GAZETTE NOTICE NO. 1831

THE INDUSTRIAL COURT

CAUSE NO. 15 OF 1982

Parties:

Kenya Union of Commercial Food & Allied Workers
and
Joint Venture Limited

Issue in dispute:

Recognition agreement.

1. The Kenya Union of Commercial Food & Allied Workers shall hereinafter be referred to as the Claimants and Joint Venture Ltd. shall hereinafter be referred to as the Respondents.

2. The parties were heard in Nairobi on the 2nd June, 1982 and relied on their written and verbal submissions.

AWARD

3. The Notification of Dispute Form "A" dated 1st October, 1981 duly signed by the parties was received by the Court on 22nd March, 1982 together with the statutory certificate signed by the Labour Commissioner.

The Claimants have brought this dispute as they are seeking recognition from the Respondents mainly on the ground that they are a subsidiary of Phillips, Harrison & Grosfield Ltd. with whom they, the Claimants, have recognition and collective agreements. The Claimants further contended that the Respondents' employees had enjoyed the same terms and conditions of service as those of Phillips, Harrison & Grosfield Ltd. until the Respondents decided to stop wage increase to their employees abruptly. At this point the employees had approached the management to inquire the reason and were told that the Respondents did not belong to Phillips, Harrison & Grosfield Ltd.

During the hearing the Court found that the Respondents' shareholders are:

"Appex Distributors Ltd.	15,000 shares
Phillips, Harrison & Grosfield Ltd.	98 shares
T.D. Preston	1 share
B.G. Nicholls	1 share

Further, the Respondents produced the following range of products:

Dining tables and chairs,
Beds and bedroom furniture,
Lounge furniture, settee chairs and coffee tables,
Office desks and chairs.

The Court notes that the Respondents employ 40 unionisable staff and are members of the Furniture Manufacturers' Group of F.K.E. since 29th April, 1981.

The Claimants had reported a trade dispute to the Minister for Labour and an investigation was carried out. The Ministry's investigator's findings and recommendation are:

"Investigations established that the constitution of the Commercial Union does not embrace furniture industries although they have recruited 23 employees of the company. It was also established that the company is a member of the Furniture Manufacturers' Group of F.K.E. which has a valid agreement with the Kenya Timber & Furniture Workers' Union. This was confirmed by the two parties who felt that the Commercial Union's demand should be rejected since they were not the appropriate union to represent workers as compared to the rival union.

In view of the facts contained in this report it is recommended that the Kenya Union of Commercial Food & Allied Workers is not the appropriate union to represent the interests of the company's employees and as such the union's demand is rejected."

The Claimants rejected this recommendation.

The Court has carefully studied the membership rule of the Claimants' constitution which reads as follows:

"3 (a) Membership of the union shall be open to all employees engaged in the following industrial groups provided such employee is above the apparent age of 16 years:

- (i) Distributive and commercial group—which shall embrace all employees engaged in warehouses and merchandise, flour, coffee and spice mills, food processing, banks, insurances, offices, cinemas, showgrounds, shopworkers, wholesale and retail, watchmen organizations, distributive dairy workers, co-operative societies and statutory boards.
- (ii) Laundry cleaners and dyers group—which shall embrace all employees engaged in dyers, dry cleaners and laundry industries.
- (iii) Tobacco trade group—which shall embrace all employees engaged in tobacco industries.
- (iv) Bottling and brewing group—which shall embrace all employees in bottling and brewing industries."

In view of the undisputed fact that the Respondents are engaged purely in the business of furniture making and are in no way a subsidiary of Phillips, Harrison & Grosfield Ltd. the Court has no hesitation in coming to the conclusion that the Claimants have indeed no case for asking the Respondents to recognize them. Even if the Respondents were a subsidiary of Phillips, Harrison & Grosfield Ltd. the fact that they are engaged in a completely different industry to their parent company would not entitle to Claimants to get recognition from them. The Industrial Court has in the past given several decisions in this respect. The Court has consistently upheld the system of industrial trade unionism that has developed over the years in Kenya.

The Court has also in the past pointed out that if the workers want to be represented by a trade union to look after their interests then they must join the proper trade union which in this case obviously is the Kenya Timber & Furniture Workers' Union.

If the workers have any complaints regarding the level of their salaries and have not been granted wage increases then they must channel these complaints through their proper trade union who will no doubt make the necessary representations to the Respondents.

After careful consideration of all the submissions the Court rejects the Claimants' demand for the Respondents to recognize them. The Court upholds the findings and recommendation of the Ministry of Labour.

Given in Nairobi the 23rd June, 1982.

Judge.
