GAZETTE NOTICE No. 2841

THE INDUSTRIAL COURT

CAUSE No. 25 OF 1968

Parties:

Kenya Motor Engineering and Allied Workers' Union
and

Motor Trade and Allied Industries Employers Association

Issues in Dispute:

- (a) Whether the refusal by the Employers to deduct Insurance Premiums on check-off is a negotiable matter.
- (b) If it is a negotiable matter, whether the Employers must comply with the Union's demand.

1. The Kenya Motor Engineering and Allied Workers' Union shall hereinafter be referred to as the Claimants and the Motor Trade and Allied Industries Employers Association shall hereinafter be referred to as the Respondents.

The issues in dispute as stated by the parties in Form "A" are (a) Refusal to deduct Insurance Premiums on check-off and (b) Whether the issue is a negotiable matter or not. However, during the mention of this dispute on 9th July 1968 the President ruled that the issues in dispute should be as they appear hereinabove.

2. The parties were heard in Nairobi on the 9th day of August 1968 and relied on their written and verbal submissions.

AWARD

6. An agreement on matters governing Recognition, Negotiating and Grievance Procedure was entered into and signed by the Parties on 16th October 1963.

In clause 1 (c) of this agreement provision is made for:—

"Collective bargaining machinery for negotiations on an Industry basis for those terms and conditions of service as listed in Appendix "A" of this Agreement for those employees listed in Appendix "B" of this Agreement."

Appendix "A" referred to in clause 1 (c) contains the following list:—

1. Rates of Pay, Overtime and Allowances.
2. Hours of Work.
3. Methods of Wage Payment.
4. Leave.
5. Duration and Termination of Contract.
6. Principles of Redundancy.
7. Medical Expenses and Sick Pay.
8. Provident Fund Benefits.

The Claimants have argued that their demand falls under item (3) above.

The Court cannot accept this submission as by no stretch of imagination can it be held that "Methods of Wage Payment" includes the deduction of insurance premiums on check-off.

The Court feels that the Claimants' demand in the present dispute should be discussed and handled through the Joint Consultative Machinery for which provision is made in Part D of the Recognition Agreement.

Further the Court cannot accept that even if discussion did take place on the Claimants' demands at the J.I.C. level that this renders the matter negotiable. The Court is satisfied that the Respondents discussed this matter with the Claimants without prejudice to their rights under the Recognition Agreement. They, like any good employer, wanted to explore with a view to helping the Claimants in making arrangements, if feasible, which would be in the interest of the workers.

In view of the foregoing reasons and after a careful consideration of all the submissions made by the parties the Court rules that the subject matter of this dispute is not a negotiable item.

Given in Nairobi this 26th day of August 1968.

SAEED R. COCKAR,
President,
MOHAMED JAHAZI, M.P.,
Vice-President.
G. G. NDEGWA, M.P.,
L. J. DEACON,
Members.

GAZETTE NOTICE No. 2845

THE TRADE MARKS ACT

(Cap. 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T.M. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

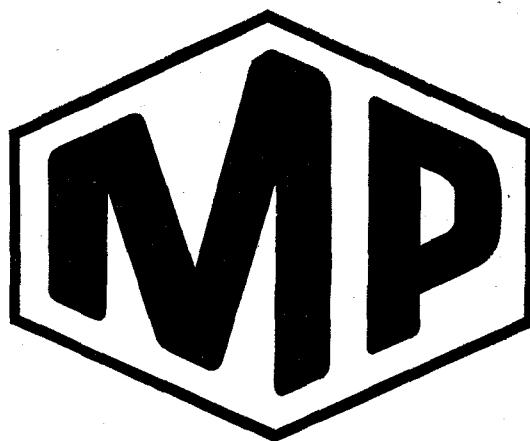

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Offices, Nairobi.

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number.
