**THE INDUSTRIAL COURT**

CAUSE NO. 36 OF 1976

Parties:—

Kenya Union of Commercial Food & Allied Workers  
and  
Pan Africa Insurance Co. Ltd.

Issue in dispute:—

Winding up of the current Provident Fund Scheme and transfer of the money to Credit and Saving of the employees' Co-operative Union.

1. The Kenya Union of Commercial Food & Allied Workers shall hereinafter be referred to as the Claimants and Pan Africa Insurance Co. Ltd. shall hereinafter be referred to as the Respondents.

2. The parties were heard in Nairobi on the 15th day of July, 1976, and relied on their written and verbal submissions.

**AWARD**

3. The Notification of Dispute Form "A" dated 6th April, 1976, duly signed by the parties was received by the Court on 3rd June along with the statutory certificate signed by the Labour Commissioner.

The Respondents are a limited liability company incorporated in Kenya having a registered head office in Mombasa. Their original business name was Indo-Africa Insurance Co. Ltd. which was changed to their present name.

The Respondents operate a Provident Fund Scheme for their employees under a Trust Deed created in 1954.

The Fund is managed by Trustees who operate under the general supervision, direction and control of the Board of Directors of the Respondents. The Court was told that when an employee is engaged he is told that on the completion of the probationary period he will become eligible to enter a Provident Fund and if he desires to do so then he has to inform the Personnel Officer of his intention and complete the application forms.

The Court is satisfied that the above Provident Fund had been approved by the Labour Commissioner way back in 1955 and the subsequent amendments to Rule 41 (a) were also approved by the Labour Commissioner.

However, the Court cannot ascertain when the Trust Deed was actually executed as the Deed bears no actual date of the signatures. The Labour Commissioner had touched this point on 2nd June, 1959, in a letter which he wrote to the Respondents on that date. The Labour Commissioner stated that he had approved the Fund scheme on 5th January, 1955, it having been forwarded to him under cover of a letter dated 22nd December, 1954, from A. B. Patel & Patel, advocates.

Towards the end of 1973 according to the Claimants the vast majority of the members of the Fund began to agitate for it to be wound up with subsequent pay outs of the contributions to the members. The main reason for this demand was that the members could not use the money standing to their credit as security for loans for buying houses or for other purposes as such a thing is not allowed by the Deed and the Respondents had refused to grant loans to the members against the money lying in the Fund to their credit as security.

The Claimants want the moneys lying to their credit in the Fund to be transferred to the Credit and Saving Co-operative Union as they would then be able to get loans as and when needed by them.

The matter was referred to the Ministry of Labour where a partial agreement was reached in the presence of a Conciliator in the following terms:—

- (a) The 76 members of the staff Provident Fund should be allowed to opt out of the fund.
- (b) The Board of the Fund be convened immediately but not later than 31st March, 1976, to consider the decision as contained in (a) above.
- (c) Both parties further agree that they should meet at the labour office on 2nd April, 1976, at 9 a.m., where the outcome of the said meeting would be conveyed."

On 25th March, 1976, the Respondents informed the Ministry of Labour that the Board of Directors at their meeting held on 24th March considered the matter fully and decided that the terms and conditions of the Provident Fund Deed should be observed and no payment be made to members who had indicated their desire to opt out of the scheme.

During the hearing the Claimants acknowledged the fact that at the time of the introduction of the National Social Security Fund the workers all over the country had pressed for the payment out to them of moneys lying to their credit in the Provident Fund schemes in the private sector but the Government had been the main objector to winding up of such schemes as it was felt that the funds were invested in many projects which would be adversely affected if money was withdrawn and paid out. The Claimants said that the workers were shocked to learn later that most of the money involved was invested overseas, even in South Africa and Rhodesia. However, as far as the Respondents' Scheme is concerned and the funds accumulated thereunder the Claimants stated that they had been reliably informed that funds were invested locally but maintained that they were managed in a rather dubious manner.

The Claimants criticized the Respondents for on the one hand saying that they had no objection to the Fund being wound up and on the other hand that they are unable to pay out the money because of the provisions of the Trust Deed. They pointed out that the bulk of the members of the Fund including several management staff no longer contributed towards the Fund since August, 1975. The Claimants asked the Court to award that the Respondents should pay out all the money lying to the credit of the workers to their Credit and Saving Co-operative Union.

