GAZETTE NOTICE NO. 3020

THE INDUSTRIAL COURT
CAUSE NO. 94 OF 1985

Parties:

Kenya Local Government Workers' Union
and
Kirinyaga County Council

Issue in dispute:

Premature retirement of Ernest Njoka.

THE Kenya Local Government Workers' Union shall herein-after be referred to as the claimants and Kirinyaga County Council shall herein-after be referred to as the respondents.

2. The parties were heard in Nairobi on 10th March and 2nd July, 1986 and relied on their written and verbal submissions. The respondents called James Maina as a witness.

AWARD

3. The Notification of Dispute Form "A" dated 14th February, 1985, duly signed by the parties was received by the court on 20th August, 1985 together with the statutory certificates signed by the Minister for Labour and the Labour Commissioner.

This dispute arose from a disagreement between the parties over the grievant's age who the claimants think was 53 years old in 1983 when he was retired from the employment of the respondents, while the respondents claim he was 55 years of age.

The grievant, Ernest Njoka, got his first registration certificate issued under the Native Registration Ordinance in 1949 and his age group was given as "Njenduru". Both parties accept "Njenduru" to be an age group of people who underwent circumcision according to the Kikuyu custom but disagree on the year when it took place and the approximate age of those who were so circumcised.

The claimants told the court that Ernest Njoka was employed by the respondents in July 1963 and according to his letter of appointment he was 32 years old. Going by this declaration by Ernest Njoka who does not know his year of birth, he was 51 years old in 1983 when he was retired by the respondents on the ground that he had attained 55 years of age. The claimants went further and stated that when Ernest Njoka received the retirement notice he began processing his retirement benefits from the National Social Security Fund (N.S.S.F.) and was told by the compliance officer that he was 50 years old and as such he did not qualify for his dues. On receipt of the N.S.S.F. reply Ernest Njoka reported to the respondents' chief officer, the clerk to council with a letter from the N.S.S.F. stating that he was 50 years old and requested to be allowed to continue working for another 5 years. The respondents' chief officer did not agree with the N.S.S.F. report. The claimants told the court that the respondent's chief officer subjected Ernest Njoka to a medical examination for age assessment and the Medical Officer of Health, Kirinyaga District, assessed his age to be 50 years.

Turning to circumcision age group the claimant told the court that "Njenduru" age group was circumcised in 1946 involving youths who were 16 years old and as such Ernest Njoka would qualify for retirement in 1986. The claimants accused the respondents' chief officer of having a fixed mind to retire Ernest Njoka prematurely.

The respondents stated that Ernest Njoka did not state his proper age when he applied for the job. The respondents pointed out that according to his first identity card, he was born in 1928 and was eligible for retirement in 1983. They produced documentary evidence from the director of N.S.S.F. which stated that "Njenduru" age group were circumcised in 1942 to 1943 and assuming Ernest Njoka was 16 years old in 1943, his date of birth could be 1927 or 1928 and therefore he would be between 55 and 56 years old at the end of 1983.

To prove their case, the respondents called the senior fingerprints officer from the National Registration Bureau, James Maina, to give evidence. Mr. Maina stated that he had held the post of registrar of N.S.S.F. since 1966 until a year ago when he was transferred to his present job. Mr. Maina gave an expert opinion on "Njenduru" age group and stated that according to registration records, "Njenduru" age group in Kiambu, Murang'a and Nyeri districts were circumcised in 1933 to 1934 but for Kirinyaga District Kikuyus, the circumcision took place in 1944 to 1946 for youths apparently aged 18 years and above. Going by the records, Kirinyaga "Njenduru" age group, were youths who were born between 1926 and 1928. Mr. Maina further produced registration application forms in respect of Ernest Njoka filled and signed by Ernest Njoka himself on 25th October, 1978, where he gave his date of birth as 1928. Mr. Maina emphatically stated that, Ernest Njoka's payment of N.S.S.F. benefits was overdue.

After careful consideration of submissions by the parties and evidence given before it, the court finds that this dispute has primarily arisen because of a non-payment of the N.S.S.F. benefits rather than the actual premature retirement of the grievant. Unfortunately for the claimants, the non-payment of the N.S.S.F. benefits is not the subject of this dispute, and the court, therefore, cannot rule on it as the N.S.S.F. is not the respondents'.

From the evidence of Mr. Maina, a person with wide knowledge of registration of persons, the court is satisfied that in 1983, Ernest Njoka was 55 years or over. The court, therefore, upholds the respondents' action and finds that Ernest Njoka was properly retired in 1983 after having attained fifty-five (55) years of age.

Notwithstanding that the N.S.S.F. are not a party to this dispute the court would urge the Fund authorities to re-examine their records properly and honour their own former director's letter dated 23rd November, 1983 and the evidence given by their own former officer Mr. Maina and pay Ernest Njoka his dues under the Fund which have been denied to him since 1983. This is as far as the court will go as it cannot make a binding order against the N.S.S.F. because they are not a party to the dispute.

Given on the 22nd July, 1986.

SAEED R. COCKAR,
Judge.

G. M. OMOLO,

GAZETTE NOTICE No. 3021

THE TRADE MARKS ACT
(Cap. 506)

NOTICE is given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within sixty (60) days from the date of this Gazette, lodge notice of opposition on form TM. No. 6 (in duplicate) together with a fee of KSh. 50.

Notice is also given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him an opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Office, Nairobi.

Applications for registration in part A of the register are shown with the official number unaccompanied by any letter. Applications for part B are distinguished by the letter B prefixed to the official number.
