*Terms of Reference for the Taskforce**Introduction*

The office of the Auditor-General has in the recent past undertaken a special audit of pending bills at the request of the national Treasury in the financial year 2018/2019. This covered the period 2013/2014 to June 2018 with a report issued as of the 28th February, 2019.

Counties were then required to prepare and submit payment plans for the settlement of the eligible pending bills to the National Treasury. The payments were under the supervision of the Controller of Budget.

On the ineligible bills, the Intergovernmental Budget and Economic Council (IBEC) meeting of 18th June, 2019, resolved that all county governments establish a County Pending Bills Committee with the mandate of reviewing the eligibility of the bills previously categorized as ineligible.

In addition, the Auditor-General received the request from the National Treasury to undertake a special audit of pending bills for FY 2018/2019 and 2019/2020. The objective was to establish and provide an independent and reasonable assurance on the amounts owed to various suppliers, statutory deductions to various institutions and outstanding personnel costs due to staff by the respective counties.

The County Government of Kiambu in compliance with the circular from the Controller of Budget *vide* letter ref: COB/COG/002/VOL.13(55) appointed a pending bills committee *vide* Gazette Notice No. 1386 of 2020 dated 21st February, 2020, and Gazette Notice No. 3155 of 2021 dated the 30th March, 2021. Consequently, a pending reconciliation committee to reconcile the various pending bills reports undertaken was established. This also included verification and reconciliation of the special audit report findings.

Due to the nature and the extent of the existing pending bills accrued by the County Government of Kiambu, some of the pending bills were certified as eligible and payments made. A percentage of these payments have raised audit queries and concerns.

In light of these concerns and reports prepared by the Pending Bills Committees and the Pending Bill Reconciliation Committee, it is considered necessary to establish a technical working committee to verify the reports generated by the respective committees.

Specific Terms of Reference

- Analyze the payment plan as submitted by the pending bills reconciliation committee.

Tenure of the Committee

The Technical Working Committee shall complete its work within its term of thirty (30) days from its launch date.

- (b) layering – in this phase, a person engaging in money laundering separates the illicit proceeds from their source by creating complex layers of financial transactions designed to disguise the audit trail and provide anonymity and the funds might be channelled through the purchase and sales of products in the sector such as investment into a pension fund, purchase of annuities or purchase of an income draw down; and
- (c) integration – this is the provision of apparent legitimacy to criminally derived wealth and places the laundered proceeds back into the legitimate economy in such a way that they re-enter the financial system.

(2) Placement, layering or integration may occur as separate and distinct phases or alternatively, they may occur simultaneously or, more commonly, they may overlap and how the basic steps are used depends on the available laundering mechanisms and the requirements of the criminal organization.

(3) Money laundering in the Retirement Benefits sector can take place in all the three stages, though it is more likely at the layering stages as the industry is no longer predominantly cash based.

(4) While the risks in the industry are medium low it is important for schemes and service providers to have adequate policies and procedures to ensure determination, monitoring and evaluation of threats and vulnerability are in place.

5. (1) The Authority and its staff shall, in accordance with section 36 of the Proceeds of Crime and Anti- Money Laundering Act, report to the Centre any suspicious transaction or activities that it may encounter within the normal course of its duties in the form prescribed in the Proceeds of Crime and Anti Money Laundering Act.

Particular attention should be paid to the following points:

- (i) Signature must be supported by rubber-stamping or typing the name of the signatory in capital letters.
