buildings and construction of the drainage system in conformity with such plans, drawing, elevations and specifications as amended (if such be the case) by the local authority:

Provided that notwithstanding anything to the contrary contained in or implied by the Trust Land Act, if default shall be made in performance or observance of any of the requirements of this condition it shall be lawful for the local authority or any person authorized by the local authority to re-enter into and upon the land or any part thereof in the name of the whole and thereupon the term created shall cease but without prejudice to any right of action or remedy of the local authority in respect of any antecedent breach of any condition herein contained.

3. The lessee shall maintain in good and substantial repair and condition all buildings at any time erected on the land.

4. Should the lessee give notice in writing to the local authority that he is unable to complete the buildings within the period aforesaid the local authority shall (at the lessee's expense) accept a surrender of land comprised herein:

Provided further that if such notice as aforesaid shall be given—

- (a) within twelve (12) months of the actual registration of the lease, the Commissioner of Lands shall refund to the lessee fifty (50) per cent of the stand premium paid in respect of the land; or

- (c) in the event of notice being given after the expiration of the said building period, no refund shall be made.

5. The land and buildings shall only be used for shops, offices and flats excluding the sale of petrol oils.

6. The buildings shall not cover more than 75 per cent of the area of the land or lesser area as may be laid down by the local authority in its by-laws.

No application for such consent (except in respect of a loan required for building purposes) will be considered until special condition No. 2 has been performed.

10. The lessee shall pay to the local authority such sum as the local authority may estimate to be the proportionate cost of constructing all roads and drains and sewers serving or adjoining the land and shall on completion of such construction and the ascertainment of the actual proportionate cost, either pay (within seven (7) days of demand) or be refunded the amount by which the actual proportionate cost either exceeds or falls short of the amount paid as aforesaid.

11. The lessee shall from time to time pay to the Commissioner of Lands on demand such proportion of the cost of maintaining all roads and drains serving or adjoining the land as the Commissioner of Lands may assess.

12. No. 6 (in duplicate) together with a fee of KSh. 1,500 (local applications) or US\$ 75 (foreign applications).

Notice is also given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, Kenya Industrial Property Office, Kenya House, Koinange Street, Nairobi.

Applications for registration in part A of the register are shown with the official number unaccompanied by any letter. Applications for part B are distinguished by the letter B prefixed to the official number.
