CAUSE No 48 OF 1974

Parties —

Kenya Local Government Workers' Union
and
Nyeri County Council

Issue in dispute —

Wrongful removal from county council services of—

- 1 Mr John G Ndegwa—Clerk to Council
- 2 Mr Gerald Muriuki—County Treasurer

1 The Kenya Local Government Workers' Union shall hereinafter be referred to as the Claimants and the Nyeri County Council shall hereinafter be referred to as the Respondents

2 The parties were heard in Nairobi on 24th December, 1974, and 11th February, 1975, and relied on their written and verbal submissions

AWARD

3 The Notification of Dispute Form "A" dated 13th August, 1974, was received by the Court on 23rd September, along with the statutory certificates signed by the Minister for Labour and the Labour Commissioner

Mr J G Ndegwa and Mr G Muriuki were the Clerk and the Treasurer respectively of the Respondents Mr Ndegwa was appointed the Clerk from 1st January, 1970, and Mr Muriuki was appointed County Treasurer also with effect from the same date They were both appointed subject to the Respondents' Code of Regulations or Terms and Conditions of Service for Staff which may be altered from time to time and also subject to provisions of the Local Government Regulations, 1963

At a special meeting of the Respondents' full council held on 30th November, 1973, the council, per resolution 1/73, resolved that both these officers be removed from office in accordance with regulation 127 (1) of the Local Government Regulations, 1963, and that the Minister's approval to such removal be sought forthwith, and (ii) pending such approval by regulation 127 (1) both of them be suspended from the duties and emoluments of their respective offices with effect from the date of the resolution

The Acting Clerk/Treasurer wrote to the Permanent Secretary, Ministry of Local Government, on or about 9th February, 1974, and forwarded a copy of the minutes of the council meeting held on 30th November, 1973 On 10th April, 1974, the Permanent Secretary, Ministry of Local Government, informed the Respondents that the Minister had approved their resolution passed on 30th November, 1973, removing the Clerk and the Treasurer from their respective offices in the council This decision was conveyed to both Mr Ndegwa and Mr Muriuki by the Acting Clerk/Treasurer vide his letter dated 18th April, 1974

The Order which led to their removal from the Respondents' employment was issued under regulation No 234 of the Local Government Regulations, 1963, dated 13th November, 1973, by the then Minister for Local Government, Hon J C N Osogo, which was directed to the Respondents to the effect that a special meeting of the council be convened before 24th November, 1973, to remove both these officers from their posts, the principal ground stated in the said Order was that the Minister was satisfied that the administration of the Respondents was inefficient and had resulted in financial loss by them and the Minister was satisfied that the inefficient and wasteful administration was attributed to the Clerk and the Treasurer of the Respondents The Minister made it clear that the Controller and Auditor General acting under the relevant powers had made a report on the examination of the books and records of accounts of the Respondents

A request was made to the Minister by a delegation consisting of all the chairmen of committees and the chairman and vice-chairman of the Respondents to postpone the council meeting from 23rd November, 1973, to 30th November, 1973, to which the Minister agreed

On 27th November, 1973, a Local Government Inspector, Mr I C S Araujo, submitted a report to the Minister for Local Government and he made the following two recommendations —

"1 That the Treasurer be initially suspended and later dismissed from office on the grounds that he has violated the public trust and attempted to use council machinery as an instrument of personal gain

2 That the Clerk be suspended and later dismissed for negligence of duty, misconduct, and for failing to exercise his proper responsibilities as chief executive officer as laid down in Part I of the Third Schedule to the Local Government Regulations 1963"

Prior to the Local Government Inspector's report an audit inspection report during the months of May and June, 1973, was compiled by the Senior Auditor, Central Province, Mr R J Pittaway, for Controller and Auditor-General Mr Pittaway wrote a letter to the Respondents Clerk setting out all the points that had been revealed during the audit examination. He was asked to give his comments and take necessary action where applicable. The copies of this document were forwarded to the Permanent Secretary, Ministry of Local Government, the Assistant Director of Audit, Exchequer and Audit Department, the Provincial Commissioner, Central Province, and the Provincial Local Government Officer, Central Province. Both the Local Government Inspector's report and Mr Pittaway's report were produced in Court as appendices to the parties' written submissions.

