GOVERNMENT NOTICE NO 84

THE KENYA AND UGANDA RAILWAYS AND
HARBOURS ASIAN SERVANTS GRATUITY
REGULATIONS, 1929

REGULATIONS

IN EXERCISE of the power conferred upon him by Article 7 (c) of the Kenya and Uganda (Transport) Orders in Council, 1925 and 1927, His Excellency the High Commissioner for Transport for the Colony and Protectorate of Kenya and the Protectorate of Uganda has been pleased to make the following Regulations —

These Regulations may be cited as "The Kenya and Uganda Railways and Harbours Asian Servants Gratuity Regulations, 1929" and shall be deemed to be part of and shall be read as one with the Uganda Railway Provident Fund Rules, dated 1st June, 1914

1 Subject to these Regulations, the General Manager may at his discretion grant to an Asian servant on retirement a gratuity from revenue for efficient, faithful and continuous service, or in the event of the death of a servant grant a gratuity to his dependents as provided in Regulation 10

2 Only Asian servants who, at the time of retirement or death, are contributors to the Provident Fund shall be eligible for a gratuity under these Regulations

3 A gratuity may be granted under one of the following conditions —

- (a) Retirement on completion of twenty-five years' service, or
- (b) retirement by the General Manager after fifteen years service, or
- (c) retirement with less than fifteen years' service due to—
 - (i) permanent physical or mental incapacity not due to the servant's own misconduct and certified by a medical board, or
 - (ii) retirement, or
 - (iii) death, if still in the employment of the High Commissioner at the time of death,
- (d) retirement on attainment of the age of fifty years after not less than ten years' service

4 For the purpose of these Regulations leave of absence if on pay shall be regarded as qualifying service towards a gratuity, but leave of absence without pay shall not be so regarded

5 Service for gratuity shall be deemed to commence from the date upon which a servant entered the employ of the High Commissioner

6 A break in the service of a servant may, at the discretion of the General Manager, be disregarded for the purpose of computing qualifying service towards a gratuity, subject to the following provisions —

- (a) That a break of three years has the effect of excluding all previous service
- (b) That if at any time the breaks in service aggregate seven years all previous service shall be excluded

7 The amount of gratuity payable shall be computed in the following manner —

- (a) In cases falling under Regulation 3 (a), (b), and (d), half a month's pay for each year of qualifying service, provided that no gratuity shall be granted in respect of any year over thirty years service
- (b) In cases falling under Regulation 3 (c), a gratuity limited ordinarily to half a month's pay for each year of qualifying service, but in special cases, of which the General Manager shall be sole judge, a gratuity of not more than one month's pay for each year of qualifying service subject to a maximum of twelve months' may be granted

8 For the purpose of Regulation 7, "pay" means monthly substantive pay and personal allowance at the time of retirement or death and does not include any other allowances whatever, provided that in the case of running staff drawing pay and allowances and not consolidated pay, the gratuity payable shall be one-and-a-half times that payable under Regulation 7 (a) and (b)

In cases of servants whose salaries were adjusted in accordance with Special Notice 698, issued by the General Manager on the 20th October, 1923, gratuities on retirement will be calculated on the salary drawn prior to adjustment if such salary was higher than the salary on completion of service, except in cases where, subsequent to regarding, there has been a reduction of salary, or stoppage of increment for misconduct, or inefficiency, or other causes not connected with adjustments of salary, under the Special Notice referred to

9 Any gratuity which may be granted ordinarily shall be payable on final retirement or transfer from the Service, but at the discretion of the General Manager may be paid before the expiry of any leave granted to a servant immediately prior to the date of his actual retirement

10 In the event of a servant dying while in the Service, any gratuity which may be payable under these Regulations may be paid wholly or in part to his widow or children or other member of the deceased's family dependent upon him at the time of his death at the entire discretion of the General Manager and in such proportion as he may think fit

11 A gratuity cannot be attached by courts of law, but any moneys due by the servant to the High Commissioner may be deducted therefrom. This applies also to a gratuity which may be payable under Regulation 10

12 These Regulations shall be deemed to have come into operation on the first day of January, 1929

13 A servant employed at the date of the commencement of these Regulations, whose service would render him eligible in due course for a gratuity under the Provident Fund Rules in force previous hereto, may elect to remain a contributor to such fund subject to such rules or to these Regulations. Notice of such election, which shall be irrevocable, must be forwarded to the Chief Accountant within six months of the date upon which these Regulations are published. If notification is not received within the specified period the servant will be subject to these Regulations, which shall apply to all servants of the High Commissioner eligible for a gratuity engaged subsequent to the date of the publication hereof.

