THE ELECTRIC POWER ACT, 1997

IN THE MATTER OF A HEARING UNDER SECTION 6 OF
THE SCHEDULE TO THE ELECTRIC POWER ACT, 1997

LICENSEE)(CORAM: MR JEREMIA MURITHI(CHAIRMAN), MR
ERNEST SAINA, GEN. (Rtd) M. J. S. CHHATWAL, MR

THE DECISION OF THE BOARD

In October 1999, the Licensee disconnected electricity supply to the Consumer for non-payment of electricity bills totalling Kshs. 512, 746.60. The Consumer objected to the disconnection on the basis that the amount demanded was excessive. The Consumer wrote to the Ministry of Energy on 28th January 2000 requesting for arbitration of the dispute. The Ministry of Energy vide a letter dated 24th February 2000 advised the Consumer to seek arbitration from Electricity Regulatory Board under section 87 of Electric Power Act, 1997(the Act). On 29th February 2000 Al Rabihah requested Electricity Regulatory Board (ERB) to arbitrate the dispute under section 87 of the Act.

The Board investigated and found that it was a dispute requiring to be heard by the Board under section 6 of the schedule to the Act. The dispute was first gazetted for hearing on 26th July 2001 by Gazette notice number 4554 published on 19th July, 2001. The hearing did not take place on this date due to changes in the membership of ERB which occurred on 5th July 2001.

On 19th July 2002 by Gazette notice number 4717, ERB regazetted the dispute to be heard on 6th August 2002. ERB also required both parties to deliver to ERB written submission by 22nd July 2002, and to serve the same on the other party and this was duly done. At the hearing the Consumer, was represented by its chairman, Mr Hussein Ahmedali Hebatullah and General Manager, Mr Zulfikar Mohamedali, and the Licensee by Chief Manager Distribution & Customer Service, Mr Benson Muriithi, Commercial Cycle Manager, Mr Joshua Mutua and Chief Legal Officer, Ms. Beatrice Muendo.

The Consumer's Submission was heard first.

Mr Zulfikar Mohamedali read out the following written submission for and on behalf of the Consumer:

Mr Mohamedali read:-

SUMMARY OF THE DISPUTE

**AL RABIHAH AGRICULTURAL INDUSTRIES LTD. (THE
CONSUMER)**
KENYA POWER & LIGHTING CO. LTD. (THE LICENSEE)
BOREHOLE CONSUMPTION ELECTRICITY A/C

Dispute of revised amount demanded by Kenya Power & Lighting Co. Ltd. since Al Rabihah Agricultural Industries Ltd. took over from Kenchic Ltd. in 1992

1. On 8.4.1999, Kenya Power & Lighting Co. Ltd. addresses a letter to Mr. Shabbir Hebatullah (referring to Al Rabihah Agricultural Industries Ltd.), demanding payment of Kshs.512, 746.60 against electricity consumption accruing from 1992 – till date.
2. In reply thereto on 27.4.1999, Al Rabihah Agricultural Industries Ltd. reminded Kenya Power & Lighting Co. Ltd. about
 - (i) Bills not received for the Borehole consumption.
 - (ii) Transfer of the meter in our name NOT effected since 11.1.1994 having paid for the deposit.
 - (iii) The amount demanded, being exorbitant, Al Rabihah Agricultural Industries Ltd. requested for verification of the meter.
3. Letter dated 2.7.1999 to Kenya Power & Lighting Co. Ltd. refers for amicable deliberations, provided there are no further threats for disconnection. Also prepared to pay monthly bills regularly leaving the balance of outstanding matter until sorted out.
4. Letter dated 28.7.1999 to Kenya Power & Lighting Co. Ltd. for reminder to our correspondence. – No response.
5. On or about September 1999 – Power was disconnected without recourse to us.
6. Following lodging of request for arbitration to the Electricity Regulatory Board on 27.3.2000, Kenya Power & Lighting Co. Ltd. waived off an amount of Kshs.160, 314.00 against non-existent meter and subsequently revised the amount owing to Kshs.216, 569.80, and demanded Kshs.30, 000.00 for opening a new account, but was subject to either clearing the outstanding bill or transfer of the said amount to the new account number. But to note in this respect, we had paid Kshs.5, 000/- on 11.1.1994 for the transfer of the account in our name. (KP&LCo's receipt no. 76227 dated 11.1.1994 refers).

