GAZETTE NOTICE NO. 4688

THE INDUSTRIAL COURT

CAUSE NO. 49 OF 1987

Parties:

Kenya Plantation and Agricultural Workers Union
and

Kenya Tea Development Authority

Interpretation application:

Ruling.

THE parties appeared before the court in cause No. 49 of 1987, in which the court made an award on 15th February, 1988, in respect of the two grievants. However, this application is in respect of one grievant only namely Mary Wacheke. The court had awarded that Wacheke be reinstated to her former job with effect from 1st March, 1988. The court further ruled that the respondents should pay Wacheke six months

salary by way of compensation for the wrongful dismissal she had suffered and her employment service was to be deemed to have continued without a break.

The court has carefully considered the parties submissions and finds that the claimants interpretation is correct. The court notes that Wacheke on being reinstated was assigned to do different duties from her former job which in itself varied the court award. The court is also aware that the deployment of staff within an organization is a prerogative of the management, but prerogative decisions must reflect good faith and fairness. The respondents action in assigning Wacheke to clean toilets smacks of vindictiveness.

The court having made the above observations, rules that Wacheke should be assigned duties she was performing when she was dismissed on 29th September, 1983. The court further rules that Wacheke should perform such duties for a period of not less than six months at least from the date of this interpretation application ruling. Thereafter the respondents shall be at liberty to assign her other duties of a general labourer in accordance with the dictates of their business.

Dated the 19th October, 1988.

THE INDUSTRIAL COURT

CAUSE NO. 84 OF 1987

Parties:

Kenya Union of Commercial Food and Allied Workers
and

Regal Pharmaceuticals Limited

Issue in dispute:

Recognition.

THE Kenya Union of Commercial Food and Allied Workers shall hereinafter be referred to as the claimants and the Regal Pharmaceuticals Limited shall hereinafter be referred to as the respondents. The Kenya Chemical and Allied Workers Union shall hereinafter be referred to as the interested party.

2. The parties were heard in Nairobi on 6th July, 1988, and relied on their written and verbal submissions.

AWARD

3. The Notification of Dispute Form "A" dated 14th July, 1987, duly signed by the parties was received by the court on 25th December, 1987, together with the statutory certificate signed by the Labour Commissioner.

The court has carefully examined and evaluated the submissions by the parties and in view of the respondents nature of business finds that the claimants demand must fail. The court notes that according to the claimants registered constitution they have no constitutional mandate to recruit leave alone to represent employees in pharmaceutical industry. The court further notes that the interested party's constitution is the only one registered to cater for the local manufacturers of pharmaceutical products.

In view of the above, the court has no alternative but to reject the claimants demand.

Dated the 21st October, 1988.

THE INDUSTRIAL COURT
CAUSE NO. 7 OF 1988

Parties:

Kenya Chemical and Allied Workers Union
and
Kenapen Industries Limited

Issue in dispute

Dismissal/termination of Mrs. Esther Kaleche and Miss Susan Kingoo.

THE Kenya Chemical and Allied Workers Union shall hereinafter be referred to as the claimants and Kenapen Industries Limited shall hereinafter be referred to as the respondents.

2. The parties were heard in Nairobi on 11th July, 1988, and relied on their written and verbal submissions.

AWARD

3. The Notification of Dispute Form "A" dated 14th August, 1987, duly signed by the parties was received by the court on 12th February, 1988, together with the statutory certificates signed by the Minister for Labour and the Labour Commissioner.

This dispute was investigated by the Ministry of Labour and the ministry's finding was that the respondents were right in dismissing the grievants. It was recommended that the dismissals should be upheld.

This recommendation was turned down by the claimants and the matter is now before the court for consideration.

The court has carefully considered all aspects of this dispute and finds that the grievants behaviour certainly entitled the respondents to summarily dismiss them. However, since the respondents offered in their letter of 17th June, 1985, to reduce the dismissals to normal termination the court awards that instead of summary dismissals the respondents should reduce them to normal termination which would entitle the grievants to pay in lieu of notice and other terminal benefits as laid down in the collective agreement which was in force at the time.

