## GENERAL NOTICE NO 740

## KENYA WAR MEMORIAL

WHEN the War Memorial Fund was started subscriptions were invited for four purposes, viz A Monument, the enlargement of the European Hospital, Nairobi, an Indian Hospital and a Native Memorial. In 1921 it was decided after publishing the intention in the Press, to add the money subscribed for the Monument, which amounted to some £600, to the European Hospital Fund, to which some £1,600 had been subscribed. His Excellency added to this about £2,400 more funds at his disposal and the Committee placed the unallocated funds also to the object. In this way the money available for the European Hospital was brought up to over £6,500

Plans and specifications for the erection of the upper story of the European Hospital Nairobi were ready in May 1922, and the work was about to commence when His Excellency the Governor realized that the provision of extra beds must materially increase the cost of Hospital upkeep at a time when every effort was necessary to reduce Government expenditure

A meeting of the War Memorial Committee was held at Government House on Saturday last, the 19th instant. His Excellency explained the position showing that the European Hospital extension was now out of the question. Various alternative forms of memorial were suggested. It was finally proposed by Mr L Tailton, seconded by Dr Arthur and carried *nom com*

That of the £6,500 now available from the War Memorial Funds approximately £1,000 be devoted to the erection of a War Memorial Monument to commemorate those who fell under the British Flag in the East African Campaign irrespective of race or colour and that of the balance a sum of approximately £860 be devoted to the liquidation of the building debt of the Lady Northern Home, the remainder being allocated to the endowment of beds in the Lady Northern Home, a tablet being erected in the Lady Northern Home to the effect that the funds had been devoted to that purpose."

This was passed on condition "that a statement of the present position be forwarded to the Press for publication and that the above resolution be published and forwarded to each contributor to the fund inviting criticism and suggestions from subscribers to reach the Hon Secretary before the 30th September, 1922

Criticisms and suggestions should be addressed to Mr G R Sandford, the Secretariat, Nairobi to reach him before the date mentioned. The Committee will then be reasonable to consider the suggestions put forward

The money subscribed for the Indian Hospital, £214 was insufficient for the purpose and has been forwarded to the Indian Association at their suggestion for the assistance of destitute Indians

Funds for the Native War Memorial amount to £3,000 in all and are to be devoted to the erection of a Native Hostel in Nairobi, which the Alliance of Missionaries undertake to maintain

Dr J L Gilks was elected Chairman of the Committee in place of His Excellency
