THE INDUSTRIAL COURT

CAUSE No 45 OF 1968

Parties

Tailors and Textile Workers' Union
and

E A Bag and Cordage Co Ltd

Issues in dispute

Leave entitlement
Overtime rate
Wage increase
Duration of agreement

1 The Tailors and Textile Workers' Union shall hereinafter be referred to as the Claimants and the E A Bag and Cordage Co Ltd shall hereinafter be referred to as the Respondents

2 The Parties were heard in Nairobi on the 14th day of January 1969 and relied on their written and verbal submissions

AWARD

Leave Entitlement and Overtime Rate—The Respondents' demands for reducing the current leave entitlement and overtime rate have come before the Court for the third time. It is unfortunate that the parties have not yet been able to settle this matter through their own efforts. As far as the Court is concerned it is not prepared to deviate from its previously stated stand which was incorporated in the award in Cause No 19 of 1967 as follows —

"The Court has very carefully considered the Respondents' request for buying out the extra benefits which the workers are enjoying under the issues of overtime rates and leave facilities, but is not prepared to grant it. It should be noted that the Court had rejected a similar demand last year and that both these benefits were awarded by a sole Arbitrator in 1964 who had in turn based his award on the arrangement he found in force at that time. Furthermore the Respondents, particularly on the issue of overtime, did not present sufficiently detailed information to the Court on which the Court could have considered a variation of the existing agreement. In view of this, the Court rejects the Respondents' demands on the issues of overtime rates and leave facilities, but wishes to state that there would be no objection to the Parties voluntarily agreeing to a buying out scheme."

Wage Increase—After a careful consideration of the submissions made by the Parties, the Court awards the following new wage rates for the various groups —

	<i>Per Month</i>
	<i>Sh cts</i>
Group A	690 00
Group B	490 00
Group C	310 00
Group D	227 50
Group E	187 50
Group F	167 50
Group G	155 50

It should be noted that the workers are provided with free housing

In awarding the above rates, the Court has taken into consideration the current difficulties with which the Respondents are faced as far as their loss of markets is concerned and the stiff competition they have to encounter with imports from India and Pakistan. The Court has further been influenced by the incentive scheme which is in operation at the Respondents' factory under which no worker gets less than Sh 43/75 over and above his basic rate. Other workers earn sums ranging from Sh 50 to Sh 125 per month under this incentive scheme.

Duration of Agreement—The Court awards that the duration period of the agreement should be 18 months with effect from 1st October 1968 which is the agreed effective date between the parties.

Given in Nairobi this 27th day of January 1969

AWARD

Leave Entitlement and Overtime Rate—The Respondents' demands for reducing the current leave entitlement and overtime rate have come before the Court for the third time. It is unfortunate that the parties have not yet been able to settle this matter through their own efforts. As far as the Court is concerned it is not prepared to deviate from its previously stated stand which was incorporated in the award in Cause No 19 of 1967 as follows —

"The Court has very carefully considered the Respondents' request for buying-out the extra benefits which the workers are enjoying under the issues of overtime rates and leave facilities, but is not prepared to grant it. It should be noted that the Court had rejected a similar demand last year and that both these benefits were awarded by a sole Arbitrator in 1964 who had in turn based his award on the arrangement he found in force at that time. Furthermore the Respondents, particularly on the issue of overtime, did not present sufficiently detailed information to the Court on which the Court could have considered a variation of the existing agreement. In view of this, the Court rejects the Respondents' demands on the issues of overtime rates and leave facilities, but wishes to state that there would be no objection to the Parties voluntarily agreeing to a buying-out scheme."

Wage Increase—After a careful consideration of the submissions made by the Parties, the Court awards the following new wage rates for the various groups —

	Per Month
	Sh cts
Group A	690 00
Group B	490 00
Group C	310 00
Group D	227 50
Group E	187 50
Group F	167 50
Group G	155 50

It should be noted that the workers are provided with free housing

In awarding the above rates, the Court has taken into consideration the current difficulties with which the Respondents are faced as far as their loss of markets is concerned and the stiff competition they have to encounter with imports from India and Pakistan. The Court has further been influenced by the incentive scheme which is in operation at the Respondents' factory, under which no worker gets less than Sh 43/75 over and above his basic rate. Other workers earn sums ranging from Sh 50 to Sh 125 per month under this incentive scheme.

Duration of Agreement—The Court awards that the duration period of the agreement should be 18 months with effect from 1st October 1968 which is the agreed effective date between the parties.

GAZETTE NOTICE No 309

THE TRADE MARKS ACT
(Cap 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form TM No 6 (in duplicate) together with a fee of Sh 50

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Offices, Nairobi

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number
