GAZETTE NOTICE No. 3202

THE INDUSTRIAL COURT
CAUSE No. 23 OF 1965

Parties:

The Tailors and Textiles Workers' Union,
Claimants
and

Singer Sewing Machine Company, Respondent

Issues in Dispute:

1. Wages.
2. House Allowance.
3. Bonus.
4. Date of Implementation.

1. The issues in dispute were referred to the Industrial Court for settlement in accordance with the provisions of the Trade Disputes Act, 1965.

The parties were heard in Nairobi on 9th and 10th August 1965. One witness was called by the Claimants.

2. The claims of the Union (hereinafter referred to as the Claimants) concerned 439 employees of the Singer Sewing Machine Company (hereinafter referred to as the Respondent) working in Kenya. The Respondents are a branch of the Singer Sewing Machine Company which has its registered office in Elizabeth, New Jersey, U.S.A. The Company operates 30 retail shops, 2 warehouses, 1 industrial products outlet, 1 office equipment showroom and 1 branch management office (Nairobi) from where the Respondents' business in East Africa is controlled. The existing Agreements between the parties were signed on 18th June 1963 for one year's duration but were further extended under the terms of the Tripartite Agreement for a further 14 months. Expiry dates of the Agreements then became:

1. Employees other than Salesmen/Collectors:
 - (a) Wages to 1st June 1965.
 - (b) Other terms and conditions of employment, 1st July 1965.

2. Salesmen/Collectors wages and terms and conditions of service to 1st September 1965.

New Terms and Conditions of Services proposals totalling in all 22 items were sent on 15th March 1965 by the Claimants to the Respondents. Agreement on 14 items was reached at their Joint Industrial Council meetings held on 20th April and 12th May 1965.

A trade dispute was then reported to the Minister for Labour and Social Services on the remaining eight items and as a result of conciliation under the auspices of the Ministry of Labour and Social Services between 1st and 3rd June 1965 agreement was reached on a further four items. Both parties agreed that the remaining four items be referred to the Industrial Court for settlement.

3. The Claimants in their demand for a substantial increase in wages, submitted that they had a bounden duty to ensure that their members had a continuously rising standard of living through improved terms and conditions of service. They said that it was Government policy that the country should move from a low-wage economy to a high-wage economy. The Respondents, they argued, were a well-established company with few competitors and being of international status should give a lead on improved terms and conditions of service. They stated that it was impossible for the employees of the Respondents to make any contribution to nation building through savings because of their poor pay. The salary paid by the Respondents to their salesmen, for example, was only a fraction of that which was currently paid to salesmen in the motor trade, brewing and bottling industry and D.A.T.A. group which rates were Sh. 935 to Sh. 1,060, Sh. 587/50 to Sh. 1,104/50 and Sh. 800 respectively. The Claimants demanded a uniform wages structure throughout the country; they argued that there was no justification for paying people doing the same job and having the same qualification on different rates of pay on a geographical basis. The Claimants' full wages demand were as follows:—

Category of Workers	New Demands (Uniform) Excluding Housing Allowance Sh. Per Month
1. Office Messenger and Erectors	350
2. Adjusters	350
3. Drivers	600
4. Mechanics	700
5. Teachers	500
6. Clerks—	
(a) Learner Clerks	600
(b) Clerks	1,000
(c) Shop Reporting Clerks	1,100
7. Salesmen and Sales Ladies	500

On their claim for a housing allowance of Sh. 159 the Claimants submitted that this figure represented an average rent. It was true that under the terms of the existing Agreement with the Respondents, wages were consolidated but this was unfavourable to the employees and the Claimants were now demanding the housing element shown as a separate item.

Bonus should be negotiable, the Claimants submitted, because it was clearly related to a workers productivity. The Court was asked to award accordingly. When bonus was established as a negotiable issue by the Court it was the Claimants' intention to put forward current proposals on bonus rates to the Respondents.

The Claimants submitted that the existing Agreements expiring on different dates was confusing and created problems. The Court was asked to determine one effective date for the new Agreements and 1st June 1965 was put forward as a date acceptable to the Claimants.

4. On behalf of the Respondents it was stated that they had pursued the Government pattern of statutory wage fixing and differentials had always been maintained between the geographical areas. Reasonable wage increases envisaged by the Claimants, none less than 100 per cent, supported their contention that the Claimants had made no legitimate attempt at negotiation, and were merely bringing the Respondents before the Court at a stage when (in their view they would derive maximum benefit from the gulf which separated the Respondents' reasonable and economically sound offers and the Claimants opening demands. The Respondents claimed that their Company was unique in Kenya as it was the only Company operating a system of hire-purchase selling on an extensive scale with extremely low down-payments and liberal terms which enabled their products to be available to all levels of society. Expansion which would necessitate the engagement of a further 100 employees had been planned, but any drastic increase in basic wage rates might rule out any such expansion. The Respondents' full wages offers were as follows (the net increase over existing rates is given in brackets besides the new wages proposals):—

