## EAST AFRICAN RAILWAYS AND HARBOURS

## NOTICE

THE East African Railways and Harbours announce that with effect from midnight on Monday, 31st December, 1962, their port at Butiaba will be permanently closed and their marine services which previously operated between Butiaba and Pakwach, Kasenyi and Mahagi, permanently withdrawn. A river service between Pakwach and Rhino Camp will be maintained but it is regretted that flooding does not allow of other ports on the West Nile being served.

It is expected that the new railway between Lira and Gulu—with intermediate stations at Otwal and Opit—will be open for the carriage of goods traffic, under construction conditions, by 1st February, 1963.

As from 15th January, 1963, a new traffic point will be opened at Pakwach East Bank and a temporary road service instituted between this point and Gulu station. On and from that date traffic will be accepted for carriage to and from Pakwach East Bank and Rhino Camp by this route. Between 1st January and 15th January, 1963, there will be no service connecting Pakwach with the rest of the East African Railways and Harbours system.

A road service for the carriage of goods traffic between Hoima/Masindi and Kampala and a local passenger service between Masindi and Butiaba will continue in operation after the withdrawal of the existing through services via Butiaba.

For General Manager.

THE TRADE MARKS ORDINANCE, 1955  
(No. 51 of 1955)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on form TM No. 6 (in duplicate) together with a fee of Sh. 50.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him an opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks herein advertised can be seen at the Trade Marks Registry, Crown Law Office, Nairobi.

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number.
