Special Conditions

1. No buildings shall be erected on the land nor shall additions or external alterations be made to any buildings otherwise than in conformity with plans and specifications previously approved in writing by the Commissioner of Lands and the local authority. The Commissioner of Lands shall not give his approval unless he is satisfied that the proposals are such as to develop the land adequately and satisfactorily.

2. The grantee shall within six (6) calendar months of the actual registration of the lease submit in triplicate to the local authority and the Commissioner of Lands plans (including block plans showing the position of the building and the system of drainage for the disposal of sewage, surface and sullage water), drawings, elevations and specifications of the buildings the grantee proposes to erect on the land and shall within twenty-four (24) months of the actual registration of the grant complete the erection of such buildings and the construction of the drainage system in conformity with such plans, drawings, elevations and specifications as amended (if such be the case) by the Commissioner of Lands.

Provided that notwithstanding anything to the contrary contained in or implied by the Government Lands Act, if default shall be made in the performance or observance of any of the requirements of these conditions it shall be lawful for the Commissioner of Lands or any person authorized by him on behalf

5. The grantee shall not subdivide the land without prior written consent of the Commissioner of Lands.

6. The grantee shall not sell, transfer, sublet, charge or part with the possession of the land or any part thereof or any building thereon except with prior consent in writing of the Commissioner of Lands. 8. The grantee shall from time to time pay to the Commissioner of Lands on demand such proportion of the cost of maintaining all roads and drains serving or adjoining the land as the Commissioner of Lands may assess.

9. Should the Commissioner of Lands at any time require the said roads to be constructed to a higher standard, the grantee shall pay to the Commissioner on demand such proportion of the cost of such construction as the Commissioner may assess.

10. The grantee shall pay such rates, taxes, charges, duties, assessments or outgoings of whatever descriptions as may be imposed, charged or assessed by any Government or local authority upon the land or the buildings erected thereon, including any contribution or other sum paid by the President of the Republic of Kenya, in lieu thereof.

11. The President of Kenya or such person or authority as may be appointed for the purpose shall have the right to enter upon the land and lay and have access to water mains, service pipes and drains, telephone or telegraph wires and electric mains, of all descriptions whether overhead or underground and the grantee shall not erect any building in such a way as to cover or interfere with any existing alignment of mains or service pipes, telephone or telegraph wires and electric mains.

12. The land shall not be used for the purposes of any trade or business which the Commissioner of Lands considers to be dangerous or offensive.

13. The Commissioner of Lands reserves the right to revise the annual ground rental payable hereunder after the expiration of the thirty-third (33rd) and sixty-sixth (66th) year of the term granted. Such rental will be at the rate of 4 per cent as assessed by the Commissioner of Lands.

GAZETTE NOTICE NO. 4992

THE INDUSTRIAL COURT

CAUSE NO. 40 OF 1986

Parties:

Kenya Union of Commercial Food and Allied Workers
and
Dandora Tanners Limited

Issue in dispute:

Recognition agreement.

THE Kenya Union of Commercial Food and Allied Workers shall hereinafter be referred to as the claimants and Dandora Tanners Limited shall hereinafter be referred to as the respondents.

2. This dispute was mentioned on 30th May, 1986, and the hearing was fixed for 24th September, 1986, on which date the respondents failed to attend the court and the hearing was adjourned to 31st October, 1986 and the court wrote to the respondents informing them of the new date of hearing and further warned them that if they fail to attend the court during the hearing, the court will proceed with the hearing in their absence.

On 31st October, 1986, when the dispute came up for hearing the respondents again failed to attend the court and the hearing proceeded as scheduled in their absence.

AWARD

3. The Notification of Dispute Form "A" dated 21st February, 1984, duly signed by the parties was received by the court on 29th April, 1986 together with the statutory certificate signed by the Labour Commissioner.

The claimants are seeking recognition from the respondents on the grounds that the respondents' activities fall within the claimants' constitution. The respondents are exporters of hides and skins.