LOCUST REPORT FOR THE TWO WEEKS ENDING
19TH FEBRUARY, 1930

Anti-hopper operations in the Colony were finally terminated by 12th February, and the Locust Staff reduced to a minimum. The campaign at Voi closed down on the 10th February, after an additional 300 acres of hoppers and young flies had been destroyed by means of bran bait. A few scattered swarms escaped and flew in a southerly direction.

FLYING SWARMS

Nyeri —A pink swarm was reported two miles north of Nyeri by Flight Lieut. Swoffer, of Wilson Airways, on 13th February. The swarm was dense in places, but was for the most part thin. Its length was between 3 and 4 miles, and it was flying in a north-westerly direction towards Nairobi.

Thika —A small swarm of locusts entered this district on 15th February, and is considered to be the same swarm as that reported earlier in the week on Manbre Estates, Ruiru.

Machakos —On 10th February, a swarm of locusts passed up the Kilungu Valley, travelling north-west, another swarm, after spending the night at Kiteta and Lower Mbooni, passed down the Kalama Valley, going south, on 11th February. Both these swarms have emanated from the inaccessible regions of the Kitui District.

Voi —Thin swarms of locusts are reported as having passed over this district for several days, all flying in a south-westerly direction.

West Suh —Reports from travellers on the Lodwar Kitale road indicate the presence of several swarms in this district.

As a whole, there are very few locust swarms in the Colony, and as yet no reports of damage to crops have been received by the Department.

THE grants of the farms specified in the Schedule hereto, will, subject to the provisions of the Crown Lands Ordinance (Chapter 140 of the Revised Laws of Kenya) be offered for sale at the Railway Club, Nairobi, commencing at 10 a.m., on Monday, the 31st March 1930. Plans of the farms may be seen at the Public Map Office, Survey and Registration Department, Nairobi, or may be had on application to the Surveyor General on payment of Shs 3, post free, in respect of each plan required.

The right to withdraw any farm from the auction is reserved to the Commissioner for Local Government, Lands and Settlement.

CONDITIONS OF SALE

1 Each farm will be auctioned separately.

2 With the exception of subdivisions of L.R. Nos 1596 and 1597, Kibos, these farms are in the Highlands. Except for the aforementioned subdivisions, the purchase will be confined to Europeans only (or their accredited agents), in conformity with the decision of His Majesty's Government.

3 The highest bidder will be the purchaser, and if any dispute arise as to any bidding, the farm will be put up again at the last undisputed bid.

4 The amount of the advance of each bid will be regulated by the auctioneer, and no bid shall be retracted.

5 Each purchaser shall pay to the auctioneer immediately on the fall of the hammer, a deposit of 10 per cent of his purchase money, and should the same be tendered by cheque, such cheque must be accompanied by a Banker's guarantee. In default of such payment the farm may be immediately reoffered for sale, and any subsequent bid by the person who has made default may be ignored or refused.

6 The balance of the purchase money may be paid in full to the Surveyor General on or before the 1st May, 1930, or may be paid in nine equal annual

instalments payable on the 1st day of January in each year, the first instalment being payable on the 1st January, 1931, and the purchaser shall inform the Surveyor General on or before the 1st May, 1930, which method of payment he desires to adopt.

7 If the purchaser shall have elected to pay the balance of the purchase money by instalments no assignment of the land granted or any part shall be valid until the whole of the purchase money shall have been paid.

8 The rent due to the 31st day of December, 1930, the survey fees and the fees payable for the preparation (Sh 90), and registration (Sh 20) of the grant, and the stamp duty payable (approximately 2 per cent ad valorem) in respect of the grant and, if the purchaser shall have elected to pay the balance of the purchase money in full, the balance of the purchase money, shall be paid to the Surveyor General at the Survey and Registration Department, Nairobi, on or before the 1st May, 1930, and upon such payment being duly made, the purchaser shall, subject to the provisions of the Crown Lands Ordinance (Chapter 140, Revised Edition of the Laws of Kenya), and if the conditions of sale have been complied with, be entitled to a grant of the farm which grant will be presented to him duly executed as soon as conveniently may be.

9 If the payments mentioned in Condition No 8 are not made on or before the 1st May, 1930, the Commissioner for Local Government, Lands and Settlement may order that the deposit paid by the purchaser be forfeited to the Government, and in such case the purchaser shall have no further claim to a grant of the farm.

10 The grants will be under the provisions of the Crown Lands Ordinance (Chapter 140 of the Revised Edition of the Laws of Kenya), and the Registration of Titles Ordinance (Chapter 142 of the Revised Edition of the Laws of Kenya), and will be for 999 years, commencing from the 1st day of April 1930.
