Air pollution	<ul style="list-style-type: none"> -Spray water on exposed areas during dry weather to suppress dust. -Cover loads of friable materials during transportation. -Buildings under construction to be covered with adequate screens to contain dust. -Stock piles to be covered with tarpaulins. -Control speed of construction vehicles and switch off machines when not in use. -Regularly service and maintain vehicles and mobile plants and machinery. -Provide PPE e.g. nose masks to workers.
Increased water demands	<ul style="list-style-type: none"> -Installation of flush toilets with low

Effluent management	<ul style="list-style-type: none"> volume cisterns and high pressure. -Waste water recycling and rain water harvesting. -Provision of portable toilets for the workers. -Routine checkups and monitoring of the WWTP to avoid leakages and blockages. -Proper construction of the WWTP to meet the standards required by Mavoko Municipal Council. -Construction of separate storm water and waste water drains. -Treated effluent to be reused as non potable water for flushing toilets, watering lawns and cleaning purposes. -Waste water to be treated to the standards set by NEMA (Water quality regulations, 2006) and effluent analysis to be conducted quarterly.
River degradation	<ul style="list-style-type: none"> -Maintain a riparian buffer zone along the River as per WRMA recommendations. -No development activity shall be undertaken within the full width of the river or within the riparian reserve as per Water Quality Regulations 2006- Routine check-ups and monitoring of the WWTP to avoid leakage and blockage.
River flooding	<ul style="list-style-type: none"> Plant environmentally friendly trees on the riparian reserve to increase interception and storage while reducing surface run off. Liaise with WRMA weigh the option of constructing a levee which can confine the flow. - Liaise with WRMA to decommission the weir that is obstructing the smooth running of the river water on the site frontage as it does not serve any purpose.
Excess noise and vibrations	<ul style="list-style-type: none"> -Workers working with machinery, vehicles and instruments that emit high levels of noise should be provided with ear plugs and ear muffs. -Proper servicing of machinery & equipment(oiling, greasing etc). -Installation of portable barriers to shield compressors and other small stationary equipment where necessary. -Construction activities to be carried out between 8:00 a.m . to 5.00 p.m. -Monitor noise levels as per NEMA guidelines.
Traffic snarl ups	<ul style="list-style-type: none"> -Proponent to engage KeNHA in developing access to the development which will be compatible with the upcoming dual carriageway from Athi river interchange to Machakos junction. -A traffic marshal to be stationed along the entry point within the project boundary to control vehicles during transportation of materials. -Planned deliveries to make sure they do not coincide with heavy traffic. -Provision of separate traffic routes for pedestrians and vehicles during operation phase. -Security checks to be conducted inside

the compound NOT at the entrance.

- -Provision of designated entry and exit points.
- Increase in Solid Wastes • -Limit quantity by developing appropriate budgets for purchase of raw materials to reduce wastage through exposure to weather elements.
- -Provision of a waste transfer station within the development.
- -Segregation of waste at source through provision of separate bins.
- -Contract a duly licensed waste handler to transport waste.
- -Sludge from the WWTP to be incinerated by a licensed incineration company.
- Occupational Health and Safety • -Personnel to wear complete PPE.
- -Provision of fire fighting equipment.
- -Put in place an emergency response plan.
- -Only qualified personnel to operate the machinery.
- -Designate a Health & Safety officer to be in-charge of enforcing site compliance with OSH rules & regulations.
- -Provision of adequately stocked first aid kit and at least one trained first aider on site.
- -Display the contact numbers of the persons responsible for handling emergencies on the site.
- -Contractor should have workmen's compensation cover which should comply with workmen's compensation Act.
- Population Increase • - Planning of the development in such a way that there is adequate social and other infrastructure to meet needs of the tenants and shoppers.
- Sanitation • -Provision of sufficient sanitary conveniences: hand washing stations, mobile toilets at work site.
- -Provision of clean water to the workforce.
- HIV/AIDS • -Erection of billboards to sensitize locals on the need to practice safe sex to help in the fight against HIV/AIDS.
- -Conduct awareness campaigns on HIV/AIDS among the workers and the locals. This can be undertaken by the various NGOs and government agencies in the county.
- -Provision of condoms to the workers.

**IMPORTANT NOTICE TO SUBSCRIBERS TO
THE KENYA GAZETTE**

THE following notes are for the guidance of persons submitting "copy" for inclusion in the *Kenya Gazette, Supplement*, etc.:

- (1) *The Kenya Gazette* contains Notices of a general nature which do not affect legislation. They are, therefore, submitted to the Government Printer directly.
- (2) *Legislative Supplement* contains Rules and Regulations which are issued by the Central Government. Because of this, they must be submitted to the Government Printer through the office of the Attorney-General.
- (3) *Bill Supplement* contains Bills which are for introduction in the National Assembly.
- (4) *Act Supplement* contains Acts passed by the National Assembly.

All "copy" submitted for publication should be prepared on one side of an A4 sheet no matter how small the Notice is, each page being numbered and should be typewritten with double spacing. Copy should be clear, legible and contain no alterations.

Particular attention should be paid to the following points:

- (i) Signature must be supported by rubber-stamping or typing the name of the signatory in capital letters.
- (ii) must be correct and filled in where necessary.
- (iii) Care should be taken to ensure that all headings to Notices and references to legislation are up to date and conform with the Revised Edition of the Laws of Kenya.

EXTRACT FROM THE CODE OF REGULATIONS, SECTION D—

Kenya Gazette

"D 34. (1) Communications for the *Kenya Gazette* should reach the Government Printer not later than 9 a.m. on Friday of the week before publication is desired. The Government Printer will not publish communications received after that hour until the next subsequent issue of the Gazette.

(2) Ministries will be required to pay for the *Kenya Gazette* and to meet the cost of advertising in it.

It is emphasized that these notes are for guidance only, but it is requested that persons submitting copy for publication first satisfy themselves that such copy is complete in every respect.