The claimants stated that the 16 employees in the respondents' undertaking had voluntarily joined them and that they pay union dues regularly through the check-off system. They further stated that they have in their membership 95 per cent of employees in the respondents' undertakings.

The court notes that the Ministry of Labour's findings and recommendations state that:

1. The investigations have revealed that all the employees of the company including supervisors are members of the union and they are paying their dues to the union direct since the company refused to effect deductions from their salaries.

2. It is true that the company's main business is to export hides and skins. In fact Kenya Union of Commercial Food and Allied Workers is the right union to represent the workers of the company.

3. The company has a total labour force of 12 employees and this does not preclude the company from recognizing any appropriate union.

After careful consideration of the claimants' submissions and the Ministry of Labour's findings and recommendations, the court awards that the claimants should be recognized by the respondents and orders that the parties should sign the recognition agreement within three (3) months after the date of the court award.

Given in Nairobi on 31st October, 1986.

SAEED R. COCKAR,
Judge.

G. M. OMOLO,
S. M. MAITHYA,
Members.

GAZETTE NOTICE No. 4993

THE TRADE MARKS ACT

(Cap. 506)

NOTICE is given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within sixty (60) days from the date of this Gazette, lodge notice of opposition on form TM. No. 6 (in duplicate) together with a fee of KSh. 50.

Notice is also given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the registrar as he thinks fit and upon such terms as he

may direct. Any request for such extension should be made to the registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him an opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant

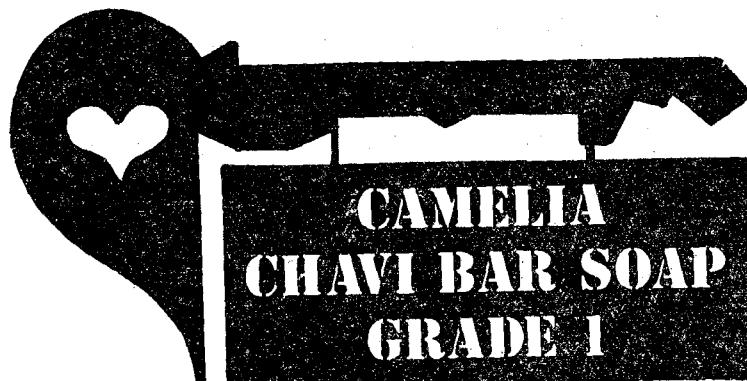

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Office, Nairobi.

PRICING OF THE ISSUES

The pricing of the issues and the effective interest rate will be determined through tender. To guide the applicants, yield tables are attached to the application forms, but investors are free to quote prices within two (2) decimal points, using the following examples:

A two-year Treasury Bond Due in 1988 with a coupon of 12 per cent per annum, and a price of 98.33 will give a yield of 12.97 per cent per annum. For a price of 99.90 the yield will be 12.06 per cent per annum paid semi-annually which means the annual payment equivalent is 12.12 per cent per annum.

The five-year Treasury Bond Due in 1991, with a coupon of 13 per cent per annum at a price of 98.20 would give a yield of 13.51 per cent per annum, and for a price of 96.49 the yield will be 14 per cent per annum. (This 14 per cent translates into 14.49 per cent paid annually.)

These Treasury Bonds are an investment authorized in the Republic of Kenya, by the Internal Loans Act (Cap. 420).

Interest will be payable half-yearly on 28th May and on 28th November by interest warrants, which will be forwarded by post to the bond holder's last known address or to any other person, bank or firm named by him. Interest payments will be subject to the deduction of income tax in accordance with laws of the Republic of Kenya.

The issue will consist of two bonds. The two-year bond will be repaid at par not later than 28th November, 1988, in Nairobi, in local currency, and the five-year bond will be repaid at par not later than 28th November, 1991, in Nairobi, in local currency.
