**NOTICE.****Exportation to the United States of America of Sheep Skins and Goat Skins.**

IN continuation of General Notice No. 103 published in the *Official Gazette* of the 16th February, 1916, page 121, Shippers in Mombasa who desire to ship commodities and which the Textile Alliance are concerned in, from East African Protectorates to the United States *via* Cape Town, are requested to apply to the National Bank of India at Mombasa to ascertain the wishes of the Government of the Union of South Africa.

Should no objection be made to such shipments *via* Cape Town, the following procedure should be adopted :—

1. If through Bills of Lading from the East African port of origin to the United States are obtainable, shippers should apply to the National Bank of India at Mombasa for recommendation for licence to export in the usual way and in accordance with existing regulations that can be ascertained from that Bank.

It is to be understood that the Textile Alliance will accept no responsibility whatever in regard to the storing, insurance or transshipping of the goods at Cape Town and the parties interested must make their own arrangements.

2. Should through Bills of Lading not be obtainable from the port of origin to the United States *via* Cape Town and re-shipment on a new Bill of Lading become necessary from Cape Town, shippers in East Africa are recommended to consign their goods to their trade friends in Cape Town. Their friends should apply to the Customs Authorities in South Africa and to Messrs. ## GENERAL NOTICE No. 859]

**MOMBASA SUB-COMMITTEE FOR HOMEWARD LOADING.**

## NOTICE.

**Government Notice 370 "Official Gazette" Page 1059  
of 24th October, 1917.**

INTENDING shippers are informed with regard to the above notice that the returns referred to therein should be sent in in the following form to the Chief of Customs, Mombasa.

Name of Producer.	Date of return showing produce now ready for shipment, and what may be expected to be ready by next steamer.	Name of Estate.	Number and description of packages.	Marks.	Where stored nearest Railway Station.	Produce.	Weight.	Approximate shipping measurement.	Probable port of consignment.	Name of agent at Mombasa.	Amount of last year's crop.	Whether consignment is from last year's or this year's crop.	Country of Origin.
-------------------	--	-----------------	-------------------------------------	--------	---------------------------------------	----------	---------	-----------------------------------	-------------------------------	---------------------------	-----------------------------	--	--------------------

It is recommended that fresh returns should be forwarded as soon as possible so as to avoid any confusion, and that care be exercised to ensure that cargo advised from up country is not again advised by the Mombasa agent or other agent.

Owing to the present congestion at the port and the shortness of time allowed to the Sub-Committee for notification of the sailing of the "Clan Maclaren" expected to arrive here early in November of which notification only reached the Sub-Committee to-day, the Sub-Committee have decided that for this ship at any rate the godowns at Mombasa be cleared as far as possible of produce already at the coast awaiting shipment.

This however does not apply to B. E. A. Sisal of which there is not a sufficient amount at the port to fill space available.

In order to facilitate shippers allotment will in future be made for cargo of which notification has been received which may be held up country but no guarantee can be given that such cargo will be shipped if it is not ready at the port when required.

Shippers are informed that no consideration will be given to produce other than that of British East Africa and Uganda until after such latter produce has been fully provided for.

No applications for space will be entertained except such as have been notified in the required form to the Chief of Customs.