Category of Employee	<div style="display: flex; justify-content: space-around;"> <div> <i>Kisumu, Nakuru, Kericho, Eldoret, Kitale, Machakos, Nyeri, Nanyuki, Thika, Naivasha,</i> </div> <div> <i>Nairobi and Mombasa</i> </div> <div> <i>Thomson's Falls</i> </div> <div> <i>All Other Areas</i> </div> </div>		
	Per Month Sh.	Per Month Sh.	Per Month Sh.
Messengers and Erectors	225 (10)	210 (10)	185 (10)
Drivers	300 (10)	280 (10)	250 (10)
Clerks—			
(a) Learner Clerks	310 (10)	290 (10)	260 (10)
(b) Clerks	430 (10)	405 (10)	370 (10)
(c) Shop Reporting Clerks	515 (95)	495 (100)	465 (105)
Mechanics	360 (10)	335 (10)	300 (10)
Adjusters	260 (10)	235 (10)	210 (10)
Sewing Teachers	320 (10)	300 (10)	270 (10)
Salesmen/Collectors	160 (10)	160 (10)	160 (10)

These figures are inclusive of the housing element.

The Respondents submitted that the Claimant's demand for housing allowance of Sh. 150 could not be taken seriously. It was stated that such an amount had no relevance whatsoever in Nairobi and none outside the City boundary. The Respondents submitted that the Claimants' demand merely represented another arm to their approach to wage enhancement. The Claimants had agreed to wage consolidation and to revert to a housing element once again would be out of line with current trends. The Court was asked to take notice of current trends and award accordingly.

It was stated by the Respondents that the concise Oxford Dictionary (Fifth Edition) defined bonus in the context of employees as "gratuity to workmen beyond their wages". The same dictionary defined "gratuity" as "money present of amount fixed by giver in recognition of an inferior's good offices". The very definition of the words involved, established the subject of bonus as one of Management's prerogative. The Respondents stated that they had not made an offer on this item and had no intention of doing so.

The Respondents agreed with the Claimants on their demand for one effective date, but were not prepared to abrogate their rights under the Tripartite Agreement and cited the

Awards and Rulings given by the Industrial Court in Causes 6/64 and 11 and 13 of 1965 on the effects of the Tripartite Agreement. It was stated that there were two vital dates—1st June 1965 and 1st September 1965, when the existing Agreements expired and there could be no Award which would breach the precedents laid down by the Court. It was the Respondents' submission that the Court must look forward and proposed that the effective dates be as already stated but that the Agreements from the Award of the Court conclude on one single date in 1966. The Respondents submitted that 31st July 1966 appeared to be a most suitable single date for the conclusion of the Agreement as the majority of employees who were Salesmen/Collectors would benefit in that their wages would be open for negotiation after 11 months. The Court was asked to award accordingly.

AWARD

5. The Court, after a careful consideration of all the arguments put forward, is satisfied that a case has been made for a wage increase, but not to the extent demanded by the Claimants. The Court finds that the Claimants' demands are grossly exaggerated as it finds, on the other hand, the Respondents' offer to be extremely poor; this sort of attitude in negotiations is highly deplorable. The parties should enter into negotiations in the true spirit of coming to a settlement and not one of reducing the negotiating table to a mere formality in the hope that the Industrial Court will, in any case, settle the dispute.

The Court was constrained, during the proceedings, to warn the parties, that all available information should be put before the Court, in order to enable it to come to a fair and just decision. The Court must impress upon the parties that it is entitled to ask for information, from whichever parties it deems desirable, in the interest of determining justly the issues before it.

The Courts awards as follows:—

Wages:—

Category of Employee	Kisumu, Nakuru, Kericho, Eldoret, Kitale, Machakos, Nyeri, Nanyuki, Thika			
	Nairobi and Mombasa	Thomson's Falls	All Other Areas	
	Per Month Sh.	Per Month Sh.	Per Month Sh.	
Messengers and Erectors	245	230	205	
Drivers	320	300	270	
Clerks—				
(a) Learner Clerks	330	310	280	
(b) Clerks	450	425	390	
(c) Shop Reporting Clerks	550	535	490	
Mechanics	385	360	325	
Adjusters	280	255	235	
Sewing Teachers	350	330	300	
Salesmen/Collectors	250	250	250	

Housing allowance.—Nil award.

Bonus.—The Recognition Agreement between the parties provides:—

"The Company accords full recognition to the Union as a properly constituted and representative body and the sole Labour organization representing the interests of its members who are in the employment of the Company, (the term "Members" shall not include supervisory staff as defined by the F.K.E./K.F.L. agreement dated 27th April 1962) concerning rates of pay and overtime, hours of work, periodicity of wage payment, paid leave, sick leave, duration of employment, and principle redundancy."

It is clear from the above that items on which recognition is accorded are specified and bonus is not included in these items. The word "bonus", where it appears under the heading Commission in the current agreement as clause (g) (ii) (d), is not bonus as envisaged by the Claimants. The word appears to have been wrongly used in this clause.

It is ruled that at present bonus is not negotiable, but it does not bar the Respondents from having consultations with the Claimants on this issue if the Respondents decide to give a bonus.

Implementation dates shall be as follows:—

- (a) 1. For employees other than Salesmen/Collectors wages and terms and conditions of service—1st June 1965.
2. For Salesmen/Collectors wages and terms and conditions of service—1st September 1965.
- (b) Agreements (a) 1 and 2 to expire on 31st July 1966.

Given in Nairobi this 27th day of August 1965.

SAEED R. COCKAR,
President.

C. H. PROCTOR,
WINSTON KIMANI,
Members.
