The Commissioner of Lands shall not give his approval unless he is satisfied that the proposals are such as to develop the land adequately and satisfactorily.

2. The lessee shall, within six (6) calendar months of the actual registration of the lease submit in triplicate to the local authority and the Commissioner of Lands plans, (including block plans showing the positions of the buildings and system of drainage for the disposal of sewage, surface and sullage water), drawings, elevations and specifications of the buildings the lessee proposes to erect on the land and shall, within twenty-four (24) months of the actual registration of the lease, complete

the erection of such buildings and the construction of the drainage system in conformity with such plans, drawings, elevations and specifications as amended (if such be the case) by the Commissioner of Lands.

Provided that notwithstanding anything to the contrary contained in or implied by the Government Lands Act, if default shall be made in the performance or observance of any of the requirements of this condition it shall be lawful for the Commissioner of Lands or any person authorized by him on behalf of the President to re-enter into and upon the land or any part thereof in the name of the whole and thereupon the term hereby created shall cease but without prejudice to any right of action or remedy of the President or the Commissioner in respect of any antecedent breach of any condition herein contained.

3. The lessee shall maintain in good and substantial repair and condition all buildings at any time erected on the land.

4. Should the lessee give notice in writing to the Commissioner of Lands that he is unable to complete the buildings within the period aforesaid, the Commissioner of Lands shall (at the lessee's expense) accept a surrender of land comprised herein:

Provided further that if such notice as aforesaid shall be given—

(a) within twelve (12) months of the actual registration of the lease, the Commissioner of Lands shall refund to the lessee fifty (50) per cent of the stand premium paid in respect of the land; or

9. The lessee shall pay to the Commissioner of Lands on demand such sum as the Commissioner of Lands may estimate to be the proportionate cost of constructing all roads and drains and sewers serving or adjoining the land and shall, on completion of such construction and the ascertainment of the actual proportionate cost either pay (within seven (7) days of demand) or be refunded the amount by which the actual proportionate cost either exceeds or falls short of the amount paid as aforesaid.

10. The lessee shall from time to time pay to the Commissioner of Lands on demand such proportion of the cost of maintaining all roads and drains serving or adjoining the land as the Commissioner of Lands may assess.

11. The lessee shall pay such rates, taxes, charges, duties, assessments or outgoings of whatever description as may be imposed, charged or assessed by any Government or local authority upon the land or buildings erected thereon including any contributions or other sum paid by the President of the Republic of Kenya in lieu thereof.

12.