The Claimants alleged that when Mr Pittaway's report was received by the Respondents' Clerk who at that time was Mr Ndegwa, Mr Muriuki, the County Treasurer was on leave and although the Clerk asked the Ministry of Local Government to allow Mr Muriuki to be recalled from leave so that he could prepare answers to the queries raised in the report the Ministry was unco-operative and did not even acknowledge the letter. Mr Muriuki was to resume duty on 14th December, 1973, and the Clerk would not take any action on the report.

During the hearing the Claimants were bitterly critical of the manner in which these two officers had been made to hand over their offices at gun point which incident had been reported in the newspapers and had acted to great detriment of both of them.

In brief the Claimants have submitted that the Minister's Order dated 13th November, 1973, was premature because when the Minister made that Order he did not have the report of the Controller and Auditor-General before him. They contended that Mr Pittaway's letter dated 7th August, 1973, addressed to the Respondents' Clerk could not by any means be construed to be the report of the Controller and Auditor-General as required under the Exchequer and Audit Act (Cap 412). Moreover, the Local Government Inspector's report was also received by the Minister on 27th November, 1973, fourteen days after he issued the aforesaid Order to the Respondents.

The Claimants maintained that both the Clerk and the Treasurer had not been afforded an opportunity of defending themselves or giving explanations on the various points raised by the Auditor and the Inspector before the Minister directed the Respondents to remove them from office. They strongly submitted that the principles of natural justice had been contravened.

The Claimants further made a point that the Respondents meeting held on 30th November, 1973 was not valid and proper as the County Council Chairman, Councillor Mathenge Ndunyu, did not have electoral unit which he could represent at that time. They explained that on Nyeri Town being given the Municipal status some alterations followed as a result of which certain units ceased to exist for the purpose of the county council elections. The unit for which Councillor Ndunyu had been elected ceased to exist. Therefore the meeting did not have a legal chairman and the proceedings could not be held to be valid. Furthermore the minutes of the Respondents meeting on 30th November, 1973, had never been confirmed with the result that the decisions taken at that meeting were not binding.

The Claimants made comments on some twelve items out of 65 contained in the aforesaid letter of Mr Pittaway and stated that the Clerk and the Treasurer had absolutely no responsibility in respect of these items and they were not at fault.

The Claimants submitted that the Auditor General could not delegate his powers and any report by him addressed to the Minister had to be signed by him and no one else.

The Respondents submitted that they had no alternative but to comply with the Ministerial directive which had been issued under regulation 234 of the Local Government Regulations 1963. It was up to the two officers concerned, if they had wanted to challenge the Minister's Order in the High Court with a view to getting it quashed. The dispute before the Court was between them and the two officers. It was not a dispute between the Minister and the Claimants.

The Respondents asked the Court to presume, in the absence of any evidence to the contrary that the Minister had acted in good faith and lawfully.

Regarding Councillor Ndunyu's position the Respondents drew the Court's attention to the various Legal Notices and explained that although the number of electoral units had been reduced the number of councillors had not been reduced. Moreover, through a Legal Notice the term of all county councillors had been extended to 30th June, 1974. In any case they contended that regulation 88 of the Local Government Regulations took care of the objections raised by the Claimants on this point. Further, regulations 98 and 101 covered the point of any irregularity on account of non confirmation of county council minutes.

The Respondents denied that any rules of natural justice had been contravened because although the Respondents had no alternative but to carry out the Ministerial order they had nevertheless asked the two officers to say something in defence before the Respondents came to any conclusion.

In this dispute the Claimants have asked the Court to find that the services of these two officers had been terminated wrongfully by the Respondents and they should therefore be reinstated to their former positions without loss of any benefits.

After careful consideration of all the submissions the Court find that there is absolutely no evidence to impute any improper motives to the then Minister for Local Government, hon J C N Osogo, when he issued his aforesaid Order to the Respondents on 13th November, 1973. It is obvious that the Minister was prompted by no other reasons except that the administration of the Respondents was inefficient and had resulted in financial loss by them, and further that the Minister was satisfied that these two officers, the Clerk and the Treasurer, were responsible for the inefficiency and wasteful administration.