OUR SUBMISSIONS

From the above foregoing, we are of the opinion that the revised charges be waived off:

1. Firstly, on the basis of no action taken by Kenya Power & Lighting Co. Ltd. when bills were not paid on time referring to 1992 or to limit usage upto the ceiling of the deposit.

If we understand clearly, deposits are maintained for to cover non-payment of bills upto the user/s usage over a period, so to facilitate recovery of the consumption which limits credit to the Consumer. If

- immediate action was taken this situation would have not arisen.
2. In our case, Kenya Power & Lighting Co. Ltd. took 5 years to come out with a amount of outstanding, which was exorbitant for which our complain was lodged.
- We also note that Kenya Power & Lighting Co. Ltd. took 3 years to demand the revised amount of Kshs.216, 569.80.
- Further, Kenya Power & Lighting Co. Ltd. did not take any steps to regularize our contract terms with them, having paid an amount of Kshs.5, 000/- (receipt no. 762273 dated 11.1.1994 refers) against transfer of the account in our name.
- The amount demanded was not taken into our production costs because, as stated in our letter of 19.4.2002, we had assumed regular receipts and payments made to bills from Kenya Power & Lighting Co. Ltd.
3. Despite our request for amicable solution (reference our letters of 2.7.1999 and 28.7.1999) Kenya Power & Lighting Co. Ltd. disconnected the power, placing us to a predicament restricting usage for constructive production.
- Due, to disconnection by Kenya Power & Lighting Co. Ltd. since September 1999, we had to hire a Generator, which costed us Kshs. 467,280.00 (which is inclusive of VAT) for the period from October 1999 to June 2002. Though you may say the power was used whence required by us but the hiring charges are for on daily basis. Fuel costs to run the machine amounted to Kshs. 144, 000.00.
4. Further, we regret to express our feelings that, Kenya Power & Lighting Co. Ltd. has used its position as a monopoly business to undermine the Consumer/s and dictate terms which are detriment to the Consumer. Our humble request to the respected Members of the Board is to award the judgment as prayed hereunder so that, the negligence/ mismanagement and irregularities of the licensee be curbed and not passed to the Consumer/s.
- In this respect, we would like to draw your attention for a similar problem against our water pump electricity account no. 173925-01 at the same premises, where the services are disconnected. Our correspondence in this regard is attached herewith for ease of reference, which hereby victimizes us.
5. We pray to the Board, for the award as under:
- The revised demand amount by Kenya Power & Lighting Co. Ltd. for Kshs. 216,569.80 be disallowed.
 - Electricity Power for our Borehole be reconnected as from now on the same account against our deposit payment dated 11.1.1994 for Kshs. 5,000/-.
- (iii) We should be compensated for the use of the generator and fuel cost amounting to Kshs.611, 280.00.
- (iv) We also request the Board to award us compensation against suffering for the last years since arbitrarily discontinuation of our services

- Copy of letter dated by the Licensee to the Consumer 8th April 1999.

The Consumer had also submitted a Supplementary Submission, which Mr. Mohamedali was asked to read. At this juncture the Licensee objected to the Supplementary Submission on the basis that the supplementary submission had not been served on the Licensee. The Consumer produced to the Board a letter endorsed with the Licensee's stamp dated 24th July, 2002, under cover of which the Supplementary Submission was delivered to the Licensee. The Licensee then withdrew its objection and apologized to the Board.

Mr. Zulfikar Mohamedali also read the Supplementary Submission.

