## NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 30TH JUNE, 2000

## 1. Significant Accounting Policies

The principal accounting policies adopted in the preparation of the financial statements are set out below.

## (a) Basis of preparation

The Financial statements are prepared in accordance with, and comply with International Accounting Standards (I.A.S.) which have been adopted with effect from 1st July, 1999. The Financial statements are prepared under the historical cost convention.

**(b) Property and Equipment**

Items of property and equipment are stated at purchase price less accumulated depreciation.

Depreciation is computed on the straight line basis over the estimated lives of the assets at the following rates:

Land and building (long leasehold) 10%.

Motor vehicles, furniture and equipment 50%.

**(c) Translation of foreign currencies**

Transactions in foreign currencies during the year are translated in Kenya shillings at rates ruling at the transaction dates.

Assets and liabilities at the balance sheet date which are expressed in foreign currencies are converted at the appropriate rates of exchange ruling at the year end. The resulting differences from translation and conversion are dealt with in the profit and loss account in the year in which they arise in accordance with section 51 of the Central Bank of Kenya (Amendment) Act, 1996.

**(d) Investments.**

Foreign and local securities are valued at the lower of cost or market value. To determine the lower of cost or market value, investments are grouped into their respective currencies and only if the group total market value is lower than cost is a provision made against that group.

**(e) Revaluation Account.**

Amounts included in the revaluation account represent accumulated net exchange movements prior to 31st March, 1997, arising from translation of assets and liabilities denominated in foreign currencies in accordance with section 51 of the Central Bank of Kenya (C.B.K.) Act. Effective April, 1997. Section 51 of C.B.K. Act was amended and all exchange movements are dealt with in the profit and loss account. The balance in the revaluation account is amortised by instalments of amounts as ratified by the Board of Directors.

**(f) Employee benefits.**

The Bank's employees are eligible for retirement benefits under a defined benefit plan provided through a separate fund.

The Present value of defined benefit obligation are calculated by a qualified actuary using an actuarial method known as the "Attained Age Method" which is designed to build up sufficient funds so that on the assumptions made, a contribution rate appropriate to the future service benefits of current members in service at the valuation date would be sufficient to support the future accrual of benefits to retirement or exit.

Strict application of IAS 19 "employee benefits" is difficult particularly in determining the discount rate and expected return on plan assets. In the absence of a well developed and liquid capital market in Kenya, it is difficult to apply the same finesse as is required under IAS 19 to the derivation of the financial assumptions as is possible in more sophisticated economies. Management have therefore concluded that compliance with the requirements of the standard would be misleading and therefore departure from the requirements is necessary to achieve a fair presentation.

**(g) Cash and cash equivalents.**

For purposes of presentation of cash flows in financial statements, the cash and cash equivalents consists of current accounts, term deposit and foreign treasury bills.

GAZETTE NOTICE NO. 5830

## THE TRADE MARKS ACT

(Cap. 506)

NOTICE is given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within sixty (60) days from the date of this Gazette, lodge notice of opposition on form TM. No. 6 (in duplicate) together with a fee of KSh. 1,500 (local application) or US\$ 75 (foreign application).

Notice is also given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, Kenya Industrial Property Office, Posta Sacco House, Nairobi.

Applications for registration in part A of the register are shown with the official number unaccompanied by any letter. Applications for part B are distinguished by the letter B prefixed to the official number.

The two applications appearing hereunder are proceeding in the name of PLAASKEM (PROPRIETARY) LIMITED, a South African company, of 13 Derick Coetzee, Jet Park, Extension 20, Boksburg, South Africa, and c/o Messrs. Gichachi & Company advocates, P.O. Box 79659, Nairobi.
