- Income and Expenditure Account.
- Balance Sheet.
- Pensions Fund Account.
- List of Debtors and Creditors in respect of Contributions.
- Statement of Investments.

I have examined the attached Balance Sheet and Statements of Account in accordance with the provisions of the African Teachers Service Ordinance, 1954. I have obtained all the information and explanations that I have required and I certify, as a result of my audit that in my opinion the attached Balance Sheet and Statements of Account are correct subject to the comments contained in my attached report dated 1st September, 1959.

Nairobi,
1st September, 1959.

C. W. HODGES,
Controller and Auditor-General.

REPORT BY THE CONTROLLER AND AUDITOR-GENERAL ON THE ACCOUNTS OF THE AFRICAN TEACHERS PENSIONS FUND FOR THE YEAR ENDED 31ST DECEMBER, 1958

The Board of Management of the Fund was established on 1st October, 1958, by Gazette Notice No. 3572 of 2nd October, 1958. Previous to the establishment of the Board of Management executive work was undertaken by the Chairman and the Secretary.

2. During the period covered by this report and in previous periods of account, pensions were granted to persons who did not come within the definition of a teacher given in the African Teachers Service (Contributory Pensions Fund) Regulations, 1957. A wider definition of a teacher which would have covered the persons concerned is now given in the African Teachers Service (Contributory Pensions Fund) (Amendment) Regulations, 1959, published as Legal Notice 157 in the Kenya Gazette Supplement of 21st April, 1959.

3. The actuarial valuation of the Fund required by Regulation 32 of the African Teachers Service (Contributory Pensions Fund) Regulations, 1957, has not yet been made. Reference to this omission has been made in my previous reports on the accounts of the Fund.

4. In accordance with a resolution passed by Legislative Council on 1st November, 1955, Government guaranteed to pay into the fund the appropriate contribution in respect of the past service of teachers admitted to the pension scheme either in one sum or by instalments over a period of years when the Government Actuary's calculation based on revised numbers and salaries had been made. No payment to the fund has yet been made.

5. Section 5 (3) of the Regulations provides that the Government will be reimbursed with a sum representing the expenses incurred by Government in the administration of the Regulations as assessed annually on 31st December, by the Director in consultation with the Secretary to the Treasury. As far as I am aware the amount charged in the accounts and paid to Government has not been agreed as required by the Regulations. Also certain expenditure incurred by Government has not been reimbursed and this matter is under correspondence with the Chairman.

1st September, 1959.

Controller and Auditor-General,

GAZETTE NOTICE NO. 4776

THE TRADE MARKS ORDINANCE, 1955
(No. 51 of 1955)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any the Trade Marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on form TM No. 6 (in duplicate) together with a fee of Sh. 50.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him an opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Representations of the marks herein advertised can be seen at the Trade Marks Registry (Room 44), Central Government Building, Nairobi.