Mr. Mohamedali read: -

SUPPLEMENTARY SUBMISSIONS

Further to our Submission, we would like to add the following as Supplementary Submission:

- We refer to the schedule of bills/ payment/ and credits allowed on our account (attached a summary of the same) on which we have marked the readings, which are comparatively excessive and in some respects exorbitant. The readings do not reflect a consistency in our consumption. The variations are far too convincing. But as mentioned in Kenya Power & Lighting Co. Ltd. letter of submissions dated 20.7.2002 about discharge of duty in equity, we would like to state that they never responded to our settlement of dispute amicably before we were forced to move for Arbitration.

As from the schedule and the above foregoing, we observe that the average consumption is in the region of Kshs.800/- per month. If Kenya Power & Lighting Co. Ltd. would have not prolonged their findings, we would have had cleared the outstanding as per the average consumption earlier and our billing regularized.

We believe that very few Consumers are aware of the Board, for addressing their grievances. If we were not aware of the Electricity Regulatory Board, we would have been forced to pay a colossal amount of Kshs.512, 746.60 as demanded by Kenya Power & Lighting Co. Ltd. vide their letter of 8.4.1999.

Nevertheless, we have prayed to waive off the revised amount by Kenya Power & Lighting Co. Ltd. as per the events, which took place outlined in our submissions.

2. In our submissions in Para no. 4, we have expressed our feelings towards the arbitrary manner in which, Kenya Power & Lighting Co. Ltd. conduct their affairs. We have several instances whereby we have been victimized for which, we are attaching correspondence of our sister company addressed to the Permanent Secretary Minister for Energy vide our letter dated 9.4.1999 the contents of which are self explanatory.

In this regard an amount of Kshs.1, 485,683.30 was wrongly raised in the bill and subsequently, after a lot of inconveniences the amount was rectified.

Dated: July 23, 2002.

WRITTEN SUBMISSIONS BY THE LICENSEE

The Chairman then invited the Licensee's representative to read out the Licensee's Submission. The Submission was read by Mr Joshua Mutua.

Mr. Joshua Mutua read:-

COMPLAINT BY AL - RABIHAH AGRICULTURAL INDUSTRIES LTD. ACCOUNT NO.1546151 (110454-01)

In reference to your letter dated 12.07.2002 we hereby submit as follows:

1. That the above named is our customer billed through the above account and others namely, account 173925-01, 110456-01 and 118393-01 served by meter Nos. 333089, 351136, 197537 and 111176 respectively all located in their farm on plot No 12610, Athi River.
2. That this dispute concerns account number 110454-01(1546151) meter no 333089, which serve their borehole.
3. That the customer purchased the farm from M/s Kenchic Ltd and requested us to transfer the 4 No. Accounts into their name.
4. That we transferred the 3 No. Accounts properly but due to an inadverter error the above captioned was not transferred into their name.
5. That we continued supplying electricity to the customer and he continued enjoying the service.
6. That although the customer had requested for 4 No. Accounts to be transferred, only 3 were transferred due to the problems cited above. The customer was therefore only receiving bills for 3 No. Accounts
7. That the bills for the fourth account were being sent to M/s Kenchic Ltd.
8. That the customer should have acted in good faith by informing us that they are not receiving bills on the fourth account.
9. That it is not in dispute that the customer consumed electricity on the above account from the time they took over the premises in 1992 to the time supply was disconnected in October 1999.
10. That at all material times it was within the customer's knowledge that the fourth account, which was serving the borehole under meter number 333089 existed. This is evidenced by their letter of 27th April 1999, a copy of which is annexed hereto and marked J M 1.
11. That the customer's letter of 2 July 1999, requesting us to confirm the accuracy of the bill only goes ahead to prove that the customer had owned up the bill. Annexed hereto and marked JM2 is a copy of the said letter.
12. That in response to the customers various letters we wrote to the customer vide ours Of 27th March 2000 advising that the correct bill was Kshs. 216,569.50 annexed hereto as JM3
13. That the customers wanted to have a further understanding of the said bill and hence requested for a breakdown vide their letter dated 18th April, 2000 annexed hereto as JM4 and we provided the same vide our letter dated 31st May 2000 annexed hereto as JM5.
14. That to the best of our knowledge the said bill was correct.

