GAZETTE NOTICE NO. 2419

THE KENYA COMMUNICATIONS ACT (No. 2 of 1998)

INTENTION TO MODIFY THE PROVISIONS OF AND TO MERGE CERTAIN LICENCES

NOTICE is given for the general information of the public that the Commission is reviewing its licensing and regulatory process particularly with respect to the provisioning of data communications services, internet backbone services and commercial VSAT services. The intention is to restructure the telecommunications market by merging of licences whose differences have been eroded by technical convergence.

In accordance with section 82 of the Kenya Communications Act, 1998, the Commission intends to modify the following three categories of licences:

- (a) Commercial VSAT Network Operator Licence;
- (b) Internet Backbone and Gateway Licence;
- (c) Public Data Network Operator (PDNO) with International Data Gateway Licence.

In order to merge the said licences into one licence known as Data Carrier Network Operator (DCNO).

The reason for the modification and eventual merger of the licences is enable licensees to operate under a technology neutral framework in providing public and private data communication services which include data/video and internet related carriage of traffic nationally and internationally.

The modification of the said three licences in order to enable the licensees to have one merged licence will affect the licensees of those systems and services, the public, local authorities, companies, person or body of persons within the country.

Any licensee of those systems or services, public or local authority, company, person or body of persons desirous of making any representation on or objection to the intended modification of the three licences and their eventual merger into a DCNO licence as aforesaid must do so by letter addressed to the Director-General, Communications Commission of Kenya, Waiyaki Way, P.O. Box 14448-00800, Nairobi, indicating "DCNO" on the outside of the cover enclosing it on or before expiry of sixty (60) days from the date of this notice.

Dated the 24th March, 2006.

JOHN WAWERU,
Director-General.
