## GAZETTE NOTICE No. 2286

## THE INDUSTRIAL COURT

CAUSE No. 36 OF 1986

## Parties:

Kenya Union of Commercial Food and Allied Workers  
and  
Kenya Bankers (Employers) Association

## Issue in dispute:

Application of the New Efficiency Bars by all Banks.

THE Kenya Union of Commercial Food and Allied Workers shall hereinafter be referred to as the claimants and the Kenya Bankers (Employers) Association shall hereinafter be referred to as the respondents.

2. The parties were heard in Nairobi, on 20th April, 1988, and relied on their written and verbal submissions. Previously hearing was fixed for 27th August, 1986, but the respondents were not ready to proceed with the hearing due to their executive officer having been involved in an accident. The dispute was mentioned on 7th October, 1986, 18th November, 1986, 12th January, 1987, 16th April, 1987, 4th June, 1987, 31st August, 1987, 29th October, 1987 and 4th February, 1988.

## AWARD

3. The Notification of Dispute Form "A" dated 10th December, 1985, duly signed by the parties was received by the court on 18th February, 1986, together with the statutory certificate signed by the Labour Commissioner. Subsequently the parties signed the collective agreement which incorporated the offer (now disputed) and the agreement was registered by the court as there was no objection from the claimants. The respondents told the court that the claimants are indirectly requesting the court to amend the parties two previous expired collective agreements as far as efficiency bars are concerned and the amount payable thereto, although the court had rejected to do so in its award in cause No. 69 of 1983.

After careful consideration of all the submissions the court finds that the claimants had accepted the respondents' offer on the introduction of the 3rd efficiency bar in all respects including the amount of money. The explanation given by the respondents as to what transpired after the court award in cause No. 69 of 1983 and the steps they took in making their offer and incorporating it in the collective agreement with the claimants' consent appears to be perfectly reasonable and logical. The fact that the parties then appeared before the court for the registration of the two previous collective agreements without any party raising objection to the registration further reinforces the respondents' side of the story.

Accordingly the court finds in favour of the respondents and rules that the 3rd efficiency bar should remain so until such time as this item can be renegotiated on the expiry of the existing collective agreement; that is if the claimants still desire to pursue it.

The claimants demand is rejected.

## THE INDUSTRIAL COURT

CAUSE No. 64 OF 1987

## Parties:

Kudheiha Workers  
and  
Frema Cafe

## Issue in dispute:

Wrongful dismissal of Kirengé Kirika.

THE KUDHEIHA Workers shall hereinafter be referred to as the claimants and the Frema Cafe shall hereinafter be referred to as the respondents.

2. This dispute came up for mention on 22nd September and 11th December, 1987, respectively, and on both occasions the respondents failed to appear before the court. The dispute was further mentioned on 1st February, 1988, in the absence of the respondents. On 9th March, 1988, the respondents were served with the claimants written submissions together with the hearing notice. On 18th April, 1988, when it came

up for hearing the respondents did not attend the court and the court proceeded to hear the dispute in their absence.

## AWARD

3. The Minister for Labour signed the reference of this dispute to the Industrial Court on 14th August, 1987, in accordance with section 8 of the Trade Disputes Act which reference was received by the court on 18th August, 1987, together with the statutory certificates signed by him and the Labour Commissioner.

This dispute was reported to the Ministry of Labour after the respondents had refused to meet the claimants to resolve the matter at their own level. The dispute was investigated by the Ministry of Labour and the findings were that the grievant had suffered a wrongful dismissal. It was recommended that the grievant be paid all his terminal benefits plus six months salary as compensation for the wrongful dismissal.

After careful consideration of the claimants' submissions, the court concurs with the Ministry's findings that the grievant has suffered a wrongful dismissal. The court accordingly awards that the grievant should be paid all his terminal benefits plus his outstanding dues of KSh. 1,419. In addition, he should be paid six months salary by way of compensation for the loss of employment.

Given at Nairobi on 18th April, 1988.

