EAST AFRICA PROTECTORATE.

NOTICE.

**The following paragraphs of the Colonial Office Regulations
are published for general information**

INDIVIDUALS

- No 211 Persons in a Colony, whether public functionaries or private individuals, who have any representations of a public or private nature to make to the Government, should address them to the Governor through the Colonial Secretary
- No 212 Every individual has the right to address the Secretary of State, if he thinks proper, in which case he must transmit such communication, unsealed and in triplicate, to the Governor requesting him to forward it in due course to the Secretary of State. Every letter, memorial or other document which may be received by the Secretary of State from a Colony otherwise than through the Governor will be referred back to the Governor for his report
- No 213 The preceding rule requiring transmission of correspondence with the Secretary of State through the Governor is based on the strongest grounds of public convenience, in order that all communications may be duly verified, as well as reported on, before they reach the Secretary of State. It extends therefore to communications relating to public affairs as well as to the concerns of the writer, to those from all public functionaries of whatever rank, and to those from public bodies
- No 214 Petitions addressed to the King, or to the King in Council, memorials to public officers or departments of His Majesty's Government, must be in like manner sent to the Governor for transmission to the Secretary of State
- N B In the above paragraphs the "Chief Secretary" takes the place of the "Colonial Secretary" so far as this Protectorate is concerned
