GAZETTE NOTICE NO. 3109

THE INDUSTRIAL COURT

CAUSE NO. 109 OF 1985

Parties:

Kenya Engineering Workers' Union

and

African Marine and General Engineering Co. Ltd.

Issue in dispute:

Arrears of Wages for Gatimu Gitau.

THE Kenya Engineering Workers' Union shall hereinafter be referred to as the claimants and the African Marine and General Engineering Co. Ltd. shall hereinafter be referred to as the respondents.

2. This matter was fixed for hearing on 12th May, 1985, but at the request of the parties, it was stood over generally. On 13th March, 1990, the court wrote to the parties to show cause why the file should not be closed. Consequently, the claimants moved the court on the matter; and the parties were subsequently heard in Nairobi on 23rd May, 1990, and relied on their written and verbal submissions.

AWARD

3. The Notification of Dispute Form "A" dated 24th April, 1985, and duly signed by the parties, was received by the court on 10th October, 1985, together with the statutory certificate signed by the Labour Commissioner.

In this dispute the claimants are seeking arrears and adjustment of wages and promotion for the grievant from the date he passed the Government trade test grade II. They stated that their complaint dates back to 1974 when the grievant had passed the aforementioned test and immediately wrote to the respondents for a salary increase. He was advised by the respondents that they did not need an additional carpenter in that grade; but

in appreciation of his efforts, he was given a token wage increment in 1973. In July, 1982, the grievant renewed his request for promotion and salary increment on the basis of the test which he had passed, but the respondents informed him that his case would be considered when a vacancy arose. He was eventually promoted to grade III with effect from 1st January, 1984.

The claimants disagreed with the respondents because they felt that the grievant deserved a promotion and salary increment on passing the Government trade test grade III in 1974; and, in the circumstances, reported a formal trade dispute to the Ministry of Labour in accordance with section 4 of the Trade Disputes Act, Cap. 234 of Laws of Kenya. Mr. L. O. Ocharo of the Ministry of Labour was appointed an investigator, but the parties recorded a deadlock on the issue, and the matter is now before the court for consideration.

The claimants prayed the court to award the grievant arrears of wages for the period 1974 to January 1984. The respondents prayed the court to reject the claimants' demand.

On careful consideration of the parties' submissions, the court notes that the grievant has since been promoted from his previous grade to grade III when a vacancy arose after the resignation of another employee in the carpentry department. The court further notes that the above clause on promotion does not provide for an automatic promotion of an employee on attainment of a higher Government trade test. In fact the clause states, *inter alia*, that qualification is one of the criteria to be taken into account when considering a promotion of an employee. This court has therefore no reason to depart from the sentiments of Cockar, J., when he said at page 3 of the above-cited cause that:

"While the court appreciates the effort by the employees to improve their grades by passing Government trade test, the court is convinced that it should not be used as the only criteria to be considered when promoting employees . . ."

It is also interesting to note that the claimants slept over this matter for ten years, that is between 1974 and 1984, and only brought it up when the grievant had already been promoted. It is indeed a very sorry state of affairs. All in all, however, the claimants have failed to convince the court, or produce any evidence whatsoever to support their contention, that the respondents had in the past awarded their employees automatic promotion when they attained higher Government trade test; and, in the circumstances, the court concurs with the respondents that passing of the Government trade test is only one of the factors to be taken into account when awarding employees promotion.

Having come to the above conclusion, the court therefore finds that the claimants' demand for payment of arrears of wages to the grievant for the period 1974 to 1984 is untenable, and it is accordingly rejected.

Dated the 14th June, 1990.

GAZETTE NOTICE No. 3110

THE TRADE MARKS ACT

(Cap. 506)

NOTICE is given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within sixty (60) days from the date of this Gazette, lodge notice of opposition on form TM. No. 6 (in duplicate) together with a fee of KSh. 120.

Notice is also given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him an opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Office, Nairobi.

Applications for registration in part A of the register are shown with the official number unaccompanied by any letter. Applications for part B are distinguished by the letter B prefixed to the official number.
