THE INDUSTRIAL COURT

CAUSE No 49 OF 1968

Parties —

Kenya Local Government Workers' Union
and

County Councils in Committee No 3 of the Association
of Local Government Employers

Issue in dispute —

Co-ordination of terms and conditions of service for employees in the non-salaried grades including salary increases

1 The Kenya Local Government Workers' Union shall hereinafter be referred to as the Claimants and the County Councils in Committee No 3 of the Association of Local Government Employers shall hereinafter be referred to as the Respondents

AWARD

This dispute was mentioned before the President of the Court on 8th January 1969, when Mr Karebe, the Claimants' General Secretary, and Mr Richmond, the Respondents' Secretary, appeared before the Court

After hearing some preliminary submissions by the parties the Court found that the dispute had come before it without the parties having entered into negotiations properly on the issue in dispute and/or without having used the conciliation machinery provided in the Trade Disputes Act 1965. The Court directed the parties to embark on and conduct negotiations under the chairmanship of the Chief Industrial Relations Officer (CIRO), Ministry of Labour, and if the matter still remained unsettled then to bring it before the Court

On 11th October 1969, the aforesaid representatives of the parties appeared before the President of the Court again and informed him that as a result of meetings held between them under the chairmanship of the CIRO they had reached agreement on all items except a few points on which they had agreed not to have a dispute but to leave them as they were at present. They produced to the Court a copy of their agreement which is dated 11th April 1969, and is applicable from 1st January 1969. The parties requested the Court to make an award by consent in terms of their negotiated agreement and to rule that this agreement should be applied as from the agreed effective date with immediate effect

The Court accordingly awards by consent of the parties that the agreement reached between them dated 11th April 1969, and effective from 1st January 1969, which is attached herewith and marked "A" should be implemented with immediate effect

Given in Nairobi this 11th day of October 1969

(Cap 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T M No 6 (in duplicate) together with a fee of Sh 50

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Offices, Nairobi

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number
