IN PURSUANCE of the provisions of subsection (3) of section 5 of the Dairy Industry Act, the Kenya Dairy Board has elected as Vice-Chairman—

By Order of the Board.

GAZETTE NOTICE No. 799

THE INDUSTRIAL COURT
CAUSE No. 5 OF 1968

Parties:—

The Tailors and Textiles Workers' Union
and

The Knitwear Manufacturers Group of the Federation of
Kenya Employers

Issues in dispute:—

- (i) Transport for Night Shift Workers.
- (ii) Payment of Gratuity.

1. The Parties were heard in Nairobi on 16th February 1968, and relied on their written and verbal submissions.

AWARD

During negotiations that preceded the 1967 agreement between the parties, it was clearly recorded as follows on these two issues:—

Both parties agreed to conciliate in this matter and if not settled the problems be referred to the Industrial Court.

In view of this, the Court rules that the Claimants are entitled to press their demands on these two issues without having to wait for the above agreement to expire.

In the Industrial Court Cause No. 19/65 (Second Division), the Court made the following award on the two issues in dispute:—

(i) Night Transport for Workers

Free transport shall be provided for all employees who are required to begin a work shift or work overtime between the hours of 8 p.m. and 4 a.m. and who live outside a radius of two miles and not more than six miles from their places of employment.

Providing that collecting/set down places shall be confined to those places where not less than four employees can conveniently be collected or set down by Company transport.

(ii) Gratuity

A gratuity scheme shall be inaugurated which shall also take into account the past continuous service of employees up to a

maximum of ten years as from the effective date of this Award. The scheme shall not take into account any service subsequent to the introduction of the National Provident Fund Scheme. The gratuity will only be paid on retirement and not when an employee resigns or is discharged.

Gratuity shall be calculated on the following basis:—

- (a) Under six years of service—10 days' basic wage per completed year of service.
- (b) Over six years of service—15 days' basic wage per completed year of service.

(On completion of one year's service, a part of any subsequent year in excess of six months will count as a completed year of service for the purpose of the above payment.)

The Claimants are seeking a variation of this award. The Court has repeatedly made it clear that unless there are strong and exceptional circumstances the Parties have little chance of persuading the Court to vary its own award on issues of this nature.

On the first issue the Court can find no reason to vary the existing award and therefore, rejects the Claimants' demand.

On the second issue the Court awards that the award made by the Court as aforesaid should be varied only to the extent that, gratuity should be paid to an employee when his services are terminated other than through resignation and/or gross misconduct.

Given in Nairobi this 28th day of February 1968.

President.
