**THE CONSTITUTION OF KENYA

(Cap. 7)

THE LOCAL GOVERNMENT ACT

(Cap. 265)

REVISION OF REGISTERS OF ELECTORS

NOTICE is given that it is proposed to revise all registers of electors for the purpose of the election of members to the National Assembly and Local Authorities.

All persons who are not already registered as electors and who wish to be so registered and consider that they are qualified to be so registered must attend personally before the Registration Officer or the Assistant Registration Officer at any registration unit at a registration centre on or after the 4th February, 2002 but not later than 15th March, 2002 and must then produce to such officer or person a completed application in the prescribed form.

In addition, a person who is already registered in one registration unit and wishes to be registered in another registration unit may make an application to be registered afresh in any registration unit but must disclose the fact of his existing registration in the declaration contained in the transfer application form which he must personally present to a Registration Officer or Assistant Registration Officer of any registration unit.

The various registration units (constituencies) established for the registration of electors are those set out in the first column of the Schedule to this notice together with the names of local authorities (within those registration units) and are appearing in capital letters. The registration units are divided into electoral areas (civic wards) appearing in capital letters in the second column of the Schedule. Registration centres are each assigned a distinguishing number and name and these are specified in the third column of the Schedule. An applicant should attend personally to any registration centre and at any other centres/places that the Registration Officers shall from time to time notify.

Days and times of attendance will be notified at each registration centre. Where a place of registration is closed before the said 5th March, 2002, a notice will be exhibited thereon saying at what other place of registration applicants may register.

Forms of application and transfer may be obtained at any place of registration while it is open.
