Applications should include a statement indicating the amount of capital available for development purposes, supported by a letter of reference from the applicant's bankers, together with full details of the proposed development.

6. Applicants must enclose with their applications their cheques for Sh. 1,000 drawn on their own banking account (no other cheques will be accepted) as a deposit which will be dealt with as follows:—

- (a) If the applicant is offered and takes up and pays for the plot within a period of 14 days as required by paragraph 7 below, the deposit will be credited to him.

7. The allottee of the plot shall pay to the Commissioner of Lands within 14 days of notification that his application has been approved, the proportion of annual rent, together with the fees payable in respect of the preparation and registration of the grant (Sh. 220) and the stamp duty in respect of the grant. In default of payment within the specified time the Commissioner of Lands may cancel the allocation and the applicant shall have no further claim to the grant of the plot.

2. The grant will be made under the Crown Lands Ordinance (Cap. 155 of the Revised Edition of the Laws of Kenya) and title will be issued under the Registration of Titles Ordinance. The term of the grant will be 99 years from the first day of the month following the issue of the letter of allotment.

(b) Special Conditions

1. No buildings shall be erected on the land nor shall additions or external alterations be made to any buildings otherwise than in conformity with plans and specifications previously approved in writing by the Commissioner of Lands and the Local Authority. The Commissioner shall not give his approval unless he is satisfied that the proposals are such as to develop the land adequately and satisfactorily.

2. The grantee shall within six months of the commencement of the term submit in triplicate to the Local Authority and the Commissioner of Lands plans (including block plans showing the positions of the buildings and a system of drainage for the disposal of sewage, surface and sullage water), drawings, elevations and specifications of the buildings the grantee proposes to erect on the land and shall within 24 months of the commencement of the term complete the erection of such buildings and the construction of the drainage system in conformity with such plans, drawings, elevations and specifications as amended (if such be the case) by the Commissioner:

Provided that if default shall be made in the performance or observance of any of the requirements of this condition it shall be lawful for the Commissioner of Lands or any person authorized by him on behalf of Her Majesty to re-enter into and upon the land or any part thereof in the name of the whole and thereupon the term hereby created shall cease but without prejudice to any right of action or remedy of Her Majesty, the Governor or the Commissioner in respect of any antecedent breach of any condition herein contained.

3. The grantee shall maintain in good and substantial repair and condition all buildings at any time erected on the land.

4. The land and buildings shall only be used for religious or charitable purposes according to the conditions set out in the acceptance by the Commissioner of Lands of the successful application.

5. The site coverage shall conform with the Nairobi City Council By-laws.

6. The grantee shall not subdivide the land.

7. The grantee shall not transfer, sublet, charge or part with the possession of the land or any part thereof or any buildings thereon except with the prior consent in writing of the Governor.

8. The grantee shall pay to the Commissioner of Lands on demand such sum as the Commissioner may estimate to be the proportionate cost of constructing all roads and drains and sewers serving or adjoining the land and shall on completion of such construction and the ascertainment of the actual proportionate cost either pay (within seven days of demand) or be refunded the amount by which the actual proportionate cost exceeds or falls short of the amount paid as aforesaid.

9. The grantee shall from time to time pay to the Commissioner of Lands on demand such proportion of the cost of maintaining all roads and drains serving or adjoining the land as the Commissioner may assess.

10. Should the Commissioner of Lands at any time require the said roads to be constructed to a higher standard the grantee shall pay to the Commissioner on demand such proportion of the cost of such construction as the Commissioner may assess.

11. The grantee shall pay such rates, taxes, charges, duties, assessments or outgoings of whatever description as may be imposed, charged or assessed by any Government or Local Authority upon the land or the buildings erected thereon, including any contribution or other sum paid by the Governor in lieu thereof.

12. The Governor or such person or authority as may be appointed for the purpose shall have the right to enter upon the land and lay and have access to water mains, service pipes and drains, telephone or telegraph wires and electric mains of all descriptions, whether overhead or underground, and the grantee shall not erect any building in such a way as to cover or interfere with any existing alignments of main or service pipes or telephone or telegraph wires and electric mains.

13. Notwithstanding anything to the contrary contained herein or implied by the said Crown Lands Ordinance the grantee shall on receipt of six months' notice in writing in that behalf surrender all or any part of the land required for public purposes without payment of any compensation save in respect of such of the approved buildings as may have to be evacuated or demolished.

14.