THE INDUSTRIAL COURT
CAUSE NO. 72 OF 1987

Parties:

Kenya Building, Construction, Civil Engineering and Allied Workers Union
and
Jyoti Builders Limited

Issue in dispute

"Declaration of Redundancy involving Miss Jane Wairimu."

THE Kenya Building, Construction, Civil Engineering and Allied Workers Union shall hereinafter be referred to as the claimants and Jyoti Builders Limited shall hereinafter be referred to as the respondents.

2. This dispute was mentioned on 21st October, 1987, 25th November, 1987, and on 28th January, 1988, when the dispute was fixed for hearing on 14th April, 1988. The mentions were prompted by the parties desire to settle the dispute at their own level.

On 14th April, 1988, when this dispute came up for hearing the parties requested the court for an adjournment once again to enable them settle the dispute. The court further mentioned the dispute on 9th May, 1988, when the parties again asked the court to allow them more time and the court directed that this dispute be mentioned on 7th June, 1988. The parties appeared for mention on 7th June, 1988, when by consent of

the parties the hearing was fixed for 13th September, 1988. The dispute was re-scheduled for hearing on 30th September, 1988. But before the hearing date the parties requested the court to make an award by consent as per their agreement dated 27th September, 1988.

AWARD

3. By consent of the parties the court awards that the respondents should pay the grievant a sum of KSh. 13,500 in full and final settlement of all her claims.

Dated the 13th September, 1988.

GAZETTE NOTICE NO. 4692

THE INDUSTRIAL COURT

CAUSE NO. 75 OF 1986

Parties:

Kenya Chemical Workers Union
and
Coates Brothers (E.A.) Ltd.

Issue in dispute

Dismissal/termination of—

Simon Luyali
Fredrick Masimba.

THE Kenya Chemical Workers Union shall hereinafter be referred to as the claimants and Coates Brothers (E.A.) Ltd. shall hereinafter be referred to as the respondents.

2. The parties were heard in Nairobi on 1st March, 23rd May and 13th July, 1988, respectively. The parties relied on their written and verbal submissions. The parties also called the following witnesses to give evidence on oath.

The claimants—S. Luyali
F. Masimba.

The respondents—E. Wandari
L. J. Deacon.

AWARD

3. The Notification of Dispute Form "A" dated 2nd April, 1986, duly signed by the parties was received by the court on 21st July, 1986, together with the statutory certificates signed by the Minister for Labour and the Labour Commissioner.

The court has carefully considered all aspects of this dispute and the evidence given by the witnesses before arriving at its decision.

The court is satisfied that Luyali was negligent if not dishonest in his work performance. The respondents under the circumstances were entitled to terminate his services. He should have, however, received normal termination and not summary dismissal and the court so awards.

As far as Mr. Masimba the driver is concerned the court finds it proved that on the material day and time he was found driving the company vehicle on an unauthorized destination which was not covered in his work ticket. Mr. Masimba was spotted in rather suspicious circumstances.

There is no evidence, however, of any criminal act on his part. Considering all the submissions and the evidence the court finds especially in view of Mr. Masimba's 15 years service with the respondents that he should have been severely reprimanded rather than dismissed summarily. He has therefore suffered a wrongful dismissal but the court finds that under the circumstances surrounding this case he is not entitled to reinstatement or heavy compensation.

The court awards that Mr. Masimba's summary dismissal should be reduced to normal termination and in addition he should be paid three months salary by way of compensation.

Dated the 10th October, 1988.

GAZETTE NOTICE No. 4693

THE TRADE MARKS ACT
(Cap. 506)

NOTICE is given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within sixty (60) days from the date of this Gazette, lodge notice of opposition on form TM. No. 6 (in duplicate) together with a fee of KSh. 50.

Notice is also given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him an opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Office, Nairobi.

Applications for registration in part A of the register are shown with the official number unaccompanied by any letter. Applications for part B are distinguished by the letter B prefixed to the official number.