The Respondents stressed that the purpose of the staff Provident Fund is to act as a reserve into which contributions are made and out of which, upon retirement or termination of

service or death, benefits are paid; and further the Fund had not been established for the purposes of loans nor was it to be used as security for acquiring loans.

The Respondents stated that every employee could demand to read the Trust Deed and that it was not proved as alleged by the Claimants that the workers bind themselves blindly to the Trust Deed. They referred the Court to various articles of the Trust Deed particularly to Article 42 which reads as follows:—

#### *"Claims upon the Fund"*

No person whether a member of the Fund or otherwise shall have any claim, right or interest upon or in respect of the Fund or any contributions hereto or any part thereof or any claim upon or against the Company or the Trustees except under and in accordance with the provisions of this Deed."

Finally the Respondents submitted that the parties to the dispute have a collective agreement which expires in December, 1976 and that clause 6 of this agreement which covers redundancy also covers Provident Fund. This paragraph reads as follows:—

#### *"Redundancy"*

(c) The Company's Provident Fund Scheme in existence at the time of signing this Agreement shall remain in force in accordance with the rules and regulations of the Scheme as may be determined from time to time."

The Respondents requested the Court to reject the Claimants' demand.

The Court has given anxious thought to this dispute and to begin with would like to point out to the Claimants that the Provident Fund Trust Deed is not a collective agreement which can be either created, amended or modified by the Industrial Court. As the name implies, it is a Trust Deed and trust deeds are operated strictly in accordance with the rules made therein.

Article 40 of the Trust Deed reads as follows:—

#### *"Alteration of the Terms of this Deed"*

Any article or provision of this Deed can be amended or rescinded and a new article or articles substituted therefor by a resolution of the Trustees to that effect provided (i) such resolution is approved by the majority of members present and voting at a meeting of which all members for the time being shall have not less than 14 days notice stipulating that the purpose or one of the purposes of the meeting is to approve such resolution. (ii) Such resolution is approved by the Company, (iii) and such resolution is in accordance with the law for the time being affecting Provident Scheme."

The Court cannot override the provisions of the Trust Deed.

Apart from the above the Claimants' demand must fail because in the current collective agreement they have agreed that the Respondents Provident Fund Scheme in existence at the time of signing of the agreement shall remain in force in accordance with the rules and regulations of the scheme as may be determined from time to time. The Claimants are clearly barred in applying for the winding up of this scheme during the life of the aforesaid collective agreement which is due to expire in December, 1976.

One further reason why the Court cannot accept the Claimants' demand is the fact that the 76 employees who are asking for the pay out of the moneys lying in the fund have a minority holding to their credit a sum of Sh. 242,873/10 out of the entire total of Sh. 1,211,707.

The Court appreciates the vigorous submission which was made by the Claimants' representative during the hearing but after careful consideration of the submissions the Court rejects the Claimants' demand.

Given in Nairobi this 13th day of September, 1976.

GAZETTE NOTICE No. 2821

## THE TRADE MARKS ACT

(Cap. 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T.M. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Office, Nairobi.

Applications for registration in Part A of the Registrar are shown with the official number unaccompanied by any letter. Application for Part B are distinguished by the letter B prefixed to the official number.

The undermentioned applications are proceeding in the name of EXXON CORPORATION, a corporation organized and existing under the laws of the State of New Jersey, United States of America, and having a principal place of business at 1251 Avenue of the Americas New York, New York, United States of America. **INDEX TO  
MANUFACTURERS AND  
PRODUCTS**

**THIRD EDITION 1972**

**PUBLISHED BY  
MINISTRY OF COMMERCE  
AND INDUSTRY**

This edition illustrates the pace of progress and industrial advancement which Kenya has made since independence in 1963.

Besides underlining the record of industrial progress in recent years, the Index aims at bringing to the notice of buyers within Africa and overseas the diversity of products available in Kenya and the scope for mutually profitable business opportunities that exist. The Index, therefore, is a standard book of reference on what Kenya can produce and make and should, therefore, be useful to businessmen and students for the valuable information that it contains.
