THE CROWN LANDS ORDINANCE
(Cap 155)

KISUMU MUNICIPALITY—QUARRY SITE

THE Commissioner of Lands invites tenders for quarrying rights in respect of the quarry reserve of approximately 19 acres at present used as a municipal quarry by the Kisumu Municipal Council.

2 A plan of the site may be seen at the office of the Town Clerk, Kisumu or at the Lands Department, City Square, Nairobi.

(a) Conditions of Tender

1 Sealed tenders marked "Tender for Quarry, Kisumu", together with a deposit of Sh 1,000 must be deposited with the Department of Lands before noon on 3rd March, 1962. Should any tender not be accepted the Sh 1,000 will be refunded to the unsuccessful tenderer.

2 Tenders should be accompanied by a statement indicating—

- (a) an annual rent tendered for the area concerned. There will be no royalty payable upon stone or stone chippings quarried and disposed of,
- (b) the required term of the grant based upon the tenderer's estimate of the life of the quarry, for which he is prepared to pay the tendered rent.

3 The successful tenderer will be required to—

- (i) Purchase at a price to be agreed by the tenderer and the Kisumu Municipal Council the quarry plant now on the site
- (ii) Supply to the Kisumu Municipal Council its requirements for stone and stone chippings. The amount of stone and stone chippings and the price therefor to be agreed annually in advance with the Kisumu Municipal Council. Such stone and stone chippings as may be required by the Kisumu Municipal Council shall be given priority of supply.

4 The successful tenderer will be required to pay the rent due to 31st December, 1962, within seven days of the notification that his tender has been accepted and thereafter the rent reserved on the 1st day of January in each succeeding year.

5 The highest or any tender will not necessarily be accepted.

(b) General Conditions of Licence

1 The land shall be used for the purpose of quarrying stone only, save as is hereinafter provided.

2 The land shall not be quarried within 100 ft of any road or road reserve.

3 Quarrying will commence on the lowest part of the plot, provided this is not within 100 ft of any road or road reserve.

4 No excavation will be effected below the level of the commencing point.

5 The floor of the quarry will have a slight upward grade towards the working face and will be so drained as to be clean and free from mosquito-breeding areas to the satisfaction of the Medical Officer of Health and the Commissioner of Lands.

6 Spoil will be used to (a) level the quarry floor after quarrying, (b) fill excavations on the plot outside the actual quarry as directed by the Commissioner of Lands or such officer as he may appoint to act on his behalf, (c) no spoil will be removed from the site.

7 At all times the grantee will comply with the reasonable requests of the Commissioner of Lands, or such officer as he may appoint to act on his behalf, in respect of the proper conduct of quarrying operations.

8 Housing for Africans employed on the site may be erected on the plot in accordance with the requirements of the Commissioner for Labour, Nairobi.

9 Proper sanitary arrangements will be provided in accordance with the requirements of the Medical Officer of Health, Kisumu Municipal Council.

10 The sides of the quarry will be left vertical or sloped outwards to the quarry floor to prevent any subsequent fall of earth or stone.

11 The grantee will maintain all beacons and shall keep them open and free from obstruction.

12 The grantee will mark out the boundaries of the plot with posts at 50 ft intervals.

13 The grantee shall pay such rates, taxes, charges, duties, assessments or outgoings of whatever description as may be imposed, charged or assessed by any Government or Local Authority upon the land or the buildings erected thereon, including any contribution or other sum paid by the Governor in lieu thereof.

14 The grantee shall not at any time during the tenancy assign, mortgage or sublet or part with the possession of the plot or any buildings erected thereon save with the prior consent of the Commissioner of Lands first having been obtained in writing.

15 The grantee will comply with the provisions of the Mining Ordinance and rules and regulations made thereunder.

THE TRADE MARKS ORDINANCE 1955

(No 51 of 1955)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may within 60 days from the date of this Gazette Lodge notice of opposition on Form TM No 6 (in duplicate) together with a fee of Sh 50.

