GAZETTE NOTICE No. 5398

THE TRADE MARKS ACT

(Cap. 506)

NOTICE is given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this gazette, lodge notice of opposition on Form TM. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent

for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Office, Nairobi.

Applications for registration in part A of the register are shown with the official number unaccompanied by any letter. Application for part B are distinguished by the letter B prefixed to the official number.

Tenders must be submitted on a plain wax-sealed envelope only marked "Tender No. 10/85-86—Equipment and Reagents for Immunology Department, Kenyatta National Hospital", and must be placed into the tender box provided at the administration block or be posted to reach the officer-in-charge, M.S.C.U. at the above address not later than 10 a.m. on 30th December, 1985.

Tenderers will also be required to sign an undertaking, on a format provided with tender documents, that they will provide a performance bond duly executed by themselves and their sureties/guarantors should they be awarded the contract. This undertaking constitute an important tender condition and should be submitted together with the bid as no offer will be considered unless the supplier has signed the undertaking.

Literature and/or samples must be submitted with the quotations on or before the closing date and failure to submit samples as stipulated will lead to immediate disqualification of a tender. Literature must be clearly marked on the front page and also all relevant pages which depict the items offered.

Prices quoted should be net, duly and sales tax paid, except for those quoted on CIF terms in which case the two are excluded. Prices must remain valid for a minimum period of ninety (90) days from the closing date of the tender.

The government reserves the right to accept or reject any tender either in whole or in part and does not bind itself to accept the lowest or any tender or give reasons for its rejection.

All "copy" submitted for publication should be prepared on one side of an A4 sheet no matter how small the notice or Act, each page being numbered, and should be typewritten with double spacing. Copy should be clear, legible and contain a minimum of alterations.

Particular attention should be paid to the following points:

- (i) Signatures must be clarified by means of rubber-stamping or typing the name of the signer in capital letters.
- (ii) Dates must be correct and filled in where necessary.
