GAZETTE NOTICE NO. 4429**THE INDUSTRIAL COURT**

CAUSE NO. 143 OF 1985

Parties:

The Union of Commercial Food and Allied Workers
 and
 National Cereals and Produce Board

Issue in dispute:

Refusal by the management to have grades H and J be unionizable.

THE Kenya Union of Commercial Food and Allied Workers shall hereinafter be referred to as the claimants and the National Cereals and Produce Board shall hereinafter be referred to as the respondents.

2. The parties were heard in Nairobi on 8th September, 1986 and relied on their written and verbal submissions.

AWARD

3. The Notification of Dispute Form "A" dated 23rd May, 1985 duly signed by the parties was received by the court on 30th December, 1985 together with the statutory certificate signed by the Labour Commissioner.

The respondents are a statutory board involved in controlling and the sale of farm produce and its movement throughout the country.

The respondents as presently constituted took over the operations of the former Maize Marketing Board, Kenya Agricultural Board, Central Province Marketing Board and Western Province Maize Marketing Board.

The Board has an establishment of 3,000 unionizable employees who are represented by the claimants, and this dispute affects about 300 of them.

The claimants state that they were recognized by the respondents in July 1966 and since then they have been negotiating terms and conditions of service for all the grades including the ones in dispute. The claimants further stated that they have entered into several collective agreements with the respondents covering grades H and J.

The claimants submitted that the employees in these grades are not management staff but store-keepers grades II and I, whose titles were designated as depot managers II and I. They submitted that by calling these employees depot managers did not necessarily mean that they had joined the managerial cadre.

The claimants castigated the respondents for violating the parties recognition agreement and strongly submitted that the employees in these grades do not perform managerial, confidential or supervisory duties as they do not have powers of hiring and firing as defined in the Industrial Relations Charter Appendix "C".

The claimants further told the court that the respondents had misled the Parastatal Advisory Committee that the grades in dispute were not unionizable and prayed to the court to restrain the respondents' move.

The respondents in reply to the points raised by the claimants stated that it is undeniable that job groups "H" and "J" used to be covered by the parties' collective agreements. However, things have now changed, in that the depot managers are no longer referred to as store-keepers and their functions and those of the field officers have changed. They stated that job group "H" is the entry point for depot managers and field officers whose functions include the responsibility of running the branch or depot to which they are assigned, also procurement, storage and distribution of grain within their areas of operation.

They also supervise field assistants who directly report to them.

The respondents further stated that before the parties commenced their negotiations for the current agreement, it was clearly understood by both parties that any agreement concluded was subject to the approval of the Parastatal Advisory Committee, Office of the President, before it is signed by both parties. The Act of the Parastatal Advisory Committee in sanctioning and accepting the agreement as satisfactory was and is still required by the Government before any collective agreement becomes operative.

The respondents went on to say that the parties embarked on their negotiations and agreed on what was referred to as proposed salary scales for unionizable employees which covered grades "H" and "J". They stated that the whole document was forwarded to the Parastatal Advisory Committee for approval. They informed the court that the approval was not received until September 1984. They further stated that whilst awaiting the approval, there was a tripartite agreement on 14th April, 1984, regarding the level of union representation known as Appendix "C" to the Industrial Relations Charter and according to that agreement, the two job categories in question were excluded from union representation. They stated that the decision to exclude the grades "H" and "J" was later discussed between the parties at various levels and it was agreed that the current agreement be signed without job groups "H" and "J" which issue would be processed through the normal trade disputes procedures. The respondents, therefore, submitted that in view of Appendix "C" to the Industrial Relations Charter and in the light of the ruling of the Office of the President that employees in grades "H" and "J" are not unionizable and can no longer be represented by the claimants.

This dispute hinges around the latest amendments to the Industrial Relations Charter which to all intents and purposes has raised the level of union representation consequent upon the deregistration of the Kenya Management Staff Association. The court cannot overlook the claimants' very strong submission that there are many employees in grades "H" and "J" who by no means qualify as being part of management in terms of the revised Industrial Relations Charter.

The best way to resolve this dispute would be to find out what type of employees are slotted in these two grades and what jobs they actually perform and then to determine if they qualify to be within the ranks of non-unionizable employees.

Under these circumstances to begin with, the court rules that all the employees in grades "H" and "J" are entitled to be paid arrears under the negotiated collective agreement from the effective date until April 1984. In the meantime the court directs that the parties should undertake an exercise and go through each every job which is categorized under grades "H" and "J" to determine if such jobs are non-unionizable. This they should do with the assistance of an officer from the Division of Man Power Development and this exercise should be finalized within six months. Depending on the outcome of this result, the collective agreement will apply after April 1984 as well to those employees who are found to be unionizable.

