GAZETTE NOTICE NO. 661

THE INDUSTRIAL COURT  
CAUSE NO. 25 OF 1985

Parties:

Kenya Engineering Workers' Union  
and  
Harrtz & Bell Engineers

Issue in dispute:

Gratuity for ten employees, namely: Willy Wamuti (deceased), Ngula Kitunga, Muzengi, Mulinga, Warui Kitundu, Musyoki Kingatia, Kinuthia Mbuthia, Kariuki Njuguna, Ignatio Mwaura, Philip Odera and Kitungu Nzalu.

THE Kenya Engineering Workers' Union shall hereinafter be referred to as the claimants and Harrtz & Bell Engineers shall hereinafter be referred to as the respondents.

2. This dispute was mentioned on 4th April and 7th July, 1985, and the hearing was fixed for 14th August, 1985. It was again mentioned on 29th August and 4th December, 1985 when the court fixed it for hearing on 12th February, 1986. On this date after the parties' opening submissions, the court ordered the Division of Manpower Planning and Development to investigate and write a detailed report on the issue in dispute. The dispute was again mentioned on 25th July and 22nd August, 1986. Finally, the parties were heard on 16th December, 1986 and relied on their written and verbal submissions.

## AWARD

3. The Notification of Dispute Form "A" dated 10th September, 1984, duly signed by the parties was received by the court on 1st March, 1985 together with the statutory certificate signed by the Labour Commissioner.

The claimants submitted that the respondents operated two types of gratuity fund schemes, that is, Hartz & Bell Provident Fund for employees' services prior to the introduction of N.S.S.F. and Hartz & Bell Gratuity Fund for the employees' services from 1945 to 1st July, 1963.

The claimants have raised this dispute on behalf of their ten (10) members who were retired by the respondents due to old age as they allege they were not properly paid their retirement benefits. They strongly submitted that these employees were entitled to the interest accrued from the two schemes operated by the respondents prior to the introduction of N.S.S.F. The claimants submitted that the ten (10) employees had also qualified for gratuity payment upon retirement. They further stated that the respondents had started operating a provident fund scheme in July 1963 and that the employees had only contributed for three (3) years towards the fund when N.S.S.F. was introduced, therefore they had not qualified for the employer's contribution to the said scheme so they are entitled to gratuity payment.

They submitted that these employees were entitled to gratuity payment for the period prior to the introduction of N.S.S.F. They stated that the respondents had frozen the provided fund scheme without their knowledge. They further stated that gratuity payments should be based on the employees' salary at retirement date and not employees' salary when the scheme was frozen.

The claimants also requested the court to order the respondents to pay these employees interest accrued from the two schemes which were being operated by them.

The claimants also demanded payment of gratuity for all the years of service these employees had put in for the respondents.

The respondents submitted that out of the ten (10) employees in dispute, three (3) of them, that is, Willy Wamuti, Kariuki Njuguna and Ignatio Mwaura had pursued their claims through their advocates and requested the court not to consider their claims as they had made no submission on them.

The respondents submitted that they had established a gratuity fund in 1967 and they had money set aside for those who had qualified to receive payments from the scheme. They further stated that the calculation of the payments were based on the employees' wages as at 1st July, 1963 when the private provident fund scheme was established. They further submitted that since 1967 over 40 employees have left their service and were paid gratuity as calculated by them. They stated that those employees who had their services dating back to 1945 were entitled to gratuity payment for services prior to 1st July, 1963, without interest and provident fund payment for the period 1st July, 1963 to 1st July, 1966 with interest.

The respondents strongly submitted that the gratuity scheme covers the employees who were in their services for the period 1945 to 1963. They informed the court that Muzengi Mulunga and Philip Odera do not qualify for any gratuity payment as they were engaged after 1963 and that Kitungu Nzalu had deserted his employment and was not retired by them.

They further submitted that Ngula Kitunga and Musyoki Kingatia have already been paid their terminal benefits and they have signed clearance certificates that they have no further claims against the company.

The respondents submitted that Warui Kitundu's and Kinuthia Mbuthia's gratuity and provident fund benefits were worked out long time ago awaiting them to collect.

They strongly submitted that the claimants' demand is purely speculative and the court should reject their claims.

The court has, carefully, considered the parties' submissions and in addition had caused extensive inquiries to be made by the Division of Manpower Planning and Development into the issues involved. The court has, in addition, delved thoroughly into the historical background of this dispute.

