UNADOPTED STREET WORKS—BERNHARD ESTATE

NOTICE is hereby given that the City Council at the ordinary meeting held on the second of March 1965, passed a resolution on the following terms:—

“THAT whereas the City Council of Nairobi is of the opinion that the construction of the following unadopted streets in Bernhard Estate, namely, Bingley Road, Challow Drive, Convent Drive, Donald Close, Harrison Road, Lockinge Drive, Northumberland Avenue, Quorn Avenue, Quorn Close, Westfield Drive and Westfield Lane, to the standard required by section 7 of the Streets Adoption Act, 1963, is not for the time being required or advisable and that such streets be constructed to a lower standard under section 12 of the said Act;

And whereas an opportunity has been afforded for the owners of all lands affected thereby to object to the proposed unadopted street works or the provisional apportionment of the cost thereof and for the hearing of such objections;

And whereas twenty-three objections have been received and considered but not upheld;

And whereas the Council is satisfied that in apportioning the expenses of the proposed work regard has been given to the frontage of the lands affected thereby and also to the greater or less degree of benefit to be derived by lands from the works to be undertaken.

That, in exercise of the powers conferred upon the Council by section 12 of the said Act, the following works be carried out in the roads hereinbefore referred to, that is to say, to level, kerb, metal, drain, construct and maintain for a period of four years, the carriageway in accordance with the plans and specifications prepared by the City Engineer; and the expenses incurred by the Council in executing the said works be apportioned among the lands fronting, adjoining, abutting or served by the said streets, according to the respective frontages thereto and recovered from the owners of such lands, in accordance with the provisional apportionments set out in Minute 18 of the meeting of the works Committee held on 14th October 1964 (p. 703).

GAZETTE NOTICE NO. 1112

CITY COUNCIL OF NAIROBI

UNADOPTED STREET WORKS—COCKER ROAD

NOTICE is hereby given that the City Council at the ordinary meeting held on the second of March 1965, passed a resolution on the following terms:—

"THAT whereas the City Council of Nairobi is of the opinion that the construction of Cocker Road, an unadopted street within the city, to the standard required by section 7 of the Streets Adoption Act, 1963 is not for the time being required or advisable and that such street be constructed to a lower standard under section 12 of the said Act;

And whereas notices have been served in accordance with the provisions of the Streets Adoption Act, 1963, upon the owners of all lands affected thereby of the Council's proposals to make up and complete the said street;

And whereas an opportunity has been afforded for the owners of all lands affected thereby to object to the proposed unadopted street works or the provisional apportionment of the cost thereof and for the hearing of such objections;

And whereas one objection has been received and considered but not upheld;

And whereas the Council is satisfied that in apportioning the expenses of the proposed work regard has been given to the frontage of the lands affected thereby and also to the greater or less degree of benefit to be derived by lands from the works to be undertaken.

That, in exercise of the powers conferred upon the Council by section 12 of the said Act, the following works be carried out in the road hereinbefore referred to, that is to say, to level, kerb, metal, drain, construct and maintain for a period of four years the carriage-way in accordance with the plans and specifications prepared by the City Engineer; and the expenses incurred by the Council in executing the said works be apportioned among the lands, fronting, adjoining, abutting or served by the said street, according to the respective frontages thereto and recovered from the owners of such lands, in accordance with the provisional apportionment set out in Minute 12 of the meeting of the Works Committee held on 9th September, 1964 (p. 456)."

Set out below are the provisional apportionments in respect of the above-mentioned road:—