In view of the aforesaid it is our humble appeal, to the board to find that the said amount of Kshs. 216,569.50 is due and payable by the Customer and to order the customer to pay forth with.

Dated: July 19, 2002

End of Submission read by Mr. Mutua

The enclosures to this submission were:

1. Copy of letter by the Consumer to the Licensee dated 27th April 1999.
2. Copy of letter by the Consumer to the Licensee dated 2nd July 1999.
3. Copy of letter by the Consumer to the Licensee dated 2nd July 1999.
4. Copy of letter by the Consumer to the Licensee dated 18th April 2000.
5. Copy of letter by the Licensee to the Consumer dated 31st May 2000.
6. Copy of letter by the Licensee to ERB dated 19th April 2002.

At this point, the Licensee begged leave of the Board to read out a Supplementary Submission. The Supplementary Submission had not been filed with ERB nor sent to the Complainant. At 11.40 a.m., the Board adjourned the proceedings for 10 minutes to deliberate whether to grant leave or not. The Board reconvened at 11.50 a.m. and permitted the Licensee to read out the Supplementary Submission on condition that copies were immediately made available to the Board and the Consumer before the Supplementary Submission was read out. The proceedings were further adjourned for 15 minutes to enable copies to be made and distributed. The proceedings resumed at 12.05 p.m. and the Licensee representative, Mr. Joshua Mutua, proceeded to read the Supplementary Submission.

Mr. Joshua Mutua read: -

SUPPLEMENTARY SUBMISSIONS TO THE AL - RABIHAH AGRICULTURAL INDUSTRIES LTD. - ACCOUNT 1546151

The supplementary submission is in reference to the submission received from M/s Al-Rabiah Agricultural Industries dated 20th July 2002.

Customer consumption is not limited to the deposit, it serves as payment security. It means that the consumption above that is not financially secured.

The customer was aware of the meter that was not being billed or paid and would have taken that into account. He never acted prudently.

The supply was disconnected 5 months after our first notice.

For the disconnection, we acted within the provision of the Electric Power Act Section 63, which allows us to disconnect for failure to pay for electricity bills.

The use of generator was an independent decision by our customer that was not communicated to us neither to the ERB and it was at their own cost.

The use of the generator at a cost of Kshs. 467, 280 for a period of 33 months is far much more compared to the disputed bill of Kshs. 216, 569.80 for a period of 84 months.

The other complaint is extraneous to the matter and it will be ardently addressed.

In view of the aforesaid it is our humble appeal, to the board to find that the said amount of Kshs. 216,569.50 is due and payable by the Customer and to order the customer to pay forth with.

Dated: August 6, 2002

End of Supplementary submission read by Mr. Joshua Mutua.

This was the end of submissions made by the Consumer and the Licensee, and both parties confirmed that they had no further submission to make.

INTERROGATION BY THE BOARD MEMBERS

The parties were then examined by Board Members. In response to questions put to the Licensee, Mr. Joshua Mutua explained that it was not possible to show a breakdown of the amount of Kshs. 42,574.65 included to the statement dated 31st May 2000 attached to the Licensee's submissions and the corresponding bills between 1992 and 1995 because the billing system had been changed three times since 1992. That Kenchic Ltd did not pay the bills sent to them because they had sold the farm to the Consumer.

Mr. Mutua further explained that the Consumer continued to be supplied with electricity for the period between 1992 and 1999 without disconnection because the account records read "Kenchic", that the Licensee could not connect Kenchic with the account as the Licensee was aware Kenchic had moved to Isinya; that it was after investigations that the Licensee wrote to the Consumer the demand letter dated 8th April 1999; that the disconnection procedure involved the generation of disconnection orders by Computer on the date when the accounts were due for payment which procedure, had not changed to date; that the disconnection orders provided details of the name of customer, the outstanding amount and the meter; and that the Licensee was willing to install a check meter on the Consumer's premises and use the readings to arrive at new bills provided the meter had not been interfered with.

