## THE INDUSTRIAL COURT

CAUSE No. 48 OF 1976

*Parties:—*

Amalgamated Union of Kenya Metal Workers  
and  
Regal Garage (1965)

## INTERPRETATION APPLICATION—RULING

The Respondents have asked for an interpretation of the Court award in the above Cause which was heard on 24th August, 1976, and the award announced on 24th September, 1976.

The Court made the following award on wages and effective date:—

"The Court awards that all the Respondents' unionizable employees shall get a wage increase of Sh. 50 p.m. with effect from 1st March, 1976, and after a period of 12 months from that date they shall get a further increase of Sh. 30 p.m."

The Respondents state that according to a document in their possession their employees joined the Claimants in June, 1976, and in view of this are not clear whether the increment awarded by the Court should be effective from 1st March, 1976, or whether it should be from the date the employees joined the Claimants.

Further the Respondents state that between April and July, 1976, they had given their employees certain increments and want to know if these are to be deducted from the Sh. 50 increase awarded by the Court for the first year.

The Respondents have also mentioned the case of one employee who was engaged in March, 1976, at Sh. 500 and was granted an increase of Sh. 50 in April, 1976, and want to know if he is entitled to the increase awarded by the Court.

The Claimants in reply submitted that they had recruited the Respondents' employees way back in September, 1974, but the Respondents had refused to collect the union dues from their employees. They maintained that the Court award was quite clear and that all employees were awarded Sh. 50 with effect from 1st March, 1976, without any deductions for increments which they may have received which in any case were merit increments.

The Notification of Dispute Form "A" which was received by the Court on 1st July, 1976, is dated 15th August, 1975. In view of this if the Respondents' submission that their employees joined the Claimants in June, 1976, is to be accepted it would indeed be very odd for them to have signed the Notification of Dispute Form "A" in August, 1975, if none of their employees was a member of the Claimants.

The Court has made its award with effect from 1st March, 1976, in respect of Respondents' unionizable employees and it is immaterial when they joined the Claimants. All the Respondents' employees in service at the date of the Court award are entitled to the increase awarded by the Court with effect from 1st March, 1976.

During the hearing on 24th August the Respondents gave details of the wages paid to their employees which they confirmed during the hearing of this application included increments which they had given to them. The Court made its award on the information so supplied to the Court during the hearing. The workers are therefore entitled to Sh. 50 increase awarded by the Court without any deductions of the increments which they may have received between March, 1976, and the date of the Court award.

Dated this 1st day of November, 1976.

**THE TRADE MARKS ACT**  
(Cap. 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T.M. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Office, Nairobi.

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Application for Part B are distinguished by the letter B prefixed to the official number.
