## NOTES—

- (a) Included in the General Revenue Balance is the Unspent balance of £400,263, on account of the Supplementary Grant for Flemming Arrears—Overseas Addition, which is refundable.
- (b) The debit balance of £2,110,583 on the Overseas Service Aid Scheme is due to issues from the Exchequer being in excess of grants, which are subject to tax abatement and also to the repayment during the year of the Supplementary Grant-in-Aid of £795,087, which was set off against the Grants made. This debit balance is in the main not recoverable due to the receipts in respect of Income Tax being credited direct to Revenue without any corresponding adjustment being reflected against the Overseas Service Aid Scheme.
- (c) Two loans by the British Government for the Delamere Committee amounting to £250,000 have been taken into account in the Revenue Account balance.
- (d) This statement has been prepared in the Treasury on 21-2-64, from Statements submitted by Accounting Officers.

I have examined the Consolidated Statement of Assets and Liabilities. I have obtained all the information and explanations that I have required and I certify as a result of my audit that in my opinion the Statement is correct.

Nairobi,  
15th May 1964.

C. W. HODGES,  
Controller and Auditor-General.
