THE KENYA (ELECTORAL PROVISIONS) (REGISTRATION OF VOTERS) REGULATIONS, 1962

NOTICE TO ELECTORS

NOTICE IS HEREBY GIVEN that it is proposed to compile new registers of electors for the purpose of the election of members to—

- (a) a new Lower House of the Legislature;
- (b) a new Upper House of the Legislature;
- (c) new Regional Assemblies; and
- (d) Local Government Authorities.

ALL PERSONS who wish to be registered as electors for the purpose of any or all of these elections, and who consider that they are qualified to be so registered, must attend personally before the Registration Officer or Assistant Registration Officer for the registration unit in which they are qualified to be registered, on or after the 1st October, 1962, but not later than the 30th November, 1962, and must then produce to such officer or person a completed application in the prescribed form.

A PERSON who wishes to make application outside the registration unit in which he wishes to be registered need not attend personally if he completes an application and makes the declaration contained in the application form, and delivers it or sends it by post to the Registration Officer of the registration unit in which he wishes to be registered, so that it reaches the Registration Officer not later than the latest closing date for applications in any of the registration units.

THE various registration units established for the registration of electors are those set out in the first column of the Schedule to this Notice, and an applicant should attend at the place of registration specified in relation to his registration unit in the second column of that Schedule.

DAYS and times of attendance will be notified at each place of registration. Where a place of registration is closed before the said 30th day of November, 1962, a notice will be exhibited thereon saying at what other place of registration applicants may attend.

FORMS of application may be obtained at any place of registration, while it is open.