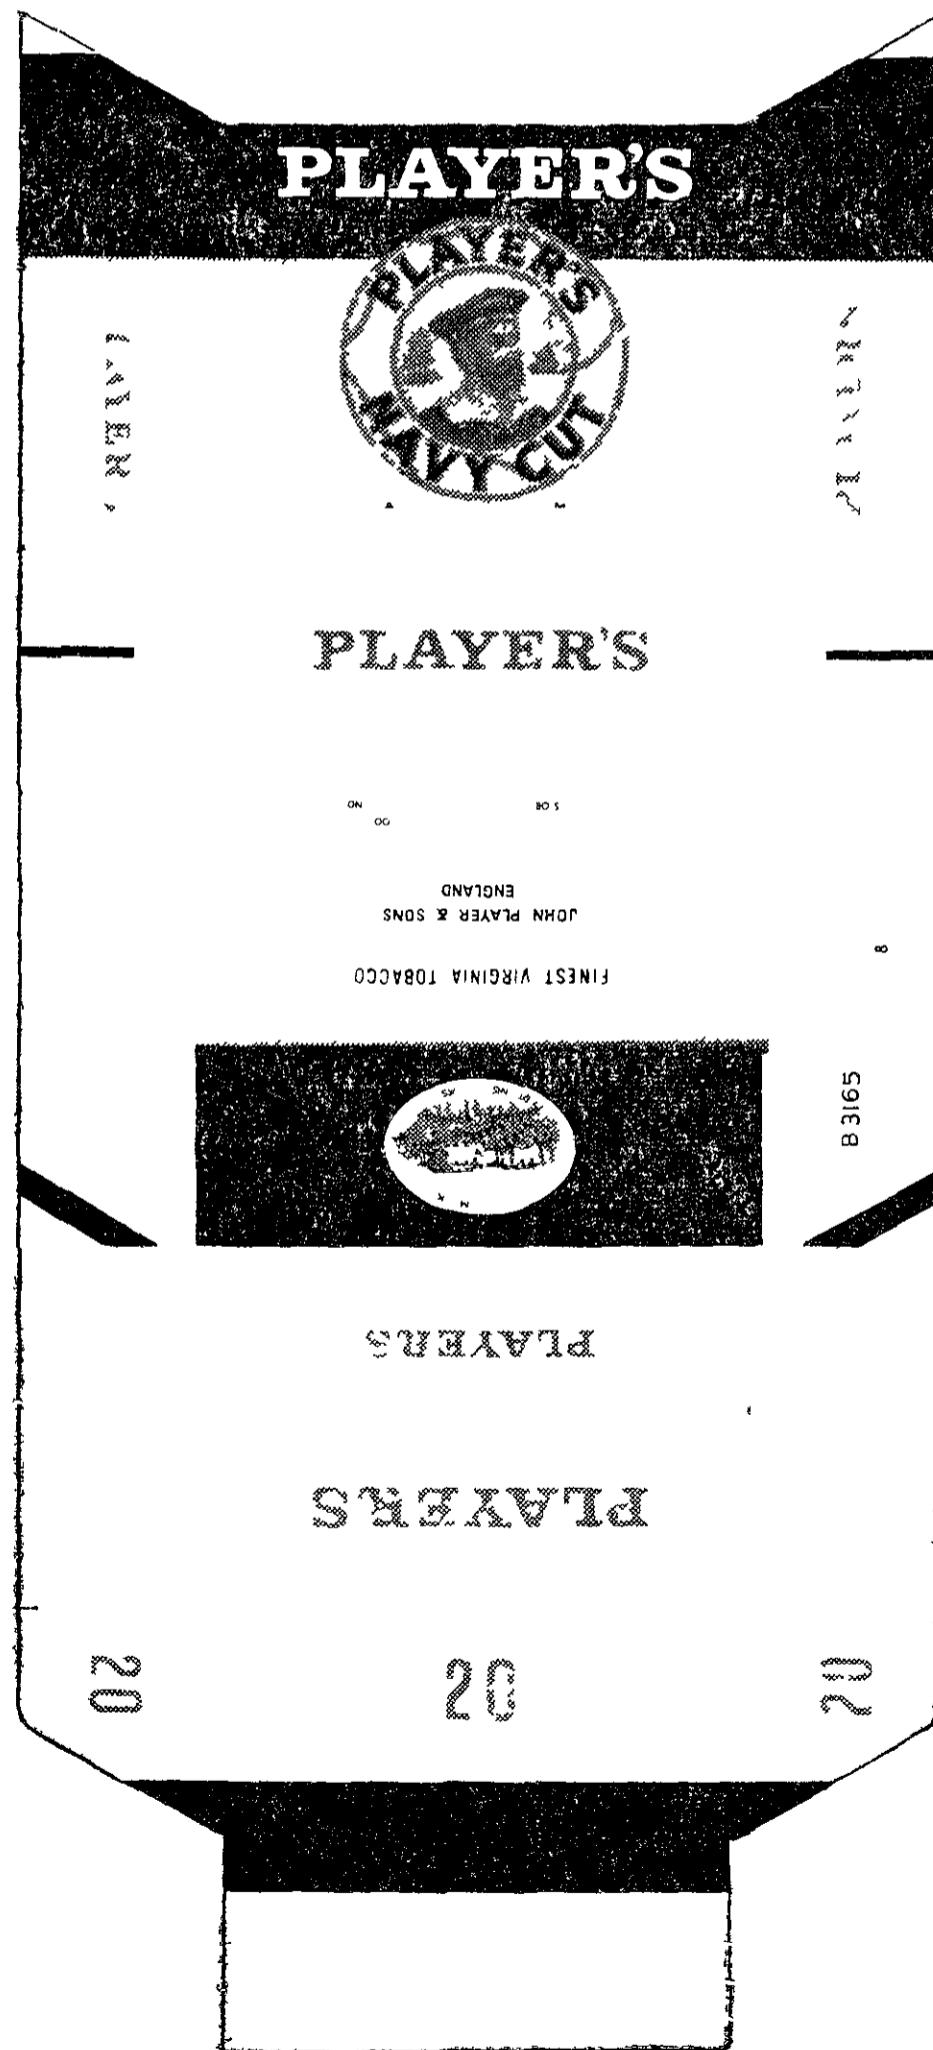

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him an opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

