GAZETTE NOTICE No. 1459

THE TRADE MARKS ACT

(Cap. 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge Notice of Opposition on Form T.M. No. 60 (in duplicate) together with a fee of Sh. 50.

Notice is also hereby given that official objection will be taken under Rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Offices, Nairobi.

GAZETTE NOTICE No. 1464

THE INDUSTRIAL COURT

CAUSE No. 11 OF 1968

Parties:—

Kenya Shoe and Leather Workers' Union
and

Kenya Game Leather Footwear Limited

Issues in dispute:—

- (a) Leave Travelling Allowance.
- (b) Service Gratuity.
- (c) Implementation and Duration of Agreement.
- (d) Wages.

1. The Kenya Shoe and Leather Workers' Union shall hereinafter be referred to as the Claimants and the Kenya Game Leather Footwear Limited shall hereinafter be referred to as the Respondents.

2. The Parties were heard in Nairobi on the 17th day of April 1968, and relied on their written and verbal submissions. During the proceedings the Claimants withdrew the issue of Service Gratuity from the dispute.

AWARD

The Respondents in this dispute are an ideal example of how the strenuous efforts of an individual during 1963 led to the establishment of a business which at its best gave employment to 50 workers. It is unfortunate that due to the losses suffered by the Respondents in their shoe department, they had to declare nine employees redundant in February 1968. The fact remains that there are still 38 workers in employment and the Respondents have stated that they have every intention of expanding and going up to their original strength of 50 workers.

The Court has to keep in view the above facts and the background to the wage negotiations whereby the workers, after the first agreement effective from 1st May 1966, were granted a further increase on an average of 11 per cent in March 1967. Admittedly some workers received a greater increase than others but this was based on the quality of work and the efficiency of each worker.

The Claimants' demand of an increase of Sh. 50 to each worker if accepted would make their wage bill over Sh. 9,406/50 per month which the Respondents claim would cripple them with the result that either they will have to close down or carry out a major redundancy exercise.

On the other hand, the Court has to consider the question of raising the workers' living standards and to compensate them for the loss of money value. The Court notes that the Respondents recognize that an increase of wages is no doubt due to the workers, but could not make an offer during negotiations because the Claimants were not within reasonable distance as far as their demands were concerned.

The Court has carefully considered the above points along with the fact that the workers get an annual Christmas Bonus of about Sh. 30 and that the Respondents provide subsidized meals to their workers.

In these circumstances the Court has decided to make the following award on the issues in dispute:—

- (a) *Leave Travelling Allowance.*—Nil award.
- (c) *Implementation and Duration of Agreement.*—The agreement shall be implemented as from 1st April 1968, and shall remain in force for a period of 18 months from that date.
- (d) *Wages.*—The Court awards a wage increase of Sh. 17/50 per month to each employee.

Given in Nairobi this 6th day of May 1968.