Mr. Mutua also explained that the initial amount of Kshs. 512 746.60 demanded in their letter of 8th April 1999 was partly made up of existing meter and partly non-existing meter readings or estimates. He further explained that non-existent meter meant that it once existed but was subsequently removed.

Mr. Mutua added that the billing system between 1992 and 1993 could accommodate two meters of the same tariff type; that after investigations the charges raised on the non-existent meter amounting to Kshs. 160, 312.44 were waived; that the Licensee gave the Consumer notice of disconnection through their letter of 8th April 1999 and disconnected the Consumer five (5) months later in October 1999, after the notice and failure to honour promises to pay current bills; that had the Consumer honoured the current bills and paid as proposed in their letter of 2nd July 1999, the Licensee would not have disconnected the Consumer's supply.

The Licensee's Chief Manager, Distribution and Customer Service, Mr. Benson Muriithi also responded to the questions put to the Licensee and explained that the key factor the disconnection personnel took into account while effecting disconnection orders was the customer's name and location;

that the disconnection personnel knew on a routine basis that the farm belonged to "Kenchic" and did not connect it with the Consumer; that the Licensee's system subsequently installed could provide the plot number and location because the knowledge of the customer by disconnection personnel was not sufficient.

Mr. Muriithi stated that it was after investigations that they found out that the farm belonged to the Consumer. He further admitted that the reliance by the Licensee on knowledge of the customer and location was a weakness in the Licensee's system.

Mr. Muriithi further stated that estimation was the appropriate procedure in the absence of a reading, provided that the correct reading was used when the meter was eventually read. He explained that the readings in certain months in the Consumer's account were estimated, and adjusted at the next reading to reflect the actual consumption.

Mr. Muriithi stated that even though the meter was read at the Consumer's premises, the account was in the name of Kenchic. He explained that the Licensee had no record that Kenchic brought to the Licensee attention the fact that the account no longer belonged to Kenchic.

Mr. Muritihi stated that various meetings were held between himself, Mr. Mutua and the Consumer to sort out the matter because the issue was the correctness of the bill and the amount that was due. He explained that the Licensee was willing to sort out the matter but the Consumer opted for the determination of the dispute by ERB.

In response to questions put to the Consumer, Mr. Hussein Ahmedali Hebatullah explained that the average bill of the account in dispute was eight hundred shillings (Kshs 800) per month. He stated that the Licensee should have checked the account number written on the receipt issued to the Consumer to know that the account did not belong to Kenchic.

Mr. Hebatullah stated that the Licensee should have provided the Consumer with copies of the bills sent to Kenchic. He further stated that the Consumer would have paid the bills to the Licensee in the same manner the Consumer's paid its other accounts numbering about three hundred (300).

Mr. Hebatullah denied that any negotiations were held between himself, Mr. Mutua and Mr. Muriithi to sort out the dispute as alleged. He stated that he had gone to see the said persons on a different matter which was solved, and the disputed account came out just as a "by the way". He explained that the Consumer would have been paying eight hundred shillings (Kshs 800) per month had the Licensee not disconnected the meter because the borehole's use was limited to drinking water. He added that they were not ready to pay anything to the Licensee because the Licensee subjected them to suffering after the Licensee disconnected the Consumer's electricity supply, and forced them to hire a generator which cost Kshs.467, 280.

In further response to questions put to the Consumer, Mr. Hussein Ahmedali Hebatullah explained that they did not pay the Licensee the revised amount of Kshs 216, 569.50 because the Consumer did not understand how the figure was made up.

Mr. Hebatullah stated that the Consumer did not deny consumption of electricity. He further stated that there was no need to install a check meter because the water from the borehole was for drinking by ten to fifteen people which could

not cost more than eight hundred shillings (Kshs. 800) per month. He added that they did not use the water for irrigation because it was uneconomical to do so.

