**GAZETTE NOTICE NO. 2613****THE INDUSTRIAL COURT***CAUSE NO. 84 OF 1989***Parties:**

Amalgamated Union of Kenya Metal Workers  
and

Alfa Motors Ltd.

**Issue in dispute:**

Recognition.

THE Amalgamated Union of Kenya Metal Workers shall hereinafter be referred to as the claimants and the Alfa Motors Limited shall hereinafter be referred to as the respondents. The Kenya Engineering Workers Union shall hereinafter be referred to as the interested party.

2. The parties were heard in Nairobi on 3rd April, 1990, and relied on their written and verbal submissions.

**AWARD**

3. The Minister for Labour signed the reference of this dispute to the industrial court on 14th August, 1989, in accordance with section 8 of the Trade Disputes Act (Cap. 234) which reference was received by the court on 26th October, 1989, together with the statutory certificate signed by the Labour Commissioner. The court was informed that the file had disappeared from circulation in the Chief Industrial Relations Officer's office for nearly three (3) years.

The respondents engage in selling and servicing motor vehicles and employ a total labour force of 20 employees.

This dispute arose in July 1982, when the claimants approached the respondents seeking to be accorded recognition. The claimants demand was apparently rejected by the respondents and subsequently on 2nd September, 1982, the dispute was reported to the Minister for Labour. The dispute was thereafter investigated by the Ministry of Labour and on 13th August, 1984, the Ministry's findings and recommendation were conveyed to the parties. The Ministry's findings were that the respondents' industrial activities fell under the motor industry and the claimants were the appropriate trade union to represent their unionizable employees. It was recommended that the respondents should accord the claimants recognition.

The Ministry of Labour's findings and recommendations were turned down by the respondents and now the matter which has been dragging for the last nine (9) years is before the court for consideration.

The claimants stressed that they were the right union to represent the respondents' employees in accordance with both the Industrial Relations Charter and the claimants' registered constitution.

The claimants summed up their submissions by telling the court that the findings and recommendations by the Ministry of Labour were in their favour and the court should endorse the same.

The respondents informed the court that they are prepared to recognize the trade union determined by the court as the right union to represent employees in their undertaking. The interested party prayed the court to reject the claimants' demand because their demands are in violation of their registered constitution.

The court notes with great disappointment that the file relating to this dispute mysteriously disappeared in the Ministry of Labour and then reappeared after three years! Obviously this has led to a confused state of affairs in this dispute where the claimants having enrolled a simple majority of the respondents' employees now find that they have no members because they have now joined the interested party who has been accorded recognition by the respondents and both of them are in the process of negotiating a collective agreement.

This is most unfortunate and regrettable because the interested party's general secretary conceded as far back as 12th August, 1985, in a letter addressed to his own branch secretary that the right trade union for the respondents' employees was the claimants.

In view of the foregoing the court has decided to award that if within three months of the date of the court award the claimants can enrol a simple majority of the respondents' employees as their members they should be accorded recognition by the respondents but if they fail to do so then the respondents should continue recognizing the interested party.

Finally the court expects the Labour Commissioner to make the necessary investigation as to how the file disappeared for three (3) years in the Ministry of Labour and take appropriate action in the matter in order to avoid a recurrence of such mysterious disappearance of files in future.

Dated the 25th May, 1990.

#### GAZETTE NOTICE No. 2614

#### THE INDUSTRIAL COURT CAUSE No. 97 of 1989

##### Parties:

Railway Workers Union (Kenya)  
and  
Kenya Railways Corporation

##### Issue in dispute:

Refusal and/or delay by the Kenya Railways to pay subsistence allowance to employees who were temporarily transferred to Mariakani from Voi which was their home station.

THE Railway Workers Union (Kenya) shall hereinafter be referred to as the claimants and the Kenya Railways Corporation shall hereinafter be referred to as the respondents.

2. The parties were heard in Nairobi on 21st and 22nd March, 1990, and relied on their written and verbal submissions.

##### AWARD

3. The Notification of Dispute Form "A" dated 11th August, 1989, duly signed by the parties was received by the court on 24th November, 1989, together with the statutory certificate signed by the Labour Commissioner.

This dispute hinges on the application of Staff Regulation E.4 (e) regarding the payment of subsistence allowance to 25 employees. The dispute arose on 30th September, 1980, when the 25 grievants were allegedly transferred temporarily from Voi to Mariakani station. The list and particulars of the grievants is as appended hereunder:

Name	C/No.
Gilbert M.	89749 RBV
Reuben Kilumba	89731
Jackson Mwange	89736
Marami Mwanyumba	89729
John Oluoch	89785
Kiama Njogu	72837
Aloyce Owino	105993 CR 1
Thomas A. Ndunda	110249
Musya Kithome	100494
Albert Inganyi	121870
Ikuthu Hamisi	102188
John Ing'uru	122412
John Orwa	107055 RC2
Charles Waema	89742 RBV
Meri Ndegwa	108451 RC 11
Fredrick Ndenga	582186
Lufi Yawa	108193
Kombo Nzombo	108450
Kea Dele	108645
Ngunga Njoloi	107656
Livingstone Njama	115504
Simon Gichora	107737
Ndoe Mwanjonga	108453
Chaka Tsuma	108453 RC 11
Nugui Giteche	120315 RC 1

The payment rates of the subsistence allowance have varied since 1980 from year to year. However, the current rate for night accommodated on an average is KSh. 75 per day per employee giving rise to a claim running into quite a heavy financial sum.

The claimants took up the matter on behalf of the grievants during meetings held on 23rd January and 10th April, 1987, respectively. The parties were unable to settle the matter at their level. As a result this dispute was reported to the Minister for Labour on 15th September, 1988. Thereafter, the dispute was investigated by the Ministry and the findings and recommendation were conveyed to the parties on 26th July, 1989. The Ministry's findings were that the welding gang have all along been paid camp/construction allowance at the rate of 10 per cent of their basic monthly wages as provided for under the Corporations Staff Regulation E.II. This allowance was paid to compensate the workers for the inconvenience they were subjected to when they were temporarily transferred to the construction site.

The Ministry recommended that the respondents decision of paying camp allowance should remain undisturbed.

This decision was turned down by the claimants and now the matter is before the court for consideration.

The court gave the claimants an opportunity to produce further documentary evidence in support of their case. They have submitted some documents but these do not help their case at all.

The thermit welding gang was established in early 1960 for rehabilitating railway joints all over the system. The employees involved in this dispute are part of the welding gang which moves all over the country carrying out their specialized job on the railway lines. This involves their being stationed at various places along the railways line for long periods.

The court has carefully considered the claimants' submissions that these workers are entitled to be paid subsistence allowance at an average of KSh. 75 per day for all the time they are at Mariakani but finds that the claimants' demand is far fetched indeed and defies reason. To give into their demand would mean ordering the respondents to indulge in reckless expenditure of public funds. The court is not prepared to do that.

Having carefully considered the specialized nature of the welding gang the court finds that the present arrangement of paying the workers in the welding gang a camp allowance amounting to 10 per cent of a worker's basic salary to be a fair and just reward under the circumstances.

Moreover this claim is certainly time barred. In view of the aforesaid the court rejects the claimants' demand whereby they are demanding a huge sum of money for the last 10 years to be paid to the grievants.
