### CHAPTER THREE— ACHIEVEMENTS AND CHALLENGES

#### 3.1: Key achievements

The following are the key achievements of the Board for the Year ending December 2020—

- (a) The Board completed the recruitment of 457 staff in various departments.
- (b) Putting controls on the recruitment of casual workers, an avenue that used to stretch the wage costs in the County.
- (c) Fast tracked promotions and create harmony within the Busia County Public Service.
- (d) Development of working policy documents.
- (e) The Board undertook induction of newly recruited staff in some departments.

#### 3.2: Challenges

In the discharge of its mandate the Board continues to experience and/or has experienced a number of challenges and key among them are—

- (a) Inadequate funding adversely affected implementation of planned HR development programmes/activities, development of working policy documents, induction of new staff among others. The Board had budgeted for Kshs 124 million to fund its operations and various human resource development programmes but received only Kshs 73,357,900
- (b) Inadequate office equipment and office accommodation
- (c) Accessibility of the offices for Persons Living with Disability is a challenge, as the Board offices are located on the second floor of a building with no provision for accessibility by People Living With Disability.
- (d) There is need to establish/update appropriate schemes of service and a pension scheme. The Board had anticipated that the Pension Bill before the Senate would by now have been finalized and enacted into law as the issues of staff retirement benefits are critical and very important to employees and the economy as a whole. There is therefore need for a comprehensive legal framework to guide all Parties involved.
- (e) Internal workplace dynamics
- (f) Harmonizing the various categories of staff i.e. Local Authority, National Government and newly recruited staff to all operate within uniform schemes of service but with no harmonized salary structure from SRC.

#### 3.3: Way Forward

The Board is mandated to manage the human resources in the County Public Service and ensure that the service is efficient and

effective. In order to achieve this, the Board will endeavor to transform the Public Service to be professional, ethical, efficient and effective in service delivery. In this regard, the Board will inter alia, focus on the following interventions—

- (a) Develop policy for internal career and management development for existing staff and recruit more staff.
- (b) Development and Review of Human Resource Policies and Guidelines. The Board will continue to play its executive and advisory role by issuing human resource management policies, regulations and guidelines to the service to provide direction on managing the human resource function. Accordingly the Board will:
- (c) Develop, review and consolidate all the Human Resource policies, guidelines among other initiatives and align them to the Constitution and other legislative framework
- (d) Undertake impact assessment on guidelines issued to the service
- (e) Training Needs Analysis (TNA) The Board will in collaboration with the Department of Public Service Management carry out a TNA in the departments so as to give necessary training to improve staff performance and delivery of service.