At this point, both parties were asked if either had anything further to submit. Ms Beatrice Muendo, Chief Legal Officer of the Licensee, submitted that a person who comes to Electricity Regulatory Board for equity must come with clean hands, and that the the Consumer was not seeking remedy with "clean hands", having been supplied with electricity and refusing to pay anything. She sought to rely on a legal precedent, the case of *Tinsley Vs Milligan [1993] 3WLR 126, [1993] 3All ER 65 House of Lords* an extract of which was submitted but from an unidentified source.

THE CONSIDERATION BY THE BOARD

1.0 ISSUES NOT IN DISPUTE

It is not in dispute that:

- 1.1 The Consumer took over occupation of the premises known as plot number 12610, Athi River. The premises were previously occupied by Kenchic Ltd. The premises were supplied with electricity through four electricity meters located in the premises which were allocated the following account numbers:-
 - (a) Water pump - Account Number 351136
 - (b) Farm House – Account Number 197537
 - (c) Office Block - Account Number 111176
 - (d) Borehole – Old Account Number 154627152, New Account Number – 110454 – 01
- 1.2 On 11th January 1994, the Consumer applied to transfer the account in dispute, paid five thousand shillings (Kshs 5,000), was issued with a receipt and the Licensee failed to transfer the said account number to the Consumer's name.
- 1.3 On 18th May 1995, the Consumer paid an amount of Kshs 11,045.35 to the Licensee. This was for the borehole, old account number 154627152, new account number 110454 – 01.
- 1.4 On 8th April 1999 the Licensee made a formal demand to the Consumer for payment of Kshs 512,746.60 being the accrued electricity bills from 1992 to 1999.
- 1.5 On 27th April 1999, the Consumer disputed the amount of Kshs 512,746.60 demanded by the Licensee, by requesting the Licensee to re-check the meter and questioned why bills had been sent to Kenchic Ltd, whereas they had been receiving bills for the other three accounts mentioned above.
- 1.6 The Licensee did not respond to the Consumer's letters until 27th March 2000.

1.7	The Licensee disconnected electricity supply to the Consumer in October 1999 before responding to the Consumer's letters questioning the amount demanded and the proposal to pay current bills pending the resolution of the dispute.	3.4	The reasons for non-disconnection of electricity by the Licensee to the Consumer between 1992 and 1999. Do the reasons given show reasonable and justifiable conduct of a conscientious electricity supplier?
1.8	The Licensee did not send any bills for the disputed account to the Consumer.	3.5	The reasons for non-payment by the Consumer of electricity consumed between 1992 and 1999. Are the reasons given sufficient to excuse the Consumer from making any payment?
1.9	On 27 th March 2000, the Licensee responded to the Consumer's letters explaining the make – up of the demanded amount of Kshs 512,746.60.	3.6	Did the Consumer act in good faith with regard to the existence of Meter No. 333089 for the Borehole on its plot?
1.10	In the said letter the Licensee explained that the amount of Kshs. 512, 746.60 had been reduced to Kshs 216,569.80 after waiving a total of 28,776 kWhrs raised against a non-existent meter number 171270 attributed to the Consumer in error from March 1995 to March 1997 in the sum of Kshs. 160,312.44 and after waiving a total of 515 kWhrs for the months of January and February 2000 raised through estimations.	3.7	Is there a basis for entertaining the counter claim for the use of a generator?
1.11	The Consumer's Borehole was on supply from 1992 to 1999.		
2.0	ISSUES IN DISPUTE	4.0	THE REGULATORY ISSUE
	The main issues in dispute are:		Under Section 63 of the Act, the Licensee is permitted to disconnect electricity to a Consumer for non-payment. The Section provides as follows:
	<p>2.1 The computation of the outstanding amount of Kshs. 216,569.80; and the Consumer claims that computation should be at the rate of eight hundred shillings (Kshs. 800) per month.</p> <p>2.2 The basis of variations in the figures set out in the Licensee's letter dated 31st May 2000 are unexplained.</p> <p>2.3 The bona fides of both parties.</p>		<p><i>"If any public or local authority, company, person or body of persons neglects to pay any charge for electrical energy or any other sum due from him or them to the Licensee in respect of the supply of electrical energy, the Licensee may, after giving not less than fourteen days' notice in writing to such authority, company, person or body of persons, and without prejudice to his right to recover such charge or sum, cut off such supply, and for that purpose may cut or disconnect any electric supply line or other works through which electrical energy may be supplied, and may supplied, and may, until such charge or other sum, together with any expenses incurred by the Licensee in cutting off such supply of electrical energy as aforesaid and any lawful charges for or incidental to reconnection, are fully paid, but no longer, discontinue the supply of electrical energy to such authority, company, person or body of persons:</i></p> <p><i>Provided that, where any company, person or body of persons has given to the Licensee a deposit as security for payment for the supply of electrical energy, the Licensee may at any time while any such charge or other sum remains unpaid after notice as aforesaid:</i></p> <p>(i) apply such deposit in or towards payment thereof; or</p> <p>(ii) discontinue the supply of electrical energy to such company, person or body of persons; or</p> <p>(iii) apply such deposit towards payment thereof payment thereof and if any part of such charge or other sum remains unpaid thereafter discontinue the supply of electrical energy to such company, person or body of persons,</p>
3.0	ISSUES TO BE DETERMINED BY THE BOARD		
	The Board should determine the genuineness of:		
	<p>3.1 The make up of the amount of Kshs. 42,574.65 brought forward in March 1995. Is the reason given by the Licensee for inability to provide a break down of this sum plausible?</p> <p>3.2 The itemized amounts totaling to Kshs. 216,569.80 set out in the Licensee's letter dated 31 March 2000. Is the reason given by the Licensee on the make- up of this amount, i.e. estimated amounts and actual readings, plausible?</p> <p>3.3 The non-transfer of the account in dispute by the Licensee to the Consumer in 1994. Is the blame for failure to transfer apportionable between the Licensee and the Consumer?</p>		

