1. The Amalgamated Union of Kenya Metal Workers shall hereinafter be referred to as the Claimants and Motor Mart & Exchange Ltd. shall hereinafter be referred to as the Respondents.

2. The parties were heard in Nairobi on 28th and 29th April and 6th May, 1982, and relied on their written and verbal submissions. The Respondents also called the following witnesses to give evidence on oath:

C. Maina.

W. Kihiu.
W. Wahome.

AWARD

3. The Notification of Dispute Form "A" dated 14th April, 1981, duly signed by the parties was received by the Court on 12th February, 1982, together with the statutory certificates signed by the Minister for Labour and the Labour Commissioner.

The persons involved in this dispute are drivers and were employed by the Respondents and their subsidiaries as follows:

J. Macharia was employed by Bruce Ltd. on 1st July, 1958, and was earning Sh. 1,050 at the time of termination of his service.

Mr. Mbogo was employed by Bruce Ltd. on 1st March, 1962, and was earning Sh. 1,050 at the time of his termination of service.

Mr. Kagondo was employed by Farm & Industrial Machinery Distributors on 19th July, 1978, and was earning Sh. 700 at the time of his dismissal.

Mr. Musyoka was employed by Kenya Motor Corporation (now taken over) on 1st May, 1968, and was earning Sh. 1,040 at the time of his termination of service.

The events leading to their termination are that in June 1979, the Respondents' senior management noticed that the petrol consumption of their vehicles was higher than expected and as a result after carrying out certain checks they called in the police. On 3rd July, 1979, a police inspector laid a trap and covered seven cars which drew petrol on that day. In the case of six cars the readings on the pump and the invoices were different and in all showed a difference of Sh. 179.25. The aforesaid four drivers were driving four of these cars on that day.

These four drivers and three other persons, presumably attendants at the petrol station, were all charged in the criminal court with the offence of conspiracy to defraud; they appeared in the Chief Magistrate's Court on 5th July, 1979, and they all pleaded not guilty. They were released on bonds and they all claimed that the Chief Magistrate warned them to keep away from their place of employment until the conclusion of the case against them.

They were acquitted by the criminal court on 29th October, 1979, when the judgment was delivered. When they reported for duty they found letters of termination dated 23rd July, 1979, awaiting them. These letters read as follows:

"On 4th July, 1979, you were arrested by the police and consequently released on bail on 6th July, 1979. Instead of returning to your place of work you absented yourself from duty for more than 7 consecutive days without permission.

You are therefore deemed to have deserted your employment and the company will therefore not accept you back which means you have terminated your own employment from 6th July, 1979. Please call on the salaries and wages department to collect any of your dues."

On 31st October, 1979, the Chief Magistrate, F. E. Abdullah, issued the following letter:

"This is to confirm that the above-named persons appeared before this Court on 5th July, 1979, for plea and they pleaded not guilty. They were released on their own bonds of Sh. 5,000 each.

They were also ordered by this Court not to go back on be seen near their place of work until the completion of this case so as not to interfere with the investigations or prosecution witnesses.

The judgement of this case was delivered on 29th October, 1979, and they were all acquitted thereof."

The Claimants reported a trade dispute to the Minister for Labour after the parties failed to resolve this matter at the JIC and an investigation was carried out into these dismissals. The ministry's findings and recommendation were released to the parties on 23rd May, 1980, and in each case the Ministry found that the Respondents had no grounds for saying that they had absented themselves from duty for more than seven days as the management knew perfectly well after having involved the police that they were facing a criminal case and recommended the reinstatement of each one of them without loss of service and benefits and that the time they had been absent should be treated as leave without pay.

The Respondents rejected these and the matter is now before the Court.

The Court notes that this matter was discussed at the JIC on 19th December, 1979, under the chairmanship of the late W. R. Piper who is recorded to have said "the case was so good that the drivers could have been dismissed for fraudulent act or loss of confidence, however, they were dismissed for absenteeism which later proved warranted which weakened the case". After further discussions the chairman said that he could not support the case on the evidence before the Council and he wanted further information from one I. N. Njoroge. The Court cannot accept the Respondents' submission that they cannot find any record in the Court proceedings of the Chief Magistrate having made an order as stated in his letter. The Court finds that even if in the official record such order directed to the accused persons was not recorded the Chief Magistrate's letter dated 31st October, 1979, is enough to satisfy this Court that these four persons were told not to go anywhere near their place of employment.

The Respondents during the hearing have also based their case on this fraud in addition to maintaining that they were not at any time informed either by the drivers or anyone else that they would not be reporting for work until the conclusion of their criminal case. They called witnesses to establish the alleged fraud.

