GOVERNMENT NOTICE No. 292.

His Excellency the Acting Governor has approved of the following Bill being introduced into Legislative Council.

G. R. SANDFORD,
Clerk to the Legislative Council.

A Bill to Amend the Legal Practitioners Ordinance.

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows:—

1. This Ordinance may be cited as the "Legal Short title. Practitioners (Amendment) Ordinance, 1929", and shall be read as one with the Legal Practitioners Ordinance (Chapter 10 of the Revised Edition), hereinafter referred to as the 5 Principal Ordinance.

2. The Principal Ordinance is hereby amended by the addition thereto of the following section:—

10 "5. (1) Any person who wilfully and falsely pretends to be or takes or uses any name, title, addition or description implying that he is duly qualified to act as an advocate or that he is recognised by law as so qualified, shall be guilty of an offence under this Ordinance, and be liable to a penalty not exceeding the sum of seventy-five pounds for each such offence.

15 (2) No costs, fee, reward or disbursement on account of or in relation to any act or proceeding done or taken by any person who acts as an advocate, without being duly qualified so to act, shall be recoverable in any action, suit or matter by any person or persons whomsoever.

20 (3) For the purposes of this section a person shall be deemed to be duly qualified to act as an advocate if he shall have in force at the time at which he acts as such advocate, a duly signed and sealed certificate authorising him so to do, in accordance with the provisions of the laws for the time being relating to advocates, or if he shall be a person entitled to practise in any Court of the Colony and Protectorate of Kenya under any Ordinance, Rules or other law for the time being in force".

Penalty for
wrongfully
acting as
an advocate.

OBJECTS AND REASONS.

It is proposed by this Bill to introduce provisions similar to those of section 12 of the Solicitors Act, 1874 (England).

The Bill provides that any person wrongfully pretending to be, or taking or using any name or description implying that he is, duly qualified to act as an advocate shall be liable to a penalty not exceeding seventy-five pounds, and that no costs shall be recoverable by any such person.

The Act in question has proved itself to be a protection both to the public and to professional men in England, and it is considered desirable to adopt similar legislation locally.

GOVERNMENT NOTICE NO. 333.

His Excellency the Acting Governor has approved of the following Bill being introduced into the Legislative Council.

Nairobi,

21st May, 1929.

G. R. SANDFORD,

Clerk to the Legislative Council.

A Bill to provide for the Establishment of a Central Roads and Traffic Board.

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows :—

Short title and commencement.

Establishment of Central Roads and Traffic Board.

1. This Ordinance may be cited as "the Central Roads and Traffic Board Ordinance, 1929", and shall come into operation upon such date as the Governor may by proclamation in the Gazette appoint.

2. (1) There shall be established a Central Roads and 5 Traffic Board (hereinafter referred to as "the Board") which shall consist of :—

- (a) The Colonial Secretary as Chairman;
- (b) The Commissioner for Local Government as Deputy Chairman; 10
- (c) The Chief Native Commissioner;
- (d) The General Manager, Kenya and Uganda Railways and Harbours;
- (e) The Director of Public Works;
- (f) The Commissioner of Police; 15
- (g) The Road Engineer of the Public Works Department, and such other persons, not being less than four, as the Governor may from time to time appoint.

(2) The Chairman or Deputy Chairman and five other members shall form a quorum. 20

(3) Questions before the Board shall be decided by a majority of votes of those present and voting, and, in the case of an equality of votes, the Chairman or Deputy Chairman, as the case may be, shall have a second or casting vote.

(4) If any officer of Government, other than the Chairman or Deputy Chairman, who is a member of the Board is unable to attend at any meeting of the Board, such officer may appoint a deputy to attend such meeting in his place, and such deputy shall have the right to vote as if he were himself a member of the Board. 25

Appointment of Secretary to the Board.

Powers and duties of the Board.

3. The Chairman of the Board may appoint a fit and proper person to act as Secretary to the Board and to perform such duties as may be assigned to him by the Board.

4. The powers and duties of the Board shall be as follows :— 35

- (a) To exercise all such powers and perform all such duties as are conferred or imposed, by any enactment for the time being in force, upon the Central Roads Board established under the Local Government (Municipalities) Ordinance, 1928, which said

powers and duties are hereby conferred and imposed upon the Board established under section 2 of this Ordinance;

- 5 (b) To exercise such of the powers of the Governor under the Traffic Ordinance, 1928, or under any other enactment relating to traffic for the time being in force, as the Governor may delegate to the Board;
- 10 (c) To exercise such powers and to perform such duties as may be conferred or imposed upon the Board by the Motor Services Ordinance, 1929, or by any other enactment for the time being in force;
- 15 (d) To advise the Governor upon any matter or thing relating to the public roads of the Colony and the traffic thereon which may be referred to the Board by the Governor.

OBJECTS AND REASONS.

In the year 1925 the Roads and Traffic Committee recommended the establishment of a Central Roads and Traffic Board to deal with all road and traffic problems throughout the Colony.

