This figure is a topographic map showing contour lines and a fixed boundary. The map includes a grid with values in meters, a fixed boundary line, and a first edition label.

The vertical axis (Y-axis) represents elevation in meters, ranging from 9860500 at the bottom to 9861750 at the top. The horizontal axis (X-axis) represents distance in meters, ranging from 263750 on the left to 264750 on the right.

A grid of points is plotted across the map, with values ranging from 9860500 to 9861750. A specific point on the grid is labeled with the value 266.

A fixed boundary is indicated by a line connecting several points on the grid. This boundary is labeled "FIXED BOUNDARY" and "FIRST EDITION".

The map also features a small rectangular area in the bottom right corner with a grid pattern and a value of 9860500.