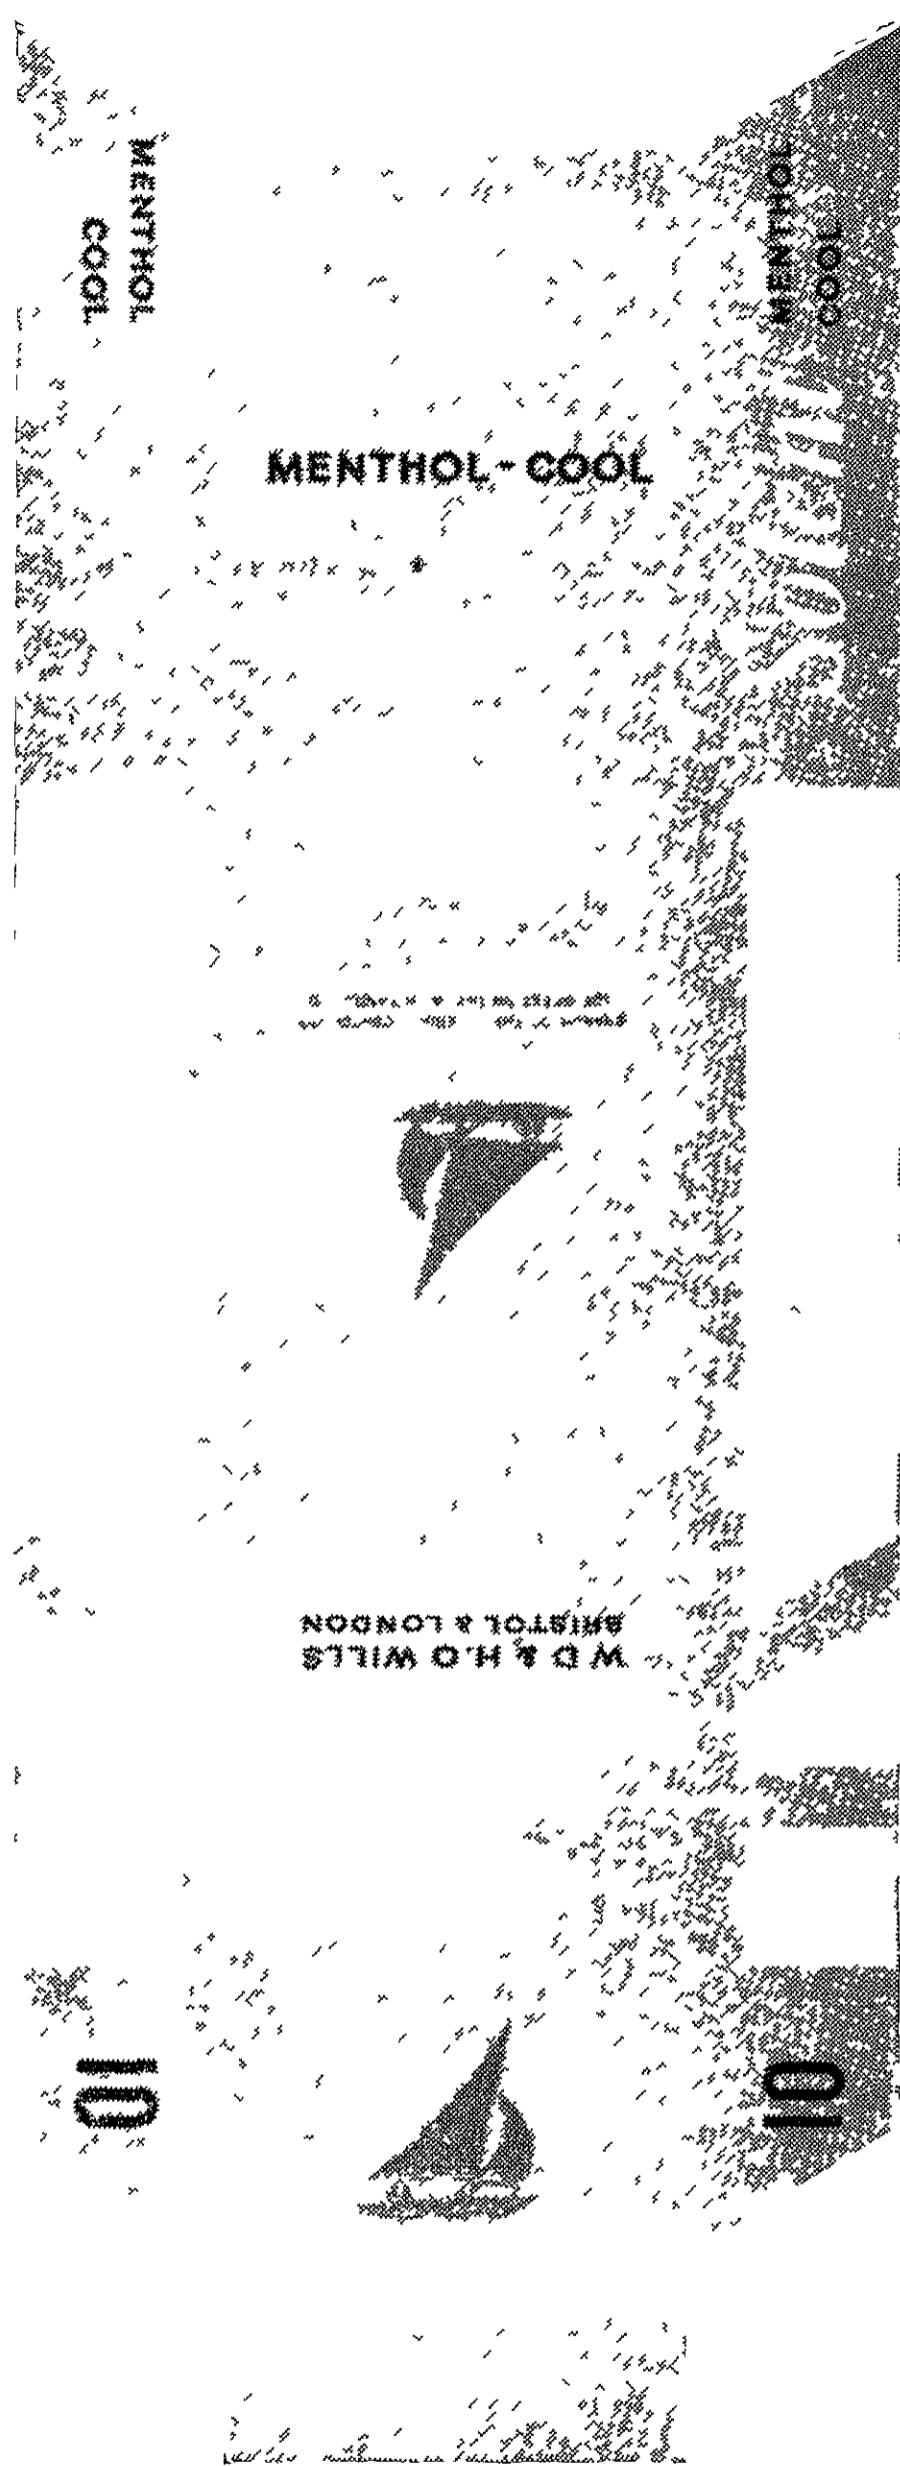

Where it is stated in the advertisement of the applicant that the mark upon its registration is to be limited to certain colours the colours are as far as possible indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks herein advertised can be seen at the Trade Marks Registry Crown Law Office Nairobi.

FEDERATION OF BRITISH INDUSTRIES OVERSEAS SCHOLARSHIPS FOR ENGINEERING CANDIDATES

APPLICATIIONS are invited for the award of scholarships which form part of a scheme instituted by the Federation of British Industries to provide graduate engineers from overseas with practical training in industrial establishments in the United Kingdom

The scholarships offered by the Federation are of three types —

Type A—For recently graduated engineers They provide training for two years and living expenses at the rate of £476 per annum, free of income tax They also cover the cost of travel to and from the United Kingdom They are awarded to candidates of special merit who would otherwise be unable to take advantage of the training facilities offered

Type B—Also for recently graduated engineers They provide training for two years and living expenses at the rate of £476 per annum free of income tax, but do not cover the cost of travel to the United Kingdom Successful candidates are required to pay their passages to Britain, and to deposit in advance the cost of their homeward passages

Type C—For more experienced applicants They provide training from six to 12 months and the major part of living expenses They are designed for the benefit of practising engineers whose employers, whether public or private organizations or Government departments, are willing to release them temporarily and support their applications Successful candidates are required to contribute to their maintenance at the rate of £100 a year They are also required to pay their passages to the United Kingdom and to deposit in advance the cost of their homeward passages They receive maintenance payments from the Federation at the rate of £450 per annum, free of income tax

