(b.) A soldier awarded a medal for distinguished conduct in the field shall, on discharge, receive a gratuity of 10*l.*, and a further gratuity of 10*l.* for each bar on that medal. In the event of the death of such soldier while still serving, the amount of the gratuity shall be added to the value of his effects.

## MEDALS FOR LONG SERVICE AND GOOD CONDUCT.

II.—A silver medal for "*Long Service and Good Conduct*," of the same pattern as that for the British Army, may be awarded by the Officer administering the Government of a Protectorate to which a Battalion of the King's African Rifles belongs, to a soldier (including Native Officer and Non-commissioned Officer) of not less than 18 years service, who is recommended by the Officer Commanding the Battalion, and certified to be of *exemplary* character as defined in paragraph 1832 of the King's Regulations.

IV.—Every soldier who is convicted by Court Martial of—

- Desertion,
- Fraudulent enlistment,
- Mutiny,
- Cowardice,
- Fraud when in charge of money or goods, or
- Disgraceful conduct,

as defined in the laws for the time being in force for the King's African Rifles; or who is sentenced to penal servitude or to be discharged with ignominy; or who is discharged as incorrigible and worthless, expressly on account of misconduct, or in consequence of a conviction by the civil power; or who is liable to trial on confession of desertion or fraudulent enlistment, but whose trial has been dispensed with; shall forfeit all medals (other than the Victoria Cross, which is dealt with under special Regulations) together with any gratuities appertaining thereto.

V.—A Court Martial may, in accordance with the provisions of the laws for the time being in force for the King's African Rifles, in addition to or without any other punishment, in respect of any offence sentence an offender to forfeiture of any military decoration or military reward (other than the Victoria Cross, which is dealt with under special Regulations) together with any gratuity appertaining thereto.

wearing the medal, he may, on the recommendation of the Officer Commanding the King's African Rifles in the Protectorate to which he belongs, be deprived of the medal and gratuity by the Officer administering the Government thereof.

VII.—Any medal or gratuity forfeited by a soldier under these Regulations may on the like recommendation be restored by the Officer administering the Government.

#### LOSS AND REPLACEMENT OF MEDALS.

VIII.—When a soldier is unable to produce his medal the fact is to be reported with a view to enquiry by a Board as to the cause thereof. When no evidence regarding the loss of the medal except that of the soldier can be obtained, the Board shall take evidence regarding his character from an Officer acquainted therewith.

The Board will record, in addition to the evidence, its opinion as to whether the loss occurred:

- (a.) when the soldier was on duty and from causes entirely beyond his control;
- (b.) by accident;
- (c.) wilfully.

IX.—In cases under (a) and (b) applications to replace lost medals may at once be submitted accompanied by a copy of the proceedings of the Board, but replacement at the public expense cannot be entertained unless the loss is proved to come under (a).

In cases under (c) the soldier, if convicted of making away with his medal, must serve three years clear of a regimental entry, before he can be recommended for the grant on payment of a new medal.

X.—Applications from ex-soldiers for new medals to replace those which they have lost will not be entertained, unless the applicant is still in Government employ and is shown to have incurred the loss on Government service from causes beyond his own control.

XI.—New medals will not be issued until a period of six months has elapsed from the date of the loss.

#### DISPOSAL OF MEDALS.

XII.—When medals are forfeited they are to be transmitted to the Officer administering the Government for disposal. The same course is to be followed in the case of medals of soldiers dying in the service, and of medals which may be recovered after a soldier has been convicted of making away with them.

XIII.—Letters containing medals, when forwarded through the post, are to be registered.

# Reuter's Telegrams.

**NOVEMBER 2ND.**—Sleeping Sickness is being exhaustively studied in Paris. In one hospital there, there are three Negro patients who are being subject to a treatment by Carbolic Acid which was used most effectively during the plague in China.

Count Lamsdorf has left Paris.

M. Lagarde has returned to Jibuti from a tour in Danakil District. He hoisted the French Flag at Lake Asal. France was isolated during a part of Saturday with regard to telegraphic communication with Europe and America, but the internal communication was not disturbed. The cause is ascribed to magnetic phenomena due to some seismic disturbances.

**NOVEMBER 3RD.**—Three rooms in the Vatican above the celebrated Library were burnt on Sunday night. His Holiness the Pope fearing that the Papal Firemen were insufficient to cope with the flames applied to the Italian Government for aid. Firemen were sent together with the Under Secretary for the Interior, the Prefect of Police, and the Mayor of Rome, and were invited to enter and direct the operations. This is the first occasion since the fall of the Temporal Power that Italian Government functionaries have entered the Vatican in an official capacity.