- (iv) Until such charge or other sum together with any expenses incurred in disconnecting such supply and any lawful charges for or incidental to the reconnection thereof have been paid.

APPLICATION OF THE LAW TO THE FACTS IN DISPUTE

1. The Licensee is permitted by law to disconnect electricity to the Consumer for non-payment of any charge for electrical energy.
2. The Licensee is demanding the amount of Kshs. 216,569.80 being charges for electrical energy consumed by the Consumer between 1992 and 1999.
3. The Licensee is permitted by law to disconnect electricity after giving not less than fourteen days notice in writing to the Consumer.
4. The Licensee relied on the notice given on 8th April 1999 to disconnect the supply in October.

5.0 THE FINDINGS OF THE BOARD

The Board's findings on the issues in dispute are:

- 5.1 The Licensee brought forward Kshs 42,574.65 in March 1995. The Licensee did not provide the make up of the said sum of Kshs. 42,574.65, on the basis that the billing system had changed and the records were not available. The Licensee was aware of this dispute since 1995 and should have made every effort to provide details of the lump sum of Kshs. 42,574.65. The Board is not satisfied that the Licensee made any effort, and finds that Licensee has not justified its entitlement to this amount. However, on 18th May 1995, the Consumer paid an amount of Kshs. 11,045.35. Therefore, the make up of the amount not proved by the Licensee reduces to Kshs. 31,529.30.
- 5.2 As to the rest of the Kshs. 216,569.80 demanded by the Licensee (Kshs. 216,568.80 – Kshs. 31,529.30), we find that the onus is on the Consumer to give a reasonable basis for disputing the amount demanded. It is not sufficient for the Consumer to refuse to pay on the grounds that his own estimate of consumption is Kshs. 800 per month without more. The Consumer did not produce any bills for Kshs. 800 or thereabouts, and the deposit paid by the Consumer in 1994 was Kshs. 5000, which, assuming that this covered two and half months consumption, would put the estimated monthly consumption at the time to Kshs. 2000. The Consumer did not object to payment of this deposit at the time, and the Board finds the Consumer's estimate of Kshs. 800.00 as an after thought, and accordingly rejects the same as a basis to refute the Licensee's charges
- 5.3 By 1995, the Licensee had become aware that the account belonged to the Consumer and that the supply was not being paid other than the one payment of Kshs. 11,045.35 made by the Consumer on 18th May, 1995. The Licensee however, retained the Consumer on supply until October 1999, when the supply was disconnected. It is a mystery that the Licensee's automated systems did not prompt a disconnection notice not just on the first default, but on the subsequent defaults over a period of 84 months during which the account remained unpaid! This smacks of negligence unbecoming of a conscientious essential service provider. Moreover, on 27th April, 2nd and 28th July 1999, the Consumer reminded the Licensee, but the Licensee only chose to respond on 27th March 2000 and only after the Consumer wrote to the Permanent Secretary Ministry of Energy. If the Licensee had done his work conscientiously, this complaint would not have been filed. The Board has considered several options for sanctions against the Licensee for this negligence. The Board is of the view that the Licensee has incurred financial penalties from its own negligence and finds that other than the payment of the totality of gazettement charges, no other penalties will be imposed against the licensee.
