GAZETTE NOTICE NO. 2739

THE TRADE MARKS ACT
(Cap. 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T.M. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he

may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

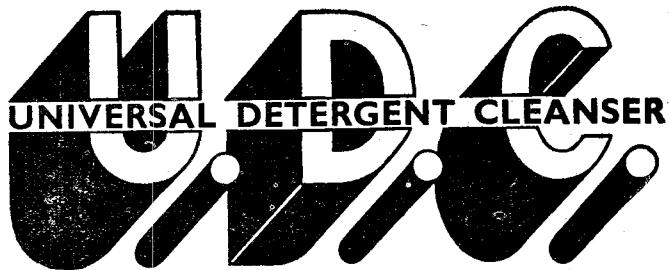

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Offices, Nairobi.

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number.

GAZETTE NOTICE No. 2754

THE INDUSTRIAL COURT

CAUSE NO. 26 OF 1968

Parties:

Kenya Chemical Workers' Union

and

East African Portland Cement Company Limited

Issues in Dispute:

- (1) Annual Paid Leave.
(2) Notice Period.

1. The Kenya Chemical Workers' Union shall hereinafter be referred to as the Claimants and the East African Portland Cement Company Limited shall hereinafter be referred to the Respondents.

2. The Parties were heard in Nairobi on the 30th day of July 1968, and relied on their written and verbal submissions.

AWARD

6. After a careful consideration of all the submissions made by the Parties the Court makes the following award on the issues in dispute:—

(1) *Annual Paid Leave.*—At present the Respondents' employees are entitled to 21 working days by way of annual paid leave. The Claimants have demanded that this benefit should be increased so that those employees who have served the Respondents for six years and over should get 28 consecutive days' leave per year. Their main argument was that this would achieve uniformity between the Respondents and the other cement factory at Bamburi. The Court, however, cannot accept this argument. The employees at Bamburi are entitled to the following benefit under this item:—

- (a) An employee who has completed one year or more but less than five years' continuous service with the Company shall be entitled to 21 consecutive days' paid leave after the completion of every 12 months' continuous service.
- (b) An employee who has completed five or more years' continuous service with the Company shall be entitled to 28 consecutive days' paid leave after the completion of every 12 months' continuous service.
- (c) In the event of gazetted public holidays falling within the leave period such public holidays shall be added to the leave entitlements.
- (d) The date of an employee's leave shall normally fall after the completion of every 12 months' service from his/her date of engagement."

The Claimants made it quite clear that they would not accept any amendment to the present entitlement of 21 working days. In view of this the Court fails to see how uniformity can be achieved. If the Claimants' demands were to be accepted it would only lead to "leap frogging" as they have stated that they were opposed to one common agreement, regulating wages and terms and conditions of service for both the Respondents' employees and those of Bamburi Portland Cement Company Limited.

In view of this and after a careful consideration of all the other submissions the Court has decided to make a nil award on this issue.

(2) *Notice Period.*—The Court awards that:—

- (a) The services of an employee who has completed five years' service or less shall be terminable by not less than one month's notice to be given by either party in writing, or otherwise by the payment by either party, in lieu of notice, of not less than one month's wages.
- (b) The services of an employee who has completed more than five years' service, shall be terminable by not less than two months' notice to be given by either party in writing, or otherwise by the payment by either party, in lieu of notice, of not less than two months' wages.

Given in Nairobi this 15th day of August 1968.

President.
