voter who is dead i.e. the full names and his/her identification Number.

The registration officials will be happy to advice any person on any matter he/she may wish to be clarified and on the right procedures.

Dated the 27th April, 2010.

A. I. HASSAN,
Chairman,
Interim Independent Electoral Commission.