Qualifications

All applicants must—

- (a) hold a degree or diploma in engineering issued by a recognized university faculty, institute or school,
- (b) be able to profit from training in industrial—as distinct from academic—surroundings,
- (c) be medically fit,
- (d) speak and write English well,
- (e) possess good character, initiative and a sense of responsibility,
- (f) undertake to return and follow their profession in their own country

Applicants for Types A and B scholarships should normally—

- (g) have recently graduated
- (h) have had not more than two years' industrial or practical experience
- (i) require general practical training in engineering
- Applicants for Type C scholarships should normally—
- (j) be not more than 35 years of age
- (k) have had not less than five years' practical experience,
- (l) wish to secure specialized knowledge in a particular branch of engineering,
- (m) provide letters from their employers supporting their applications and consenting to release them for the required period of training, if an award is made

Finance

Maintenance payments start from the date of arrival in the United Kingdom and end on the date of departure, provided that this takes place within a reasonable time of completion of training These payments are made by the Federation monthly in advance

Application

Persons in Kenya wishing to apply for any of the above scholarships if they have the required qualifications and can comply with the other conditions set out above, should write to the Permanent Secretary, Ministry of Education, P O Box 30040, Nairobi giving full details of their qualifications and personal particulars The closing date for applications is 28th February, 1962 Suitable applicants will be invited to attend at their own expense an interview in Nairobi and will be informed separately of the place date and time for the interview