At that time all such problems were dealt with by the Central Roads Committee, and the Roads and Traffic Committee.

The Local Government (Municipalities) Ordinance, 1928, set up a Central Roads Board to advise the Governor upon all road matters in municipalities and provision was made in the Local Government (District Councils) Ordinance, 1928, for the Central Roads Board to advise the Governor upon all road matters in districts. Thus it will be seen that at the present time the road and traffic problems of the Colony are dealt with by three bodies, namely, the Central Roads Board, the Central Roads Committee, and the Roads and Traffic Committee. This Bill provides for the placing of all road and traffic matters in the hands of the Central Roads and Traffic Board created by the Bill.

Clause 2 establishes the Central Roads and Traffic Board, which is to consist of seven official members, and at least four unofficial members.

Clause 4 sets out the powers and duties of the Board, which are, to exercise all the powers and perform all the duties conferred or imposed by any enactment for the time being in force, upon the Central Roads Board, and to advise the Governor upon all matters relating to the public roads of the Colony and the traffic thereon.

Section 2 of the Principal Ordinance proposed to be amended :—

Interpretation. 2. In this Ordinance :—

“ Stage play ” includes any tragedy, comedy, farce, opera, burletta, interlude, melodrama, pantomime, dialogue, prologue, epilogue, or other dramatic entertainment, or any part thereof.

“ Cinematograph exhibition ” means any exhibition of pictures or other optical effects presented by means of a cinematograph or other similar apparatus.

“ Theatre ” means any building, tent or other erection, open to the public, gratuitously or otherwise, where a stage play or cinematograph exhibition is performed or presented.

“ Licensing officer ” means such person as the Governor shall by notice appoint for the purposes of this Ordinance.

Section 6 of the Principal Ordinance proposed to be amended :—

Licence.

6. The licensing officer may refuse to grant a licence in respect to any stage play or new part thereof or any cinematograph exhibition or may grant it subject to any rules made under this Ordinance or subject to such special conditions and restrictions, to be specified in such licence, as to him may seem fit. Any such licence may be revoked by the Governor at any time.

GOVERNMENT NOTICE No. 334.

His Excellency the Acting Governor has approved of the following Bill being introduced into the Legislative Council.

Nairobi,

22nd May, 1929.

G. R. SANDFORD,
Clerk to the Legislative Council.

A Bill to Amend the Stage Plays and Cinematograph Exhibitions Ordinance.

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows :—

1. This Ordinance may be cited as "the Stage Plays and Cinematograph Exhibitions (Amendment) Ordinance, 1929," and shall be read as one with the Stage Plays and Cinematograph Exhibitions Ordinance (Chapter 73 of the Revised Edition), hereinafter called "the Principal Ordinance".

2. Section 2 of the Principal Ordinance is hereby Interpretation. amended as follows :—
 - (a) by the substitution of the following for the definition of "Cinematograph exhibition" :—

" ' Cinematograph exhibition ' means any exhibition of pictures or other optical effects presented by means of a cinematograph or other similar apparatus whether the characters concerned in such pictures or other optical effects talk or not "; and
 - (b) by the addition of the following definition :—

" ' Cinematograph picture ' means any picture made by means of a cinematograph or other similar apparatus and intended for public exhibition."

3. The following section shall be inserted between sections 2 and 3 of the Principal Ordinance :—

Insertion of section 2A in the Principal Ordinance.

" 2A. No person shall direct, or take part in, or assist in, the making within the Colony of any cinematograph picture, unless the licence of the licensing officer in respect of the making of such cinematograph picture shall previously have been obtained as hereinafter provided."

4. Section 6 of the Principal Ordinance is hereby Amendment of section 6 of the Principal Ordinance. amended and shall be read as if the words "or in respect of the making of any cinematograph picture" were inserted between the word "exhibition" and the word "or" in line three thereof.

NOTICE OF THE
OBJECTS AND REASONS.

Cinematograph pictures have now begun to be made in this Colony, and Government considers that the activities of picture makers should be controlled by legislation, seeing that at the present time there is nothing to prevent natives and others performing dangerous acts in order to ensure the making of a thrilling picture. In addition, some of the scenes portrayed and in which natives and others take part may be of an objectionable character, and Government has at present no means of discovering whether or no a particular picture or part of it is of an objectionable nature, and, if so, of stopping it. It is proposed, therefore, to amend the Stage Plays and Cinematograph Exhibitions Ordinance (Chapter 73 of the Revised Edition of the Laws of Kenya), which deals with the censorship of the plays and pictures exhibited in theatres in the Colony, by providing that no person shall direct, take part in, or assist in, the making within the Colony of any cinematograph picture unless a licence to make such picture shall previously have been obtained. It is further provided that the licensing officer may refuse to grant a licence in respect of the making of a cinematograph picture, or may grant the licence subject to such rules as may be made by the Governor. Opportunity has also been taken to amend the definition of "Cinematograph exhibition" in the Principal Ordinance so as to include "Talkie" films.

