In default of payment within the specified time, the Commissioner of Lands may cancel the allocation and the applicant shall have no claim to the plot.

General Conditions

The grant will be made under the provision of the Trust Land Act, and title will be issued under the Registered Land Act (Cap. 300).

2. The grant will be issued in the name of the allottee as given in the letter of application and will be subject to the special conditions set out below.

3. The term of the grant will be for ninety-nine (99) years from the first day of the month following the issue of the letter of allotment.

Special Conditions

No buildings shall be erected on the land nor shall additions or external alterations be made to any buildings otherwise than in conformity with plans and specifications previously approved in writing by the local authority. The local authority shall not give approval unless it is satisfied that the proposals are such as to develop the land adequately and satisfactorily.

2. The grantee shall within six (6) calendar months of the actual registration of the grant submit in triplicate to the local authority plans (including block plans showing the positions of the buildings and system of drainage for the disposal of sewage, surface and sullage water), drawings, elevations and specifications of the buildings the grantee proposes to erect on the land and shall within twenty-four (24) months of the actual registration of the grant complete the erection of such buildings and the construction of the drainage system in conformity with such plans, drawings, elevations and specifications as amended (if such be the case) by the local authority:

Provided that notwithstanding anything to the contrary contained or implied by the Trust Land Act, if default shall be made in the performance or observance of any of the requirements of this condition it shall be lawful for the county council or any person authorized by the county council to re-enter into and upon the land or any part thereof in the name of the whole and thereupon the term created shall cease but without prejudice to any right of action or remedy of the county council in respect of any antecedent breach of any condition herein contained.

3. The grantee shall maintain in good substantial repair and condition all buildings at any time erected on the land.

4. Should the grantee give notice in writing to the county council that he/she/they is/are unable to complete the buildings within the period aforesaid, the county council shall (at the grantee's expenses) accept a surrender of the land comprised herein:

Provided further that if such notice as aforesaid shall be given—

- (a) within twelve (12) months of commencement of the term, the county council shall refund to the grantee 50 per cent of the stand premium paid in respect of the land;
- (b) at any subsequent time prior to the expiration of the said building period, the county council shall refund to the grantee 5 per cent of the said stand premium; or
- (c) in the event of the notice being given after the expiration of the said building period, no refund shall be made.

5. The land and the buildings shall only be used for the purposes shown in the schedule.

6. The buildings shall not cover greater or lesser area of land than that laid down by the local authority in its by-laws.

7. The land shall not be used for the purpose of any trade or business which the local authority considers to be dangerous or offensive.

8. The grantee shall not subdivide the land without prior consent in writing of the county council and the Commissioner of Lands.

9. The grantee shall not sell, transfer, sublet, charge or part with the possession of the land or any part thereof or any buildings thereon except with prior consent in writing of the county council. No application for such consent (except in respect of a loan required for building purposes) will be considered until special condition No. 2 has been performed.

10. The grantee shall pay to the local authority on demand such sum as the local authority may estimate to be the proportionate cost of constructing all roads and drains and sewers serving or adjoining the land and shall on completion of such construction and ascertainment of the actual proportionate cost either pay (within seven days of demand) or be refunded the amount by which the actual proportionate cost exceeds or falls short of the amount paid as aforesaid.

11. The grantee shall from time to time pay to the local authority on demand such proportion of the cost of maintaining all roads and drains serving or adjoining the land as the local authority may assess.

12. Should the local authority at any time require the said roads to be constructed to a higher standard, the grantee shall pay to the local authority on demand such proportion of the cost of such construction as the local authority may assess.

13. The grantee shall pay such rates, taxes, charges, duties, assessments or outgoings of whatever description as may be imposed, charged or assessed by any government or local authority upon the land or the buildings erected thereon including any contribution or other sum paid by the local authority or the county council in lieu thereof.

14. The county council or such person or authority as may be appointed for the purpose shall have right to enter upon the land and lay and have access to water mains, service pipes and drains, telephone or telegraph wires and electric mains of all descriptions whether overhead or underground and the grantee shall not erect any building in such a way as to cover or interfere with any existing alignment of mains or service pipes, telephone or telegraph wires and electric mains.

15. The local authority reserves the right to revise the annual ground rental payable hereunder after the expirations of thirty-third (33rd) and sixty-sixth (66th) year of the term granted. Such rent will be at the rate of 4 per cent of the unimproved freehold value of the land as assessed by the Commissioner of Lands on behalf of the county council.

REGISTRATION OF INSTRUMENT

WHEREAS Kariuki Kaigua, of P.O. Box 35, Kigumo, is registered as proprietor of that piece of land known as parcel No. Loc. 3/Mukuria/666, situate in Murang'a District, and whereas the High Court of Kenya at Nairobi in civil suit No. 1771/80 has ordered that the said piece of land be subdivided to (1) Mwangi Kaigua and (2) Macharia Mwangi, both of P.O. Box 59, Maragua, and whereas the deputy registrar of the court has, in pursuance of an order of the said court, executed a subdivision of the said piece of land in favour of (1) Mwangi Kaigua and (2) Macharia Mwangi, both of P.O. Box 59, Maragua, and whereas all efforts made to compel the registered proprietor to surrender the land certificate issued in respect of the said piece of land to the land registrar have failed, notice is given that after the expiration of thirty (30) days from the date hereof, provided that no valid objection has been received within that period, I intend to dispense with the production of the said land certificate and proceed with the registration of the said instrument of subdivision and issue land certificates to the said (1) Mwangi Kaigua and (2) Macharia Mwangi, and upon such registration, the land certificate issued earlier to the said Kariuki Kaigua shall be deemed to be cancelled and of no effect.

Dated the 27th February, 1987.

S. Z. MUTWIRI,
Land Registrar,

Particular attention should be paid to the following points:

- (i) Signature must be clarified by means of rubber-stamping or typing the name of the signer in capital letters.