The Court must say, after hearing these various witnesses, that it leaves one in great doubt as to who was the actual guilty party if there was such a fraud—these drivers or the petrol attendants. In any case it is not the function of this Court to sit on appeal on the decisions of the criminal court and the fact remains that these four drivers were acquitted of the criminal offence with which they were charged.

The Court must emphasize that what is important in this dispute is that the Respondents terminated the services of all these four drivers on the ground of absenteeism. There was nothing to prevent them at that time giving other reasons also while terminating their services such as the ones which they have now tried to bring up during the hearing of this dispute. The

Court has carefully considered the Respondents' strong submissions that they were not aware of the order the Chief Magistrate had made requiring these drivers to keep away from their work but the Court finds it strange that the Respondents having caused these people to be arrested and charged for criminal offences took no trouble to find out their fate. The Respondents accepted that one of their representatives was present in Court when the plea was taken but they submitted that he did not hear the Chief Magistrate telling the workers to keep away from their place of business. On this point the Court has to accept the Chief Magistrate's letter and the Court finds that these workers were told to keep away from their place of work. So these drivers were absent for good reason. The Court concurs to some extent with the views of the late Mr. Piper that the Respondents' case for terminating the services of these drivers on the grounds of absenteeism was rather weak and could not be supported. In this dispute the Respondents have no one to blame for the predicament in which they find themselves except their own officer who took the decision to terminate the service of these drivers and who drafted their letters of termination. He made a gross mistake.

After careful consideration of all the submissions the Court finds that these four drivers have suffered a wrongful dismissal. The Court has to decide what relief to grant them as the Claimants have vigorously asked for all of them to be reinstated. The Court would first of all like to deal with the case of P. K. Musyoka who on 6th May, 1981, received Sh. 893.50 from the Respondents and signed the following certificate:

"This is to certify that I, Peter K. Musyoka, have today 6th May, 1981, received Sh. 893.50 being in full and final settlement of all sums due to me by Motor Mart & Exchange Ltd. I have therefore no further claims to make against the company."

Mr. Musyoka went to the Respondents with a letter from the Claimants' J. Ndambuki who wrote to the Respondents that he should be paid his leave which was due before he was sacked. Mr. Musyoka then proceeded to receive the aforesaid amount and signed a full and final settlement receipt. The Court has carefully considered the case of this driver and finds that the Respondents were at fault in not fully involving the Claimants or their representative, since a trade dispute in respect of him was pending, in paying him his dues and obtaining the aforesaid receipt. The Court, however, does not intend to award reinstatement of Mr. Musyoka and the Court feels that he should be given three months' salary by way of compensation for the wrongful dismissal that he has suffered.

The Court would now like to deal J. Kagondo who had served the Respondents for about one year only. The Court awards that he should also get three months' salary by way of compensation for the wrongful dismissal that he has suffered.

The Court has decided to award the reinstatement of J. Macharia and J. Mbogo, both fairly long service employees, and the Court awards that they should be reinstated by the Respondents with effect from 1st June, 1982. The Court directs that they should be employed on similar jobs to what they were doing when they were sacked as the Respondents submitted that their jobs were not vacant. The Court further awards that in addition to reinstatement both of them should be paid eight months' salary by way of compensation for the wrongful dismissal that they suffered and that their services should be deemed to have continued without a break.

Given in Nairobi on the 27th May, 1982.

THE TRADE MARKS ACT

(Cap. 506)

NOTICE is given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form TM. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark

which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him an opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

**IMPORTANT NOTICE TO SUBSCRIBERS
TO THE KENYA GAZETTE**

THE following notes are for the guidance of persons submitting "copy" for inclusion in the *Kenya Gazette*, *Supplements*, etc.:

- (1) The *Kenya Gazette* contains notices of a general nature which do not affect legislation. They are therefore submitted to the Government Printer directly.
- (2) *Legislative Supplement* contains Rules and Regulations which are issued by the Central Government. Because of this they must be submitted to the Government Printer through the office of the Attorney-General.
- (3) *Bill Supplement* contains Bills which are for introduction into the National Assembly.
- (4) *Act Supplement* contains Acts passed by the National Assembly.

All "copy" submitted for publication should be prepared on one side of a foolscap sheet no matter how small the notice or Act, each page being numbered, and should be typewritten with double spacing. Copy should be clear, legible and contain a minimum of alterations.

Particular attention should be paid to the following points:

- (i) Signatures must be clarified by means of rubber-stamping or typing the name of the signer in capital letters.
- (ii) Dates must be correct and filled in where necessary.
- (iii) Care should be taken to ensure that all headings to notices and references to legislation are up to date and conform with the Revised Edition of the Laws of Kenya.