The relevant clause in the collective agreement on which the claimants have based their demand is No. 24 which reads as follows:

## Retirement benefits:

(a) *Gratuity*.—A gratuity for long-service employees who were ineligible to join the provident fund scheme to be calculated as follows:

After 1 to 5 years service.—1 week's pay for each completed year.

From 6 to 10 years service.—1½ weeks' pay for each completed year.

After 10 years service.—2 weeks' pay for each completed year.

(b) A gratuity for long-service employees who joined the provident fund but due to age, do not qualify for such benefit and who have served many years with a company will be calculated in accordance with the following rules:

(i) Employees who have already left the service of the association shall not be deemed within the scope of this agreement.

(ii) The only service catered for under this agreement will be the service prior to July 1963 or when the individual company's provident fund was introduced.

(iii) The formula for calculating this payment shall be the same as that introduced by the conciliation agreement in respect of employees ineligible to join the provident fund (*see (a)* above).

(iv) The starting date would be 1st July, 1945.

(v) An employee who is entitled to a benefit under the gratuity scheme as above should be entitled to it if he loses his employment for any reason other than on resignation before completing fifteen years of service with his employer or on disciplinary grounds.

The court has noted that at least 47 long-service employees have retired over the years and have been paid in accordance with the respondents' calculations based on the material clause and that the claimants had at no time objected to such calculations. It is only now regarding these ten (10) former employees that the claimants have raised this dispute and if their submissions were to be upheld then they would benefit more than the 47 employees who have previously retired. The court must point out that changes in trade union leadership should not be used as an excuse to develop inconsistent propositions.

The court is of the view that unless and until the relevant clause in the collective agreement is amended the system and method of calculation and payment of retirement benefits adopted by the respondents must continue. The court accordingly accepts the respondents' submissions in this dispute and rejects the claimants' demands. The court had already advised the grievants to go and collect their retirement benefits as offered by the respondents and if they have not done so they should do so immediately.

Given in Nairobi on the 5th February, 1987.

## GAZETTE NOTICE No. 662

## THE TRADE MARKS ACT

(Cap. 506)

NOTICE is given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within sixty (60) days from the date of this Gazette, lodge notice of opposition on form TM. No. 6 (in duplicate) together with a fee of KSh. 50.

Notice is also given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made

to the registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him an opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

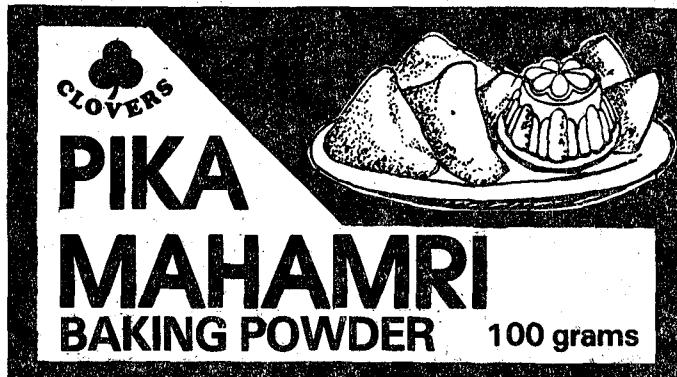

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

**IMPORTANT NOTICE TO SUBSCRIBERS  
TO THE KENYA GAZETTE**

THE following notes are for the guidance of persons submitting "copy" for inclusion in the *Kenya Gazette*, *Supplement*, etc.:

- (1) The *Kenya Gazette* contains notices of a general nature which do not affect legislation. They are, therefore, submitted to the Government Printer directly.
- (2) *Legislative Supplement* contains Rules and Regulations which are issued by the Central Government. Because of this they must be submitted to the Government Printer through the office of the Attorney-General.
- (3) *Bill Supplement* contains Bills which are for introduction in the National Assembly.
- (4) *Act Supplement* contains Acts passed by the National Assembly.

All "copy" submitted for publication should be prepared on one side of an A4 sheet no matter how small the notice or Act, each page being numbered, and should be typewritten with double spacing. Copy should be clear, legible and contain a minimum of alterations.

Particular attention should be paid to the following points:

- (i) Signature must be clarified by means of rubber-stamping or typing the name of the signer in capital letters.
- (ii) Dates must be correct and filled in where necessary.
- (iii) Care should be taken to ensure that all headings to notices and references to legislation are up to date and conform with the Revised Edition of the Laws of Kenya.

**EXTRACT FROM THE CODE OF REGULATIONS, SECTION D—**

It is emphasized that these notes are for guidance only, but it is requested that persons submitting copy for publication first satisfy themselves that such copy is complete in every respect.
