GAZETTE NOTICE No. 4662

THE INDUSTRIAL COURT

CAUSE No. 28 OF 1983

Parties:

Kenya Union of Domestic, Hotels, Educational
Institutions, Hospitals and Allied Workers
and
Satkar Limited

Issues in dispute:

- Housing allowance.
- Night transport.
- Annual leave and leave travelling allowance.
- Service charge.
- Annual bonus.
- Minimum wage and wage increment.

THE Kenya Union of Domestic, Hotels, Educational Institutions, Hospitals and Allied Workers shall hereinafter be referred to as the claimants and Satkar Limited shall hereinafter be referred to as the respondents.

2. The parties were heard in Nairobi on 15th November, 1983 and relied on their written and verbal submissions.

AWARD

3. The Notification of Dispute Form "A" dated 27th August, 1982, duly signed by the parties was received by the court on 11th May, 1983, together with the statutory certificate signed by the Labour Commissioner.

The respondents are a fairly new establishment having commenced operations three years ago. They are a cafeteria and eating house specializing in south Indian dishes. The court was

told that their head cook, i.e. chef is an expatriate from India. They have in their employment eleven employees. They are not licensed to sell liquor and they do not have any lodging and boarding facilities.

The claimants approached them for recognition in April, 1981, and although the respondents initially refused to recognize them they accepted to do so after the dispute on recognition was reported to the Minister for Labour. They recognized the claimants on 5th February, 1982 and the claimants forwarded their proposals on the collective agreement on 23rd February, 1982. The parties have been able to agree on all the items in the collective agreement except the ones that are in dispute before the court.

The court forwarded the parties' submissions to the Division of Manpower Planning and Development (D.M.P.D.) for a report on the claimants' demands and the respondents' financial viability vis-à-vis the guidelines. The court and the parties had this report with them during the hearing.

The D.M.P.D. report confirms the respondents' submission that for the first two years they had operated at a loss with the result that for the period 1982/83 their accumulative loss was KSh. 200,319. However, for the period 1983/84 it was expected that they would not suffer loss but the accumulated loss would be there.

After careful consideration of all the submissions and the D.M.P.D. report, the court finds that the claimants' demands under the circumstances of this particular dispute are somewhat excessive. They have proposed a minimum wage starting at the lowest at KSh. 600 per month going up to KSh. 1,200 per month at the highest with a 15 per cent increase for the first year and 18 per cent for the second year. These to be in addition to the basic minimum rates. They have also demanded a house allowance of KSh. 200 per month.

The court awards that for the duration period of this first collective agreement between the parties which is effective from 1st April, 1982, for two years from that date the basic minimum wages of the employees should be those as specified in the Regulation of Wages (Hotel and Catering Trades) Order, 1981 and the General Order, 1982. Further, the court awards that all employees should get a wage increase of KSh. 70 per month with effect from 1st April, 1982 and a similar increase for the second year with effect from 1st April, 1983, the second year increase is to be added on the workers' wages as at the end of March, 1983.

House allowance

The court awards that the respondents should pay their workers the following house allowance in addition to the basic wage:

	Per Month KSh.
First year	180
Second year	200

Annual leave and leave travelling allowance

The court proposes no change in the existing twenty-four days' paid leave on completion of twelve consecutive months' service. The court feels that accumulated leave is not warranted in this case.

The court awards a leave travelling allowance of KSh. 200 to be given to workers when they proceed on annual leave.

Service charge and annual bonus

The court rejects both these demands for the time being.

Night transport

Since the respondents are not licensed to sell liquor and they cease serving customers at about 9 p.m. and are able to send their employees home by 10 p.m. at the latest the court does not propose to award that the respondents should hire a matatu to transport workers to their homes as demanded by the claimants. The court finds that the respondents' offer is somewhat reasonable in that they propose to pay their employees the usual Kenya Bus Service rate of KSh. 2.50 per employee on night duty and the court makes an award in terms of this proposal.

Given in Nairobi on the 6th December, 1983.

SAEED R. COCKAR,
Judge.

Member.

GAZETTE NOTICE No. 4663

THE TRADE MARKS ACT

(Cap. 506)

NOTICE is given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within sixty (60) days from the date of this Gazette, lodge notice of opposition on form TM. No. 6 (in duplicate) together with a fee of KSh. 50.

Notice is also given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him an opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Office, Nairobi.