2. The parties were heard in Nairobi on 19th April, 1988, and relied on their written and verbal submissions.

## AWARD

3. The Minister for Labour referred the dispute to the court on 15th September, 1987, in accordance with section 8 of the Trade Disputes Act. The Minister's reference was

received by the court on 22nd September, 1987, together with the statutory certificates signed by him and the Labour Commissioner.

The court has carefully considered the submissions made by the parties and finds that the collective agreement upon which the claimants had based their case covered only the nine permanent employees drawn from the Brooke Bond (K) Ltd. The court notes that the 29 grievants were employed as piece rate workers and were paid depending on the work done by them.

The court has no doubt that the grievants worked seasonally and did not have continuous employment so the question of redundancy does not arise. The grievants were discontinued from their seasonal employment on 12th December, 1984, as it used to happen and not that they were declared redundant.

However, the court finds that the grievants' seasonal contract of employment should have been terminated with some prior notice or warning. The court while sympathizing with the respondents on their financial predicament, is reluctant to accept the manner in which the employment of the grievants was terminated.

The court having made the above observations awards that the grievants be paid an equivalent of one months pay (Sh. 270) in lieu of notice in accordance with the Wages (General) Order, 1982 under the column of other areas item (1).

This award does not apply to the 14 employees who were re-engaged in 1985.

Given at Nairobi on 19th May, 1988.

#### THE INDUSTRIAL COURT CAUSE NO. 78 OF 1987

##### Parties:

Kenya Petroleum Oil Workers Union  
and  
Kenya Pipeline Company Limited

##### Issue in dispute:

Dismissal of Kabugi Ndung'u.

THE Kenya Petroleum Oil Workers Union shall hereinafter be referred to as the claimants and the Kenya Pipeline Company Limited shall hereinafter be referred to as the respondents.

2. The parties were heard in Nairobi on 12th April, 1988, and relied on their written and verbal submissions.

##### AWARD

3. The Notification of Dispute Form "A" dated 9th May, 1986, duly signed by the parties was received by the court on 1st December, 1987, together with the statutory certificates signed by the Minister for Labour and the Labour Commissioner.

The court has carefully considered all aspects of this dispute and finds that the Ministry's findings and recommendations were acceptable to the respondents and Mr. Ndung'u himself. The court also notes that, the grievant who proved literate and knowledgeable in English before the court, was paid all his terminal benefits and certified the payment on 18th June, 1986, as having been received by him in full and final settlement of all his claims. This matter should have ended there.

The claimants tried to convince the court that the sum of Sh. 42,807.90 paid to the grievant as the final settlement of his claim was irrelevant to this dispute. The court cannot accept this and has decided to reject this claim because the grievant had settled this matter with the respondents on 18th June, 1986. The court must point out that if a trade union member, on whose behalf the trade union is fighting a case, goes and settles the dispute with the employer he is entitled to do so and the trade union cannot turn around and say that the employer should not have settled the matter with him. The court cannot assist the grievant any more and all the further claims like reinstatement made on his behalf are rejected.

#### GAZETTE NOTICE NO. 2291

##### THE TRADE MARKS ACT

(Cap. 506)

NOTICE is given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within sixty (60) days from the date of this Gazette, lodge notice of opposition on form TM. No. 6 (in duplicate) together with a fee of KSh. 50.

Notice is also given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him an opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Office, Nairobi.

Applications for registration in part A of the register are shown with the official number unaccompanied by any letter. Applications for part B are distinguished by the letter B prefixed to the official number.

The five applications appearing hereunder are proceeding in the name of MUNDIPHARMA AG., a Swiss corporation, manufacturers and merchants, of St. Alban-Vorstadt, 94 Basel, Switzerland, and c/o Messrs. Kaplan & Stratton, advocates, P.O. Box 40111, Nairobi.

Particular attention should be paid to the following points:

- (i) Signature must be clarified by means of rubber-stamping or typing the name of the signer in capital letters.
