GAZETTE NOTICE No. 19

THE TRADE MARKS ACT

(Cap. 506)

NOTICE is given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within sixty (60) days from the date of this Gazette, lodge notice of opposition on form TM. No. 6 (in duplicate) together with a fee of KSh. 50.

Notice is also given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him an opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Office, Nairobi.

Applications for registration in part A of the register are shown with the official number unaccompanied by any letter. Applications for part B are distinguished by the letter B prefixed to the official number.

GAZETTE NOTICE No. 22

THE INDUSTRIAL COURT

CAUSE No. 69 OF 1986

Parties:

Kenya Union of Domestic, Hotels, Educational
Institutions, Hospitals and Allied Workers
and
Mombasa Club

Issue in Dispute:

Dismissal of T. M. Malusi.

THE Kenya Union of Domestic, Hotels, Educational Institutions, Hospitals and Allied Workers shall hereinafter be referred to as the claimants and the Mombasa Club shall hereinafter be referred to as the respondents.

2. The parties were heard in Nairobi on 8th December, 1987, and relied on their written and verbal submissions.

AWARD

3. The Notification of Dispute Form "A" dated 4th April, 1986, duly signed by the parties was received by the court on 30th June, 1986, together with the statutory certificates signed by the Labour Commissioner and the Minister for Labour.

The court finds that under the circumstances of this dispute where the grievant faced two criminal cases in one year relating to the respondents funds the respondents were justified in losing confidence in him. The court has considered the fact that in one case the grievant was acquitted and that in the other he was convicted but placed on probation for one year.

The court feels that the respondents acted correctly in handing out a normal termination to the grievant and notes that they sent a sum of Sh. 7,000 to the Provincial Labour Officer, Mombasa, which they now want back. The court cannot allow the respondents to do that and the court awards that this sum of Sh. 7,000 should be given to the grievant by the Mombasa Labour Office. In any case the respondents are

ordered to pay this amount to the grievant either through the Provincial Labour Officer, Mombasa or directly if the money has been returned to them.

Given at Nairobi on 13th December, 1987.

GAZETTE NOTICE No. 23

THE INDUSTRIAL COURT

CAUSE No. 105 OF 1986

Parties:

Kenya Engineering Workers Union
and
General Aluminium Fabricators Limited

Issue in Dispute:

House Allowance.

THE Kenya Engineering Workers Union shall hereinafter be referred to as the claimants and General Aluminium Fabricators Limited shall hereinafter be referred to as the respondents.

2. The parties were heard in Nairobi on 4th December, 1987, and relied on their written and verbal submissions. Previously the dispute was fixed for hearing on 21st May and 4th September, 1987, but due to the respondents inability to prepare their submission and organize their representation the hearing could not proceed.

AWARD

3. The Notification of Dispute Form "A" dated 27th August, 1986, duly signed by the parties was received by the court on 28th October, 1986, together with the statutory certificates signed by the Labour Commissioner.

The court has carefully considered all aspects of this dispute and finds it difficult to believe that the respondents are not able to interpret the housing allowance clause (c) which is clear and straightforward, which reads:

Housing Allowance

"Every employee who is not provided with free accommodation by his employer, shall be entitled to house allowance equivalent to 15 per cent of the minimum rate for the grade in which he is employed."

In view of this clear wording the court has no alternative but to find that, the claimants interpretation of this clause is correct and the respondents have deliberately failed to implement the "housing allowance" clause of the collective agreement. It was up to the respondents to ensure that what they are submitting now was incorporated in the collective agreement before they signed it. It would be wrong for a party to go outside the clause of the collective agreement and the court must reject this attempt.

The court accordingly awards in favour of the claimants and finds that, the respondents' employees are entitled to housing allowance equivalent to 15 per cent of the minimum rate for the grade in which they are employed and from the effective date of the parties agreement.

In case the respondents want to pay the arrears arising from the court award in instalments they should make an application to the court.

Given at Nairobi on 28th December, 1987.

THE following notes are for the guidance of persons submitting "copy" for inclusion in the *Kenya Gazette, Supplement*, etc.:

- (1) The *Kenya Gazette* contains notices of a general nature which do not affect legislation. They are, therefore, submitted to the Government Printer directly.

All "copy" submitted for publication should be prepared on one side of an A4 sheet no matter how small the notice or Act, each page being numbered, and should be typewritten with double spacing. Copy should be clear, legible and contain a minimum of alterations.

Particular attention should be paid to the following points:

- (i) Signature must be clarified by means of rubber-stamping or typing the name of the signer in capital letters.
- (ii) Dates must be correct and filled in where necessary.
- (iii) Care should be taken to ensure that all headings to notices and references to legislation are up to date and conform with the Revised Edition of the Laws of Kenya.