GAZETTE NOTICE No. 4430

THE INDUSTRIAL COURT CAUSE No. 44 OF 1986

Parties:

Bakery, Confectionary, Manufacturing and Allied Workers' Union (Kenya)
and
Kisumu Bakery Limited

Issues in dispute:

Wage Rates and Wage Increments; Annual Leave; Leave Travelling Allowance; Sick Leave; Effective Date and Duration; Housing Allowance.

THE Bakery, Confectionary, Manufacturing and Allied Workers' Union shall hereinafter be referred to as the claimants and Kisumu Bakery Limited shall hereinafter be referred to as the respondents.

2. The parties were heard in Nairobi on 1st October, 1986, and relied on their written and verbal submissions.

AWARD

3. The Notification of Dispute Form "A" dated 30th January, 1986 duly signed by the parties was received by the court on 29th April, 1986 together with the statutory certificate signed by the Labour Commissioner.

This dispute arose as a result of the respondents' refusal to meet the claimants who had sought amendments to the parties' collective agreement covering two years, from 1st January, 1985 to 31st December, 1986. The claimants stated that when the respondents totally refused to meet them, they had no alternative but to report a trade dispute over the disputed items.

The claimants further stated that the respondents are based in Kisumu town and that their business was doing well compared to other bakeries there and were able to meet their demands. The claimants' demands on the disputed items are as follows:

Wage Rates and Wage Increments

The claimants are demanding a wage increase of 30 per cent on the current individual employee's basic monthly wages with effect from 1st January, 1985, and a further 30 per cent increment of the resultant wage from 1st January, 1986.

Annual Leave

On this item, the claimants are demanding 30 working days instead of 23 working days currently given annually.

Leave Travelling Allowance

The claimants are demanding KSh. 300 as leave travelling allowance. At present the employees are getting KSh. 110 yearly when proceeding on leave.

Sick Leave

Currently the employees of the respondents are entitled to 30 days sick leave on full pay and 30 days on half pay. The claimants are demanding 90 days on full pay and 90 days on half pay.

Effective Date and Duration

Under this item the parties have agreed that the effective date should be 1st January, 1985 with a duration of two years.

Housing Allowance

The claimants are demanding KSh. 300 as house allowance instead of the current allowance of KSh. 125.

The respondents told the court that their business was facing stiff competition from the giant May-fair Bakery in Kisumu town and as a result, they have been compelled to explore the rural markets in Bungoma, Eldoret and Kakamega districts where they also face stiff competition from Elliotts Bakery and other local bakeries. The respondents stated that due to the competition and shortage of baking flour, they have been compelled to cut their shift operations to one instead of two. Arising from the above, the respondents found it difficult to make any offer to the claimants. The respondents' submissions on the items are as follows:

Wage Rates and Wage Increase

The respondents stated that due to prevailing economic problems, they can only offer 5 per cent wage increase for the first year and another 5 per cent for the second year and prayed the court to so award.

Leave Travelling Allowance

The respondents told the court that most of their employees' homes are at short distances from the bakery. A small number have their homes beyond 10 kilometres. Due to increased transport charges, the respondents offered KSh. 120 instead of KSh. 110 currently paid as travelling allowance.

Sick Leave

The respondents stated that there was no justification adduced to warrant an increase on sick-leave days and prayed the court to maintain the status quo.

Housing Allowance

On this item, the respondents stated that under the wages guidelines, the permissible housing allowance increase would be 7.35 per cent on the current house allowance of KSh. 125 which would be KSh. 9.20. The respondents would wish to round this figure up to KSh. 135 and prayed the court to award so.

After careful consideration of the parties' submissions, the court awards as shown hereunder:

Wage Rates and Wage Increase

The court awards a wage increase of 7 per cent each year but based on the personal wages of all the employees.

Annual Leave

The court finds no justification to merit any increase in leave days.

Leave Travelling Allowance

The court awards KSh. 135 as leave travelling allowance.

Sick Leave

The court rejects the claimants' demand on this item.

Housing Allowance

The court awards a house allowance of KSh. 135 for the first year and KSh. 150 for the second year of the agreement.

GAZETTE NOTICE NO. 4432

THE TRADE MARKS ACT

(Cap. 506)

NOTICE is given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within sixty (60) days from the date of this Gazette, lodge notice of opposition on form TM. No. 6 (in duplicate) together with a fee of KSh. 50.

Notice is also given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representation of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Office, Nairobi.

Applications for registration in part A of the register are shown with the official number unaccompanied by any letter. Applications for part B are distinguished by the letter B pre-fixed to the official number.