Power to grant new licence in substitution for existing licence.

Production of licence on demand.

Offences and penalty.

Offences cognizable to the Police.

Notice of cessation of service to be given to Board.

Power to make Rules.

OBJECTS AND REASONS.

The question as to the policy to be pursued in respect of the competition between road traffic and railway traffic was referred by Government to the Road and Traffic Committee towards the end of the year 1927. The Committee gave it very close consideration, and their recommendations have been embodied in this Bill.

The problem is one which has arisen in recent years in most countries, and has proved a difficult one to deal with.

The following countries have enacted legislation with the object of overcoming or reducing what is regarded by railway authorities as unfair competition :—

Italy	New Zealand
Norway	Victoria
Sweden	Tasmania

and the following countries have legislation in this respect under consideration :—

The United States of America.

Austria.

Hungary.

South Africa and

Western Australia.

The position in this Colony with regard to railway rates is that bulky goods of low unit value are carried at freight rates below cost, this loss being made up by high freight rates on luxuries and other goods of high unit value.

Owing to this differentiation of railway rates (which is done entirely in the interest of the Colony as a whole) road traffic is enabled to undercut the Railway in traffic rates on luxuries and other goods of high unit value.

Government considers that on some roads in the Colony, goods and passengers are being conveyed by road vehicles to the detriment of Railway revenue, and that the effect is sufficiently important to justify the introduction of this Bill.

This Bill accordingly prohibits the carrying on of a motor omnibus service or a motor lorry service along any public road to which the Ordinance may be applied, except under a licence from the Roads and Traffic Board.

GENERAL NOTICE NO. 679.

DEPARTMENT OF AGRICULTURE.

LOCUST REPORT UP TO 23RD MAY, 1929.

FLYING SWARMS.

There is a large laying swarm near Kajiado, also one in the Gilgil-Naivasha area, one near Ravine, and another in the Trans Nzoia.

There are large swarms above Isiolo, and swarms have been observed crossing the Abyssinian Frontier.

It is reported that large swarms have been engulfed in Lake Rudolph, where the beach for miles is strewn with dead locusts.

LAYING AND HOPPER AREAS.

Ukamba.—The Kitui infestation is well under control and it is hoped will be cleared up by the end of this month.

The Voi infestation is now well under control.

Machakos.—All known hopper areas in the reserve are destroyed. An outbreak near Kiu is under control. There are hatchings on the Kenani Sisal Estate, and more hatchings may be expected on the Athi Plains.

Kiu-Tsavo.—Scouting to date has revealed hopper areas in the Chyulu Hills; work proceeding.

Masai Reserve.—Kajiado-Rombo Section. Hopper areas at Bissel cleaned up by birds. The lesser locust bird occurs in the majority of cases; large flocks are to be observed.

Spraying is taking place in the Rombo area, and arrangements are being made to work in the Chyulu Range. Four more laying areas have been found.

Contact has been established with the anti-locust organisation in Tanganyika, both to the east and west of Kilimanjaro.

Companies of the King's African Rifles are being used in the Masai Reserve in Tanganyika, where the condition of the grass now admits of the burning of the hopper swarms.

On the Narok side no further laying areas have yet been found and reported.

There are hoppers near Ngong.

Kerio Province.—The posting of officers has been completed, and deliveries of supplies effected. The work in this Province is under the direct control of Mr. Stone, Acting Provincial Commissioner. Laying is taking place in Baringo. Egg and hopper destruction is taking place in the Marakwet Valley. The laying area is very extensive and dense.

Kikuyu.—There is a small hopper outbreak in the Embere country of the Embu Reserve.

Hoppers have appeared in coffee shambas near Ngong. Hatchings may be looked for in the Kikuyu Reserve at Dagoretti, near Kiambu, and in the Thika District. Owners should commence destruction of hoppers forthwith.

The Trans Nzoia Plateau, Lumbwa, Kericho, and Nyanza Province generally appear to be non-infested but there is a report that laying is taking place near Hoey's Bridge.

Eggs and hoppers may be suspected to occur at intervals between Ravine and Kijabe on the floor of the Rift Valley.

Eggs have been determined at three points in Lower Molo, and on Soysambu and Kekopey near Gilgil. Farmers in the districts between Nakuru and Kijabe are urged to keep a close look-out for laying areas, and to report any found to the Police Officers at Nakuru, Gilgil, or Naivasha, whichever is the most convenient.

The area on the Hon. Galbraith Cole's farm now laid over is estimated at 10,000 acres, with a very dense deposit of eggs. The swarm is still laying, and gravid females may be observed all the way between Gilgil and Kijabe.

Dumps have been made at Kijabe, Gilgil and Nakuru, and scouting officers and equipment are moving to the area. Contact should be kept with the District Locust Officers in Naivasha and Nakuru. The Department will assist property owners to the extent of its resources in European officers, equipment, poison and tank trucks.

Hatching may be expected to commence at the end of this month.
