## THE INDUSTRIAL COURT

CAUSE No. 54 OF 1978

*Parties:—*

Kenya Union of Commercial Food & Allied Workers  
and  
Reckitt & Colman (Industries) Ltd.

*Issues in dispute:—*

1. Leave travelling allowances.
2. Acting allowance.
3. Long service increments.
4. Job classifications.
5. Wages and salaries.

1. The Kenya Union of Commercial Food & Allied Workers shall hereinafter be referred to as the Claimants and Reckitt & Colman (Industries) Ltd. shall hereinafter be referred to as the Respondents.

2. The parties were heard in Nairobi on 24th January, 1979, and relied on their written and verbal submissions.

**AWARD**

3. The Notification of Dispute Form "A" dated 9th August, 1978, duly signed by the parties was received by the Court on 16th November together with the statutory certificate signed by the Labour Commissioner.

The parties had entered into a collective agreement effective from 1st October, 1975 for a period of two years and three months. This agreement has expired since 31st December, 1977, and almost a year was wasted before the dispute was received by the Industrial Court on 16th November, 1978. This is most unfortunate and the Court can only commend the patience of the workers involved in this dispute and would like to express its appreciation for their doing so.

By far the most important item in this dispute is the one concerning wages and salaries where the claimants are pressing for the following wage increases:

"Those earning up to Sh. 700 p.m. 15 per cent on individual rates of pay for the first year of the agreement; another 15 per cent on individual rates of pay for the 2nd year of the agreement.

Those earning Sh. 701 and above p.m. 12½ per cent on individual rates of pay for the first year of the agreement another 12½ per cent on individual rates of pay for the second year of the agreement."

The Claimants have also asked for the above increases to be added on the rates of the various grades.

The Respondents on the other hand have offered wage increases of 8 per cent for each year for those employees earning under Sh. 700 p.m. and 5 per cent for each year for those earning over Sh. 701 p.m.

The latest date of review of wages and salaries and other benefits was 1st October, 1975. This is in accordance with the guidelines and the increases excluding the 6 per cent in May, 1977 are regarded as compensation for the previous period before 1st October, 1975. Indeed the analysis prepared by the Employment Promotion Division has been prepared on this premise.

The E.P.D. analysis reveals that the workers are entitled to an average Guidelines ceiling of 8.1 per cent per year and the Claimants' other demands are expected to range between 1 to 2 per cent in terms of annual costs.

The Court would like to place it on record that the economic performance for 1978 has been very poor and the general outlook for 1979 and beyond is very gloomy indeed. The E.P.D. have expressed a view that there will be continued reduction in the overall economic growth rate and *per capita* income in the next few years.

The Court notes that the Respondents under the Presidential Directive would be required to take on seven additional employees but they have plans to take ten additional employees including three trainees.

The Court was told by the Respondents that their employees were given an annual bonus by them and that they also had in force a staff provident fund scheme for their employees.

After careful consideration of all the submissions made by the parties and keeping in view the Guidelines the Court makes the following award on wages and salaries:

*Wages and Salaries*

The Court awards that those employees who are earning under Sh. 700 p.m. should get a wage increase of Sh. 65 p.m. with effect from 1st January, 1978 and they should get a further wage increase of Sh. 65 with effect from 1st January, 1979.

Those employees who are earning over Sh. 701 p.m. should get a wage increase of Sh. 55 p.m. with effect from 1st January, 1978 and another increase of Sh. 55 with effect from 1st January, 1979.

The Court would like to point out that the parties themselves have agreed on the effective date to be 1st January, 1978.

The Court further directs that minimum rates for the various grades should continue as before and that the above increases are on the employees' individual salaries.

*Long service increments*

This demand is very much linked with the cost factor in this dispute and the Court accordingly rejects this demand as the workers' entitlement under the Guidelines has been granted to them by way of wage and salary increases.

*Leave travelling allowances*

The current agreement contained the following benefit on this issue:

"Clerks and Quality Controller .. .. .	Sh. 190 p.a.
Other employees .. .. .	Sh. 135 p.a."

The Court has carefully considered the parties' arguments on this issue and makes the following award:

Those employees who were in receipt of a leave travelling allowance of Sh. 190 p.m. should get an increase of Sh. 20 with effect from 1st January, 1978 bringing it up to Sh. 210 and the Court directs that this should stay in force until the end of this year.

Those employees who were in receipt of a leave travelling allowance of Sh. 135 p.m. should get an increase of Sh. 35 with effect from 1st January, 1978 and they should get another increase of Sh. 40 with effect from 1st January, 1979.

*Acting allowance*

The Court awards the following clause:

Where an employee is required to work for a period of not less than 21 working days in a job classification for which the agreed wage is higher than the agreed wage earned by the employee he shall be paid acting allowance at a rate not less than the difference between such higher agreed consolidated wage and his own agreed consolidated wage.

*Job classifications*

The dispute on this issue resolves around the words Quality Controller. The Respondents have asked that instead of Quality it should read Standards Controller and their reason for doing so is that this word would actually fit in with the description of the work which this Controller did as the quality of the product was the job of their chemist. Apart from this change there seems to be no other dispute on this matter and the Court having carefully considered the Claimants' views on this item finds that the Respondents' request is reasonable and awards that the Quality Controller should be termed Standards Controller.

Given in Nairobi this 12th day of February, 1979.

GAZETTE NOTICE No. 403

## THE TRADE MARKS ACT

(Cap. 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T.M. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he

may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

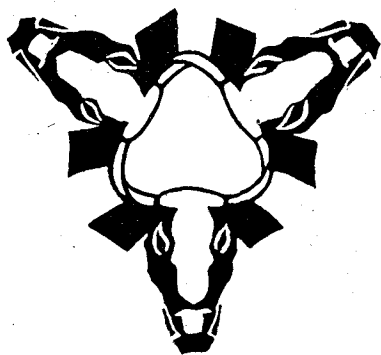

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Office, Nairobi.

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number.