Reuter's Agent at Peking reports that a Conference was held yesterday between the Dowager Empress of China and the high Officials regarding the re-occupation of Mukden by the Russians, and the Viceroy of Yuan-shikai has been summoned from Tientsin.

The Russians has detained the Tartar General who was in command in Mukden and he is now kept in custody in his Yamen.

**NOVEMBER 4TH.**—The Bondelszwarts tribe in German South-West Africa is in active rebellion. The German garrison at Warmbad is reported to have been annihilated. The German Consul at Cape Town has received information from a native source that the non-commissioned officer commanding Warmbad has been killed, also the Chief of the Bondelszwarts tribe.

Reuter's Agent at Yokohama states that it is officially announced that the Russians have dismantled the Fort at Yongampho withdrawing their troops and only leaving a guard of twenty police.

The correspondent of the "Daily Telegraph" at Aden advises that on Monday the Italian Cruiser "Lombardia" sailed for Obbia and that the "Coatit," "Galilei," and the British ship "Porpoise" are due to sail to-day.

The Kaiser has arrived at Wiesbaden. Unprecedented police precautions are being taken to secure the safety of the Tsar there.

Mr. Roosevelt has marked his displeasure at the continued tergiversation and hostility shown by Columbia relative to the Canal by withdrawing Mr. Beaupre, the American Minister from Bogota. Simultaneously with Mr. Beaupre's withdrawal telegrams have been received from Colon reporting a general feeling of unrest in the Isthmian States.

The independence of the Isthmus of Panama was proclaimed last night by a large and enthusiastic crowd including all political parties. The crowd marched to the Headquarters of the Government troops and imprisoned Generals Tovar and Amaya who had only arrived there in the morning.

**NOVEMBER 5TH.**—Colonel MacDonald R. E. who has seen a considerable amount of service in Uganda is about to advance with a large escort of troops into Tibet. Owing to the dilatoriness of the Chinese and Tibetans the British Frontier Commissioners have been kept idling on the frontier for the last months.

The Revolutionists in Panama resent the non ratification of the Canal Treaty. They have seized the Federal warships and have imprisoned all Naval and Military officials.

The Columbian warship "Bogota" is now bombarding Panama. Eleven Chinese have been killed. The United States Vice-Consul has been instructed to lodge a protest against these proceedings.

Three members of the Armenian Central Committee now sitting in London were yesterday proceeding to the Committee's Headquarters. Another Armenian with two Revolvers came behind them and shot two of them dead, wounded the third. The delinquent seeing that escape was impossible owing to the crowd blew out his own brains. A cap was found in his pocket identical to the one known to have been purchased by the murderer of Saghouni after losing his own hat when escaping.

**NOVEMBER 6TH.**—Fifty American Bluejackets have been landed at Colon where the Government troops still refuse to acknowledge the provisional Government. The inhabitants of Colon are panic stricken.

The Tsar has returned to Darmstadt.

It transpires that the Porte's reply to the Austro-Russian Scheme maintains energetically that every necessary reform is being carried out, and that therefore the Scheme is unnecessary.

The following is the result of the Election for Chorley Division (N. Lanc.)

Lord Balfour, Unionist 6226 votes.

Lawrence, Radical 4798 votes.

The Bombardment by the "Bogota" has done little harm and affairs are more quiet.

Mr. Balfour in a speech at the Guildhall devoted the first portion to a eulogy of the late Lord Salisbury as a Statesman, an orator, and a writer, and dwelt upon his services to mankind. Mr. Balfour throughout the speech deliberately avoided any reference to the Fiscal question, and regarding external relations said that the whole diplomatic sky was cloudless.

Referring to the Austro-Russian Reform Scheme for Macedonia, he said the Scheme was not perfect, but was the minimum which must be enforced and it was impossible that Austria and Russia representing the signatories to the Berlin Treaty would allow the Scheme to be rejected either by direct repudiation or incessant delay.

Replying to the deputation which approached Lord Lansdowne on the 6th instant, he said that it was impossible to forecast the course of events in Morocco during the next few years, but whatever the outcome was the Government would see that the equality of opportunity which British trade now enjoys was really secured by solid guarantees bearing in mind experiences which British trade has had in Algeria, Tunis and Madagascar.

The King's Birthday was celebrated throughout the Empire abroad and with special enthusiasm in France.
