PUBLIC NOTICE OF AN APPLICATION TO INTRODUCE NEW METHODS OF CHARGE BYELAWS THROUGHOUT ALL AREAS IN KENYA
SUPPLIED BY THE LICENSEE

NOTICE is hereby given to all whom it may concern that The East African Power and Lighting Company Limited, a limited liability company incorporated in the Republic of Kenya, having its registered office at Electricity House, Harambee Avenue, Nairobi, intends to make application on Friday, 30th July, 1976, to the Minister for Power and Communications, under sections 72 and 149 of the Electric Power Act, for the

approval by him of proposed Byelaws to be known as the "Methods of Charge (E.A.P.L.) Byelaws 1976" which if and when approved will revoke the existing Methods of Charge (E.A.P.L.) Byelaws 1975.

The objects of and reasons for the application are to achieve an overall increase in revenue which has become necessary to enable the applicant to meet rising costs and to incorporate in the tariffs of prices to be paid for electrical energy an amount to reflect the applicant's increased fuel costs over and above those prevailing as at 2nd May, 1975.

The areas which will be affected by the grant of the application are all areas supplied by the licensee; and all present and future consumers will be affected.

All consumers will be affected by the grant of the application in that the proposed new Byelaws will result in increases in the cost of electricity to the average consumer by amounts varying between 5 per cent and 28 per cent.

Copies of the proposed new "Methods of Charge (E.A.P.L.) Byelaws 1976" have been deposited at the offices of the licensee and are open to public inspection during normal office hours without payment. Copies of the proposed Byelaws may be purchased at the offices of the licensee at a price of Sh. 4 per copy.

Any public or local authority, company, person or body of persons desirous of making any representation on or objection to this application must do so by letter addressed to the Minister for Power and Communications and marked on the outside of the cover enclosing it "Electric Power Act", on or before the expiration of fourteen days from the date of the application as stated in this notice and must forward a copy of such representation or objection to the applicant.

GAZETTE NOTICE NO. 2124

THE TRADE MARKS ACT
(Cap. 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T.M. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Office, Nairobi.

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number.