- 5.4 The consumer enjoyed the supply from 1992 to 1999, and during that period, only paid in 1995, the sum of Kshs. 11,045.35. The Consumer knew the account number but did not offer to pay on account for the supply, even according to his own monthly estimate of Kshs 800. We leave it to conjecture the origin of the precise sum of Kshs. 11,045.35 paid by the Consumer, as no submission was made on this point but suffice it to say that the Consumer could not have been under any impression that he was receiving the supply *gratis!* The Board finds the Consumer to have acted unreasonably in relation to the supply the Consumer received over that period.
- 5.5 The Board finds it incredulous that, having been disconnected for failure to pay Kshs. 216,569.80, the Consumer willingly spent a total of Kshs. 611,280.00, i.e. Kshs. 467,280.00 to hire a generator, and Kshs 144,000.00 to purchase fuel oil to run the generator between October 1999 and June 2002, a period of 33 months! The Board rejects in total this submission by the Consumer. The Board therefore finds the expenditure of Kshs. 611,280.00 imprudent and not reimbursable by the Licensee.
- 5.6 With regard to the notice of disconnection contained in the Licensee's letter to the Consumer dated 8th April, 1999, we find that the period that elapsed from then to

October 1999 when the disconnection was effected was "a period of grace" and the Licensee was not required to give another notice of disconnection.

6.0 THE DECISION OF THE BOARD

6.1 The Licensee be and is hereby censured for neglecting to :--

- (a) Transfer the borehole account number 110454 - 01 (old account number 154627152) on payment of Kshs 5,000 by the Consumer for which the Licensee issued receipt number IF171 - 762273 dated January 11, 1994 for Kshs 5000; and
- (b) Respond to the letters from the Consumer dated 27th April, 1999, 2nd July, 1999, 28th July 1999 until 27th March 2000.

6.2 The amount of Kshs 216,569.80 claimed by the Licensee is reduced by the unproved amount of Kshs. 31,529.30. Therefore, the Consumer (Al Rabiah Agricultural Industries Ltd.) shall pay to the Licensee the amount of Kshs. 185,040.50 being the difference between the amount of Kshs. 216,569.80 and Kshs. 31,529.30, within fourteen (14) days of Gazetttement of this decision.

6.3 The Licensee may reconnect electricity to the Consumer's borehole in accordance with the Electric Power Act, 1997 after payment of the amount of Kshs. 185,040.50, and the applicable reconnection fee.

6.4 The Licensee will pay to Electricity Regulatory Board (ERB) the costs of Gazetttement of the hearing notice and the decision. The payment shall be made within fourteen (14) days of Gazetttement of this decision.

6.5 The Consumer will not be compensated either for the hire of the generator and fuel cost amounting to Kshs. 611,280.00 or for alleged suffering arising from disconnection of electricity.

By Order of the Electricity Regulatory Board.

Dated the 27th August, 2002.

J. K. MURITHI,
Chairman,
Electricity Regulatory Board.