The Court accepts the Respondents' submissions that they had no alternative but to carry out the Ministerial directive. This being so it was up to these two officers to have taken appropriate action to get the said Ministerial directive quashed in the High Court before the Respondents could carry it out. The Acting Clerk/Treasurer informed both of them on 15th November, 1973, that they should attend a special meeting of the full council to be held on 23rd November, later postponed to 30th November, and that the agenda of the meeting was "the removal of the Clerk to Council, Mr J G Ndegwa and County Treasurer, Mr G Muriuki under regulation 127 of the Local Government Regulations 1963".

The Court feels that that was the proper time for Mr Ndegwa and Mr Muriuki to have taken action in the High Court against the Ministerial Order but since they let the opportunity slip the Respondents in law had no alternative but to carry out the Minister's directives. This they did on 30th November, 1973.

The Court is not impressed by the Claimants' argument that the proceedings of the council meeting held on 30th November, 1973, were null and void as regulation 88 takes care of any irregularities that may have occurred in the course of the council meeting. Even without the provisions of regulation 88 the Court is satisfied that Councillor Ndunyu at the material time was a proper member of the Respondents notwithstanding the fact that due to certain developments his electoral unit had disappeared. The fact is that the number of county councillors remained the same and their term of office was extended to 30th June, 1974.

At the meeting of the Respondents on 30th November, 1973 the council resolved itself into a committee of the full council in accordance with Standing Order No 14 in view of the fact that it would be considering staff matters. Later having taken a decision that both Mr Ndegwa and Mr Muriuki should be dismissed from office of the Clerk and the Treasurer of Nyeri County Council the committee resolved itself into full council. In these circumstances regulations 98 and 101 of the Local Government Regulations apply and that disposes of the Claimants' objection to the minutes of the meeting of 30th November, 1973 not having been confirmed.

The Court has noted that the Claimants tried to clear Mr Ndegwa and Mr Muriuki on about twelve items only out of some 65 items mentioned in Mr Pittaway's report. The Court further finds that the Minister for Local Government did not act on the Local Government Inspector's report.

The dispute before the Court is between the Claimants and the Respondents, it is therefore obvious that it cannot go into any evidence to ascertain whether or not the Minister's Order dated 13th November, 1973 was valid.

The Court would like to refer to the following paragraph which appears in the minutes of the meeting held on 30th November 1973 —

"The Chairman closed the meeting by remarking on the frequency with which the council had debated instances of financial imprudence and called for reports from the two officers. If they had responded, it is questionable whether the

present meeting would have been necessary. He expressed surprise that the officers who were supposed to advise the members were not only not furnishing this advice but were also unwilling to follow sound advice from the councillors. He was grateful that the Ministry realized that members were not responsible for the present state of affairs since there was no evidence to show that the council acted inconsistently with advice rendered by officers. He believed numerous instances of such impropriety existed and beseeched the Ministry through Mr Nyagah to hasten investigations since the councillors also wanted a clear record to witness their period in office to future generations.

All in all, the Court gets a clear impression from the documentary evidence that was produced to the Court and also from the oral submissions made by the parties' representatives that these two officers were indeed inefficient in carrying out their duties which had resulted in wasteful administration.

The Court is satisfied that no principles of natural justice were violated during the termination of the services of these two officers.

After a careful consideration of all the submissions the Court finds that the services of Mr Ndegwa and Mr Muriuki were properly terminated and the Court directs that the parties should now proceed further from the letters written to both of them dated 18th April, 1974, by the Respondents' Acting Clerk/Treasurer, wherein it is clearly stated that they are entitled to three months' salary in lieu of notice but before they are paid this amount the money which both of them owe to the Respondents should be deducted from the amounts due to them.

The Claimants put in their written submission as arranged but the Respondents failed to do so. The Respondents however forwarded a copy letter which they had forwarded to their advocates dated 9th October requesting them to handle the dispute on their behalf.

On 29th October the Claimants appeared but there was no appearance by the Respondents and it was arranged to have another mention date on 14th November, 1974, when the Respondents' advocates were also asked to appear through a copy letter addressed to the parties on 30th October, 1974

On 14th November the Claimants appeared again but the Respondents once again defaulted and the Judge of the Court proceeded to fix the hearing date of the dispute for 16th January, 1975, and the Respondents were given time up to 16th December, 1974, to put in their submission. The Respondents and their advocates were informed of these arrangements on 15th November, 1974. On 25th November, 1974, the Respondents submitted six copies of their reply.

On 16th January, 1975, the parties appeared before the Court with the Respondents' advocate stating that the Court's letter informing his firm of the hearing date and the time had gone astray and he was not aware that the hearing was to take place that day. His client was also not present and he asked for leave to put in a supplementary memorandum and a new hearing date. It was accordingly arranged that the Respondents will be at liberty to file a supplementary memorandum on or before 4th February, 1975, and the hearing of the dispute would take place on 24th February, 1975.

On 21st January, 1975, the Court was informed by the Respondents' advocate that they did not have any further instructions from the Respondents and will therefore not be appearing on their behalf on 24th February, 1975, at the hearing and they informed the Respondents by a registered copy of their letter of the arrangements made in Court and the hearing date. The original of this letter was sent to the Court stating that they had no further instructions in the matter.

On 25th February, the Claimants appeared in Court and once again there was no appearance either by the Respondents or their representatives. The Court decided to proceed with the hearing of the dispute under the aforesaid circumstances.

AWARD

3 The Notification of Dispute Form "A" dated 6th July, 1974, was received by the Court on 9th September, along with the statutory certificate signed by the Labour Commissioner.

The Claimants demand arrears amounting to Sh 8,136 on behalf of their member, David Muruthi, being underpayment while in the Respondents' employment during which time he performed the duties of a snack bar cashier. The Claimants stated that Mr Muruthi was taken on by the Respondents when they bought the business from Airways Motel Ltd on 1st August, 1970. At that time Mr Muruthi had been promoted by the former management from a waiter to a snack bar cashier. When the Respondents took over the business they did not change Mr Muruthi's duties at the snack bar and he continued in the same position as before. Subsequently he approached the new management for a letter of appointment and pointed out the underpayment but the Respondents told him that they were not members of the Kenya Association of Hotel Keepers and Caterers and were therefore not bound by the collective agreement of the Association.

Mr Muruthi continued pressing his claim and in 1973 the Claimants took up the matter on his behalf and he was issued with a letter of appointment showing that he was a waiter. The Claimants protested and the letter was subsequently altered to show that his position was that of snack bar cashier as from 1st September, 1973. The Claimants, however, did not give up the claim in respect of underpayment to Mr Muruthi and the matter ended up at the Ministry of Labour where conciliation proceedings failed to resolve the matter. The Conciliator informed the Permanent Secretary, Ministry of Labour, showing that the Claimants claimed a sum of Sh 8,136 from the Respondents made up as follows —

November-December, 1971	550-212=338	×2	676
January-December, 1972	575-212=363	×12	4,356
January-August, 1973	600-212=388	×8	3,104
			<u>Sh 8,136"</u>

It was also stated in that letter that the Respondents were not members of the Association until November, 1971.

The Court notes that at one stage the Claimants were prepared to settle the dispute on receipt of a payment of Sh 4,068 to Mr Muruthi but the Respondents did not accept the offer.

The Claimants called Mr Muruthi as a witness and he gave evidence on oath explaining the circumstances under which he was claiming the sum of Sh 8,136 from the Respondents.

After a careful consideration of all the submissions the Court has no alternative in the aforesaid circumstances but to make an award in favour of the Claimants for Sh 8,136 to be paid by the Respondents to Mr David Muruthi. The Court accordingly awards that the Respondents should pay Mr Muruthi a sum of Sh 8,136.

Given in Nairobi this 24th day of February, 1975

GAZETTE NOTICE No 950

THE TRADE MARKS ACT
(Cap 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T M No 6 (in duplicate) together with a fee of Sh 50

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner

Representations of the marks advertised herein can be seen at the Trade Marks Registry State Law Office, Nairobi

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number

The undermentioned applications are proceeding in the name of CIBA-GEIGY LIMITED, of CH 4002 Basle, Switzerland, c/o Messrs Atkinson, Cleasby & Satchu, advocates, P O Box 90121, Mombasa
